CASCHO T60

CASCHO T60 Smart Watch User Manual

Model: T60

INTRODUCTION

This manual provides essential instructions for setting up, operating, and maintaining your CASCHO T60 Smart Watch. Please read this guide thoroughly to ensure proper use and to maximize the features of your device.

SETUP

1. Charging the Smart Watch

Before first use, fully charge your smart watch. The device uses a USB magnetic suction charging cable.

- Connect the magnetic end of the charging cable to the charging points on the back of the watch.
- Connect the USB end to a standard USB power adapter (not included) or a computer USB port.
- A full charge typically takes approximately 2 hours.
- Battery life varies: up to 7 days with heavy usage, 10 days with daily use, and 30 days on standby.

2. App Installation and Device Pairing

To unlock the full functionality of your smart watch, you need to install the 'GloryFit' application on your smartphone and pair the devices.

1. Ensure Bluetooth is enabled on your smartphone.
2. Open your phone's app store (Google Play for Android or App Store for iOS).
3. Search for and download the "GloryFit" application.
4. Open the GloryFit app and follow the on-screen instructions to create an account or log in.
5. Within the app, navigate to the "Device" section and select "Add device."
6. Scan the QR code displayed on your smart watch screen using the app's camera. Alternatively, you may manually select your device from the list of available Bluetooth devices.
7. Confirm the pairing request on both your phone and the smart watch.

2. Bluetooth Call Functionality

Once paired with your smartphone, the smart watch allows you to answer and make calls directly from your wrist.

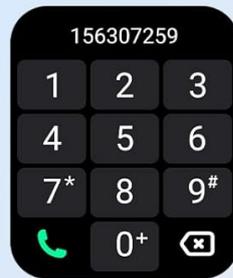

- **Answering Calls:** When an incoming call is received, the watch will display the caller ID. Tap the green phone icon to answer.
- **Making Calls:** Access the dial pad or your frequent contacts directly from the watch interface to initiate a call.
- The watch includes a built-in microphone and speaker for clear communication.

3. Sports Modes and Activity Tracking

The CASCHO T60 supports over 100 sports modes and tracks various activity data.

- Select your desired sport from the watch's menu to begin tracking.
- The watch records steps, distance, calories burned, and active minutes.
- Review your workout data in real-time on the watch or in detail via the GloryFit app.

100+ BUILD-IN SPORTS MODES

Workout Modes & Intelligent Exercise Recognition

15460 Steps 13.2 KM 687 Kcal

All-day Activity Recording

Steps 11215 step
Heart Rate 98 bpm
Calorie 200 kcal
Distance 3.88 km

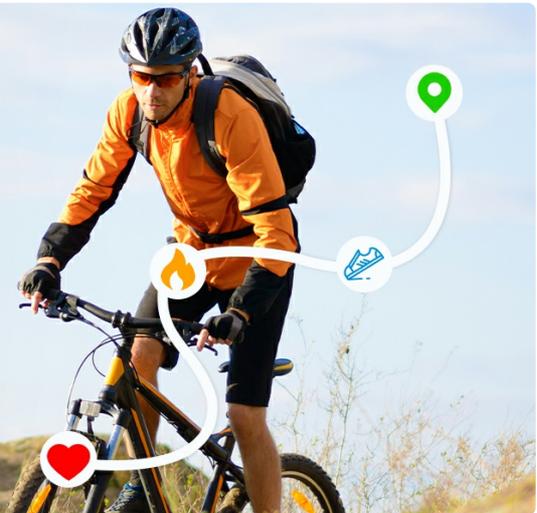

Image: All-day activity recording features.

4. Health Monitoring

The smart watch provides continuous monitoring of key health metrics.

- **Heart Rate:** Monitors your heart rate 24/7. View real-time data on the watch or historical trends in the app.
- **Blood Oxygen (SpO2):** Measures your blood oxygen saturation levels.
- **Sleep Monitor:** Automatically tracks your sleep patterns, including deep sleep, light sleep, and awake times, providing a comprehensive sleep quality analysis.

5. Smart Notifications and Other Functions

Receive notifications and utilize various smart features directly from your watch.

- **Message Alerts:** Get notifications for calls, SMS, and social media apps (Facebook, Twitter, WhatsApp, Instagram, etc.).
- **Customized Dials:** Personalize your watch face with over 200 options via the GloryFit app, or use your own photos.
- **Multifunctionality:** Access features such as timer, remote camera control, find phone, oximetry, sleep tracking, sports modes, heart rate monitoring, breathing exercises, alarm clock, weather forecast, and music control.

MAINTENANCE

1. Water Resistance

The CASCHO T60 Smart Watch is IP68 waterproof, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. It is suitable for daily activities such as washing hands or light rain exposure. However, it is not recommended for swimming, diving, or exposure to hot water/steam.

2. Cleaning and Care

- Wipe the watch and strap regularly with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials for cleaning.
- The strap is made of 100% natural silicone, designed to be anti-allergic and durable.

Our Straps	VS	Other Straps

TROUBLESHOOTING

If you encounter issues with your CASCHO T60 Smart Watch, please refer to the following common solutions:

- **Connectivity Issues:** Ensure Bluetooth is enabled on your phone and the watch is within range. Restart both devices and attempt to re-pair through the GloryFit app.
- **Inaccurate Health Data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean

the sensor on the back of the watch. Note that smart watch health data is for reference and not for medical diagnosis.

- **Notifications Not Appearing:** Check notification permissions for the GloryFit app in your phone's settings. Ensure the app is running in the background and not being restricted by power-saving modes.
- **Weather Information Incorrect:** Verify that location services are enabled for the GloryFit app on your phone and that the app has permission to access your location.
- **Short Battery Life:** Reduce screen brightness, disable unnecessary notifications, and limit continuous heart rate monitoring if not required. Ensure the watch is fully charged using the provided cable.
- **Watch Not Turning On:** Ensure the watch is fully charged. If it still doesn't turn on, try a hard reset (refer to the app for specific instructions or contact support).

If problems persist, please contact customer support for further assistance.

SPECIFICATIONS

Feature	Detail
Model Number	T60
Product Dimensions	10.04 x 1.57 x 0.43 inches
Item Weight	3.2 ounces
Screen Size	1.91 Inches
Operating System	Wear OS 1.0 (compatible with Android/iOS)
