JOYMOR Low Loft Bed Twin Size with LED Lights and 4 Storage Shelves Instruction Manual

Brand: JOYMOR

1. INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your JOYMOR Low Loft Bed Twin Size. Please read all instructions carefully before assembly and retain this manual for future reference. This low loft bed is designed to offer a space-saving solution with integrated storage, LED lighting, and a dedicated play area.

2. IMPORTANT SAFETY WARNINGS

- **Do not jump on the bed.** Jumping on the bed can cause structural damage and serious injury.
- Always ensure all bolts and connectors are securely tightened before use. Periodically check and retighten as necessary.
- The bed is designed for a maximum weight capacity of 350 pounds. Do not exceed this limit.
- Ensure the mattress used is within 4-6 inches in thickness to maintain the effectiveness of the 15-inch safety guardrail.
- Children should be supervised when using the bed, especially the ladder and under-bed play area.
- Keep small parts away from children during assembly to prevent choking hazards.
- Do not use replacement parts other than those authorized by the manufacturer.

3. PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly. This product typically ships in two separate boxes.

- Bed Frame Components (Pine Wood)
- Bookcase/Storage Shelves
- Guardrails
- Headboard
- Slats
- 2-Step Ladder
- LED Light Strip with Remote/APP Control
- Two Detachable Curtains (Universe Designs)
- Assembly Hardware (screws, bolts, etc.)
- Assembly Instructions Document

4. SETUP AND ASSEMBLY

Assembly is required for this product. Please refer to the separate, detailed assembly instructions included in your package for step-by-step guidance. Ensure you have adequate space and the necessary tools before starting.

4.1 Key Assembly Points

- Identify all parts and hardware before assembly. Some pieces may have numerical stamps; verify these against the instruction diagrams.
- Assemble the main bed frame first, ensuring all connections are secure.
- Attach the 15-inch high guardrails to the upper bed frame for safety.
- Install the 4 open storage shelves as indicated in the instructions.
- Attach the 2-step ladder. The ladder is designed to be widened and deepened for easier and safer climbing. It can also be removed if not needed.
- Integrate the LED light strip into the designated areas, typically around the under-bed play space and shelves.
- Hang the detachable curtains to create the under-bed play area.

4.2 Product Dimensions

The overall dimensions of the assembled bed are 79"L x 51.2"W x 41"H.

5. OPERATING INSTRUCTIONS

5.1 LED Lights Operation

The integrated LED light strip can be controlled via a remote control or a dedicated mobile application. This allows for customization of lighting modes, brightness, and color to create various ambiances.

- **Remote Control:** Use the provided remote to power on/off, change colors (20 options), select dynamic modes (22 options), and adjust speed and brightness.
- **Mobile App:** Download the compatible app (refer to LED light instructions for details) to access advanced control features, including scheduling and custom light scenes.

5.2 Storage Shelves and Under-Bed Area

The bed features four open storage shelves and an ample under-bed space designed for various uses.

- **Open Shelves:** Utilize these shelves for organizing books, toys, decorative items, or daily essentials.
- **Under-Bed Play Area:** The space beneath the loft bed, enhanced by LED lighting and removable curtains, serves as a private hideaway or play zone. The curtains feature universe designs and can be detached as desired.

6. MAINTENANCE

- **Cleaning:** Wipe the bed frame with a dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections to ensure they remain tight. Retighten as needed to maintain stability and safety.
- **Curtain Care:** The detachable curtains can be removed for cleaning. Follow the care instructions on the curtain fabric label.
- **LED Lights:** If LED lights malfunction, check connections. If issues persist, contact customer support.

7. TROUBLESHOOTING

- **Difficulty during Assembly:** Carefully re-read the assembly instructions and verify that all parts are correctly identified and oriented. If instructions are unclear, contact customer support for clarification.
- **Missing or Damaged Parts:** If any components are missing or arrive damaged, do not proceed with assembly. Contact JOYMOR customer support immediately for replacement parts.
- **Unstable Bed Frame:** Ensure all bolts and screws are fully tightened. If the bed still feels unstable, disassemble and reassemble, paying close attention to each connection point. Verify that the bed is placed on a flat, level surface.
- **Slats Bowing:** Ensure the mattress thickness is appropriate (4-6 inches) and the bed's weight limit (350 lbs) is not exceeded. If slats continue to bow under normal use, contact customer support.
- **LED Lights Not Working:** Check that the power adapter is securely plugged into both the light strip and a working power outlet. Ensure the remote control has fresh batteries or the mobile app is correctly paired.
- **Product Shipped in Multiple Boxes:** This product is typically delivered in two separate packages. If you have only received one, please wait for the second package to arrive before attempting assembly. Contact the seller if the second package is significantly delayed.
