Vziimo Mushroom House Building Set

Model: 13021 - Instruction Manual

1. Introduction

This manual provides detailed instructions for assembling your Vziimo Mushroom House Building Set. This creative model kit features 1346 micro bricks, designed to construct a whimsical mushroom house with intricate details. The finished model measures approximately 4.92 inches (H) x 4.73 inches (W) x 6.3 inches (L).
Please read all instructions carefully before beginning assembly. This set is intended for individuals aged 14 years and older.

2. Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all small components away from young children and pets.
- **Age Recommendation:** This building set is recommended for ages 14 and up due to the small size and complexity of the micro bricks.
- **Material:** The bricks are made from durable ABS plastic.

3. Package Contents

Before starting assembly, verify that all components are present. Your Vziimo Mushroom House Building Set package should contain:

- 1346 Micro Building Bricks (various shapes and colors)
- 1 Instruction Manual

The bricks are typically packaged in numbered bags corresponding to assembly steps. Do not open all bags at once to avoid mixing parts.

4. Assembly Instructions (Setup)

Follow these steps to assemble your Vziimo Mushroom House Building Set. Patience and careful attention to detail

are key for a successful build.

4.1 Understanding Micro Bricks

This set utilizes micro bricks, which are significantly smaller than standard building blocks. This allows for greater detail in the final model but requires more precision during assembly.

Image 1: Comparison of micro bricks (0.31 inches) to normal bricks (0.62 inches).

As shown in Image 1, micro bricks are approximately half the size of conventional building blocks, enabling intricate designs.

4.2 Preparation

1. **Clear Workspace:** Ensure you have a clean, well-lit, and spacious area to work on.
2. **Organize Parts:** Open only one numbered bag of bricks at a time as indicated in the instruction manual. It is highly recommended to sort the pieces by color and shape within each bag to facilitate easier identification.
3. **Review Instructions:** Familiarize yourself with the instruction manual's visual steps before starting each section.

4.3 Assembly Steps

Follow the step-by-step visual guide provided in the included instruction manual. Each step illustrates the placement of specific bricks. Pay close attention to the orientation and connection points.

5.2 Cleaning and Maintenance

- **Dusting:** Use a soft brush or a can of compressed air to gently remove dust from the model.
- **Cleaning:** For more thorough cleaning, wipe the model with a slightly damp cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic.
- **Storage:** If disassembling or storing, keep all pieces in a secure container to prevent loss.

6. Troubleshooting
