Product Features

- **Touch Control & Stepless Dimming:** Easily switch between 3 color temperatures (3000K warm white, 5000K daylight white, 4000K natural white) and adjust brightness from 5% to 100% with a long press. Includes brightness memory function.
- **Large Capacity Rechargeable Battery:** Built-in 5000mAh battery, charged via USB-C. Provides 8-40 hours of runtime depending on brightness. Battery cycle life of 500 to 1000 times (approx. 3-5 years). Can serve as an emergency light.
- **Versatile Scenarios:** Cordless design allows placement in any space. Adjustable to two heights (14.7in and

9.3in). Suitable for dining tables, kitchens, living rooms, bedrooms, patios, camping, picnics, and bathrooms.

- **Portable & Waterproof:** High-quality coated surface is waterproof, anti-scratch, and anti-corrosion, making it suitable for outdoor use. Lightweight and portable.

Package Contents

- Kakanuo Cordless Rechargeable Table Lamp (2 units)
- USB Type-C Cable (2 units)
- Instruction Manual

Setup

Assembly

1. Carefully unbox all components.
2. Attach the lamp shade to the main pole.
3. Connect the pole to the base. The lamp features detachable tubes, allowing for two height configurations: 14.7 inches or 9.3 inches. Choose the desired height by using one or both extension tubes.
4. Ensure all connections are secure.

Initial Charge

Before first use, fully charge the lamp using the provided USB Type-C cable. The charging port is located on the underside of the lamp head. A red light indicates charging, and a green light indicates a full charge. A full charge takes approximately 6 hours after complete discharge.

Operating Instructions

Power On/Off and Color Temperature Adjustment

- To turn the lamp on or off, tap the touch button located at the top of the lamp head.
- To cycle through the 3 color temperatures (3000K warm white, 5000K daylight white, 4000K natural white), tap the touch button repeatedly.

Brightness Adjustment (Stepless Dimming)

- To adjust the brightness for any selected color mode, long press the touch button. The brightness will smoothly transition between 5% and 100%.
- Release the button when the desired brightness level is reached. The lamp will remember your last brightness setting.

Charging

The Kakanuo table lamp is equipped with a 5000mAh rechargeable battery. Use the included USB Type-C cable to charge the device. The charging port is located on the underside of the lamp head. A red indicator light will illuminate during charging, turning green once fully charged. Charging from a completely discharged state takes approximately 6 hours. The lamp provides 8-40 hours of illumination on a full charge, depending on the selected brightness level.

Maintenance

To ensure the longevity and optimal performance of your Kakanuo table lamp, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the lamp's surface with a soft, damp cloth. Avoid using abrasive cleaners or solvents, as these may damage the finish.
- **Storage:** When not in use for extended periods, store the lamp in a cool, dry place. Ensure the battery is partially charged (around 50%) before storage to maintain battery health.
- **Water Exposure:** While the lamp is waterproof, avoid prolonged submersion. Ensure the charging port is dry before connecting the USB-C cable.

Troubleshooting

If you encounter any issues with your Kakanuo table lamp, please refer to the following common troubleshooting steps:

- **Lamp does not turn on:**
    - Ensure the battery is charged. Connect the lamp to a power source using the USB-C cable.

- Verify the touch button is being tapped correctly.

- **Light is dim or flickers:**
  - The battery may be low. Recharge the lamp fully.
  - Adjust the brightness level using the long-press touch control.

- **Charging indicator light not working:**
  - Check if the USB-C cable is securely connected to both the lamp and the power adapter.
  - Try a different USB-C cable or power adapter.

- **Water ingress:**
  - Immediately power off the lamp and disconnect from any power source.
  - Allow the lamp to dry completely before attempting to use it again.

If the issue persists after attempting these steps, please contact Kakanuo customer support for further assistance.

Specifications

Feature	Detail
Brand	Kakanuo
Model Number	48d98772-f2f5-4133-afb6-f211f212f569
Product Dimensions	4"D x 4"W x 14.7"H (adjustable to 9.3"H)
Item Weight	2.92 pounds (1.33 Kilograms)
Material	Metal, Plastic
Finish Type	Coated
Light Source Type	LED
Wattage	2 watts
Voltage	5 Volts (DC)
Color Temperature	3000K (Warm White), 4000K (Natural White), 5000K (Daylight White)
Battery	5000mAh Lithium Ion (included)
Power Source	Battery Powered
Control Method	Touch
