- **Reject Call:** Press Power button for 2 seconds.
- **Voice Assistant:** Press Power button twice.
- **ANC On/Off:** Press ANC button once.

## SETUP

### Bluetooth Pairing:

Follow these simple steps to pair your headphones with a Bluetooth-enabled device:

1. Turn on the headphones. The white light indicator will flash slowly, indicating they are in pairing mode.
2. On your device (smartphone, tablet, computer), navigate to the Bluetooth settings and ensure Bluetooth is enabled.
3. Select "Monster Persona SE ANC" from the list of available devices to pair.
4. Once connected, you will hear a system voice prompt confirming "Connected".

## OPERATING INSTRUCTIONS

### Active Noise Cancellation (ANC):

The Monster Persona SE ANC headphones feature advanced digital noise cancellation. Press the ANC button once to activate or deactivate the noise cancellation function. This technology blocks up to 98% of ambient noise, allowing you to focus on your audio.

# ACTIVE NOISE CANCELLATION

**Beofre**

Microphone detects external noise

**After**

Automatically eliminate  
environmental noise through  
ANC technology

*Image: A graphic illustrating the effect of Active Noise Cancellation, showing a "Before" state with external noise detected by a microphone and an "After" state where environmental noise is eliminated by ANC technology.*

## Audio Quality:

Experience Pure Monster Sound with powerful 40mm drivers and a unique digital audio processor. These headphones deliver balanced, immersive stereo audio with powerful, deep bass.

## **Battery Life and Charging:**

The headphones offer extended playtime:

- Up to 40 hours of music playback in ANC mode.
- Up to 60 hours of music playback in standard mode (ANC off).

Charging is done via the included Type-C cable. A 5-minute charge provides approximately 4 hours of listening time.

# LISTEN LONGER

# 60H

Charge **2H**    Playtime **60H**    Standby **800H**

*Image: The Monster Persona SE ANC headphones with a large "60H" indicating the extended playtime, along with smaller text showing "Charge 2H", "Playtime 60H", and "Standby 800H".*

## MAINTENANCE

---

### Cleaning:

To maintain the condition of your headphones:

- Wipe the earcups and headband with a soft, dry cloth.
- Do not use abrasive cleaners or solvents.
- Avoid getting moisture into the headphone openings.

### Storage:

For convenient storage and to protect your headphones:

1. Rotate the earcups flat.
2. Fold the headphones inward at the hinges.
3. Store them in a protective case (if available) or a safe place to prevent damage.

# ALL DAY COMFORT

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Headphones do not power on.	Low battery.	Charge the headphones using the provided Type-C cable.
Cannot pair with device.	Bluetooth is off on device; headphones not in pairing mode; device too far.	Ensure Bluetooth is enabled on your device. Turn headphones off and on to re-enter pairing mode. Move device closer to headphones.
No sound or low volume.	Volume too low; incorrect audio output selected; headphones not connected.	Increase volume on both headphones and device. Check device's audio output settings. Re-pair headphones if disconnected.
ANC not effective.	ANC feature is off.	Press the ANC button to activate the noise cancellation.
Intermittent connection.	Interference; device too far; low battery.	Move away from sources of interference (e.g., Wi-Fi routers). Keep device within Bluetooth range. Charge headphones.
