VASAGLE BBK124Y01

VASAGLE LED Bathroom Cabinet with Mirror

Model: BBK124Y01 | Brand: VASAGLE

Introduction

Thank you for choosing the VASAGLE LED Bathroom Cabinet. This wall-mounted mirror cabinet is designed to provide practical storage and enhanced functionality for your bathroom. It features integrated LED lighting, a power outlet, a convenient hanging basket, and a hair dryer holder. Please read this manual thoroughly before assembly and use to ensure safe operation and optimal performance.

Safety Information

- This cabinet requires self-assembly. Ensure you read all instructions carefully and use the correct tools for assembly.
- The mirror can break if not handled correctly. Exercise caution during installation and use to prevent damage or injury.
- Ensure the cabinet is securely mounted to a suitable wall structure to support its weight and contents.
- Do not overload the cabinet or shelves beyond the maximum weight capacity of 20 kg.
- Keep electrical components (LED light, power outlet) dry and away from direct water exposure.

Package Contents

Verify that all components are present before beginning assembly. Refer to the included assembly instructions for a detailed list of parts and hardware.

- Mirror Cabinet Body (Oak wood finish)
- LED Light Strip
- Integrated Power Outlet
- Hanging Basket
- Hair Dryer Holder
- Assembly Hardware (screws, wall anchors, hinges, etc.)
- Assembly Instructions Manual

Setup and Assembly

Assembly of the VASAGLE LED Bathroom Cabinet requires careful attention to detail. Follow the step-by-step instructions provided in the separate assembly manual included with your product. Ensure you have the necessary tools (e.g., screwdriver, drill, level) before starting.

1. **Unpack and Identify Parts:** Carefully unbox all components and verify against the parts list in the assembly manual.
2. **Assemble Cabinet Frame:** Follow the instructions to connect the wooden panels using the provided hardware. Pay attention to the orientation of each piece.
3. **Install Hinges and Doors:** Attach the door hinges to the cabinet frame and then mount the mirror doors. Adjust hinges as needed for proper alignment.
4. **Mount LED Light and Power Outlet:** Secure the LED light strip to the top of the cabinet and connect the power outlet according to the electrical safety guidelines in the manual.
5. **Attach Hanging Basket and Hair Dryer Holder:** Secure these accessories to the designated locations on the cabinet sides.
6. **Wall Mounting:** Choose a suitable location on a sturdy wall. Mark and drill holes for the wall anchors. Securely mount the cabinet to the wall using the appropriate hardware. Ensure the cabinet is level and stable.

Operating Instructions

LED Lighting

The cabinet features an integrated LED light strip located above the mirror. Connect the cabinet's power cord to a suitable wall outlet. The LED light can be switched on/off using the integrated switch, typically located near the power cord or on the light strip itself. This light provides illumination for grooming and daily routines.

Integrated Power Outlet

A power outlet is integrated into the cabinet for convenient use of electrical appliances such as hair dryers, electric toothbrushes, or shavers. Ensure the cabinet is properly connected to a power source. Always ensure your hands are dry when plugging or unplugging devices.

Storage Features

The cabinet offers various storage options:

- **Mirror Doors:** Conceal items behind the mirror doors for a tidy appearance and privacy.
- **Interior Shelves:** Organize toiletries, cosmetics, and other bathroom essentials on the adjustable interior shelves.
- **Open Compartment:** The open shelf at the bottom provides easy access to frequently used items.

- **Hanging Basket:** Use the side-mounted hanging basket for smaller items like brushes or sponges.
- **Hair Dryer Holder:** The dedicated holder keeps your hair dryer neatly stored and easily accessible.

Maintenance

- **Cleaning the Cabinet:** Wipe the wooden surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Mirror:** Use a standard glass cleaner and a lint-free cloth to clean the mirror surface. Spray cleaner onto the

cloth, not directly onto the mirror, to prevent liquid from seeping into edges.

- **Electrical Components:** Ensure the power is disconnected before cleaning around the LED light or power outlet. Wipe with a dry cloth only.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight, especially for wall mounting hardware.

Troubleshooting

- **LED Light Not Working:**
  - Check if the power cord is securely plugged into the wall outlet.
  - Ensure the wall outlet is functional (test with another appliance).
  - Verify the light switch is in the 'ON' position.
- **Power Outlet Not Functioning:**
  - Confirm the cabinet's main power cord is connected and the wall outlet is active.
  - Check if the appliance you are trying to use is working correctly in another outlet.
- **Mirror Doors Are Misaligned:**
  - Adjust the hinges using a screwdriver. Most cabinet hinges allow for minor adjustments in three directions (up/down, left/right, in/out). Refer to the hinge adjustment section in your assembly manual if available.
- **Cabinet Feels Unstable:**
  - Re-check all wall mounting screws and anchors. Ensure they are tight and properly installed into a solid wall structure. If mounted into drywall, ensure appropriate drywall anchors were used.

Specifications

Feature	Detail
Brand	VASAGLE
Model Number	BBK124Y01
Dimensions (W x D x H)	14.5 cm x 70 cm x 70 cm
Material	Oak Wood
