

## HLDIRECT A-120

# HLDIRECT 47-inch Ergonomic Gaming Desk Instruction Manual

Model: A-120 | Brand: HLDIRECT

## INTRODUCTION

Thank you for choosing the HLDIRECT 47-inch Ergonomic Gaming Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read these instructions carefully before beginning assembly and retain them for future reference.

This gaming desk is designed for comfort and stability, featuring a carbon fiber surface, a sturdy steel frame, and convenient accessories like a cup holder and headphone hook. Its ergonomic design aims to enhance your gaming or work experience.

## SAFETY INFORMATION

- Ensure all components are present and undamaged before assembly. Do not use if any parts are missing or damaged.
- Assemble the desk on a soft, clean surface to prevent scratches.
- Tighten all screws and bolts securely, but do not overtighten.
- Do not exceed the maximum recommended load capacity of 200 pounds (90.7 kg).
- Keep small parts away from children during assembly.
- Regularly check all connections to ensure they remain tight and secure.
- Avoid placing hot items directly on the desk surface without protection.
- Use the leveling feet to ensure the desk is stable on uneven floors.

## PACKAGE CONTENTS

---

Before assembly, verify that all the following components are included in your package. If any parts are missing or damaged, please contact customer support.

- Desk Top (Carbon Fiber Surface)
- Left Leg Frame
- Right Leg Frame
- Crossbars / Support Beams
- Headphone Hook
- Cup Holder
- Cable Grommets (2)
- Leveling Feet (4)
- Assembly Hardware (Screws, bolts, Allen wrench)
- Instruction Manual (This document)

## SETUP AND ASSEMBLY

---

Assembly typically takes approximately 30 minutes with one person. All necessary tools are included.

### Step 1: Prepare the Workspace

Clear an open area and lay down a soft cloth or cardboard to protect the desk components and your floor during assembly.

### Step 2: Attach Leg Frames to Crossbars

Connect the left and right leg frames to the main crossbars using the provided screws and Allen wrench. Ensure the A-type leg construction is correctly oriented.

# ***INDUSTRIAL GRADE LOAD CAPACITY***

*Refuse the Instability in Gaming*

Image: The industrial-grade steel frame, showing the 1mm steel, triangular structural, and dual-frame design for a 200 lbs load capacity. Leveling feet are also visible for floor compatibility.

## **Step 3: Secure Desk Top to Frame**

Carefully place the carbon fiber desk top onto the assembled leg frame. Align the pre-drilled holes on the desk top with the holes on the frame. Secure the desk top using the remaining screws.

Image: Overhead view illustrating the desk dimensions: 23.6 inches deep, 47 inches wide, and 29 inches high. The image also shows the spacious area for a monitor, keyboard, mouse, and PC tower.

#### Step 4: Install Accessories

Attach the headphone hook and cup holder to the designated locations on the desk frame. Insert the cable grommets into the pre-cut holes on the desk surface.

Image: Detail of the desk's double-sided cable grommet, designed to keep cables neat and tidy, contributing to an organized desktop.

## Step 5: Adjust Leveling Feet

Once the desk is fully assembled, place it in its desired location. Adjust the leveling feet at the bottom of each leg to ensure the desk is stable and does not wobble.

## OPERATING INSTRUCTIONS

The HLDIRECT Gaming Desk is designed for straightforward use. Here are some tips for optimal experience:

- **Ergonomic Positioning:** The desk's curved front edge allows for closer seating and comfortable arm placement, reducing fatigue during long sessions.
- **Cable Management:** Utilize the two double-sided cable grommets to route and organize your monitor, keyboard, mouse, and other peripheral cables, keeping your desktop clutter-free.
- **Accessory Use:** The integrated cup holder provides a secure spot for your beverage, minimizing spill risks. The

headphone hook keeps your headset within easy reach and off the desk surface.

- **Monitor Setup:** The large surface (47 x 23.6 inches) accommodates multiple monitors. The enhanced frame structure supports the installation of a monitor arm if desired.

## MAINTENANCE

To ensure the longevity and appearance of your HLDIRECT Gaming Desk, follow these simple maintenance guidelines:

- **Cleaning the Surface:** Wipe the carbon fiber surface with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Frame Care:** The alloy steel frame can be cleaned with a damp cloth. Dry immediately to prevent rust.
- **Regular Checks:** Periodically inspect all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability.

- **Avoid Overloading:** Do not place items heavier than the recommended 200 lbs (90.7 kg) on the desk.
- **Protect from Heat:** Use coasters or protective pads under hot items to prevent damage to the desk surface.

## TROUBLESHOOTING

| Problem                                    | Possible Cause                                        | Solution                                                                                                                                        |
|--------------------------------------------|-------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Desk wobbles or is unstable.               | Uneven floor; loose screws.                           | Adjust the leveling feet at the bottom of each leg. Ensure all assembly screws are securely tightened.                                          |
| Parts do not fit together during assembly. | Incorrect orientation of parts; manufacturing defect. | Review the assembly instructions carefully to ensure correct part orientation. If parts are still not fitting, contact customer support.        |
| Scratches on desk surface.                 | Sharp objects; abrasive cleaning.                     | Avoid dragging sharp objects across the surface. Use soft cloths for cleaning. Minor scratches may be less visible on the carbon fiber texture. |
