## RoyalCraft ZFK015BL

# RoyalCraft Large Sideboard Buffet Cabinet User Manual

Model: ZFK015BL

Brand: RoyalCraft

## 1. PRODUCT OVERVIEW

The RoyalCraft Large Sideboard Buffet Cabinet is a versatile and elegant storage solution designed to enhance various living spaces, including dining rooms, living rooms, entryways, and home offices. This 58-inch modern credenza features artistic carved handles and graceful solid wood legs, embodying a refined aesthetic. Its multi-functional design allows it to serve as a TV console, party buffet, entryway organizer, or coffee/wine bar.

## 2. SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure safe use and prevent damage or injury:

- **Weight Capacity:** Do not exceed the weight capacity of 200 lbs (90.7 kg) on the top plate.
- **Shelf Capacity:** Individual shelves have a weight capacity of 50 lbs (22.7 kg).
- **Installation:** Ensure proper installation to avoid tipping. It is recommended to secure the cabinet to a wall if there is any risk of instability, especially in households with children or pets.
- **Handling:** Use appropriate safety gear when handling heavy items during assembly or relocation.

*Failure to follow these safety instructions may result in product damage or personal injury.*

## 3. SETUP AND ASSEMBLY

Assembly is required for this sideboard cabinet. The product package includes detailed assembly instructions and all components are numbered for easy identification. Please follow the step-by-step guide provided in the packaging for a smooth assembly process.

For a digital copy of the user manual with assembly instructions, please refer to the official PDF document:

Ensure all parts are present before beginning assembly. If any parts are missing or damaged, please contact customer support immediately.

## 4. OPERATING INSTRUCTIONS

### 4.1. Storage Customization

The cabinet features adjustable thickened shelves, allowing you to customize the internal storage height to suit your needs. This flexibility accommodates various items, from heavy appliances to larger books or coffee machines. The shelves can be assembled into one or two layers based on the size of the items you wish to store.

### 4.2. Door Alignment

To ensure a seamless frame fit and prevent rust, you can adjust the hinge screws to fine-tune the door alignment. Refer to the assembly instructions for detailed guidance on hinge adjustment.

### 4.3. Product Dimensions and Capacity

The overall dimensions of the cabinet are 58"W x 16"D x 31"H. The tabletop can support up to 200 lbs, and

each adjustable shelf can hold up to 50 lbs. The cabinet's base provides a generous 5.5-inch clearance, facilitating effortless cleaning underneath and easy access for sweepers.

## 5. MAINTENANCE

The RoyalCraft Sideboard Buffet Cabinet is designed for easy maintenance. The eco-friendly, lead-free P2 paint finish is water-resistant, making spills easy to wipe away.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Clean up spills immediately to prevent water damage, although the finish is water-resistant.
- **Dusting:** Regularly dust with a dry, soft cloth to maintain its appearance.

## Safe Paint Finish

## 6. TROUBLESHOOTING

If you encounter any issues with your RoyalCraft Sideboard Buffet Cabinet, please refer to the following common concerns:

- **Missing Parts or Packaging Damage:** If your package arrives with damage or if components are missing, please contact our professional seller support team immediately. Provide your order details and a description of the issue for prompt assistance.
- **Assembly Difficulties:** If you require installation guidance beyond the provided instructions, our support team is available to assist. Do not force parts together.
- **Door Misalignment:** Refer to section 4.2 on door alignment and adjust the hinge screws as needed.
- **Stability Concerns:** Ensure all screws and fasteners are tightened securely. If the cabinet still feels unstable, verify that it is placed on a level surface. Consider using anti-tip hardware if necessary.

*For any issues not covered here, please contact RoyalCraft customer support.*
