REDCAMP 56-inch Extra Wide 2-Person Camping Cot

MODEL: B0DK38X7BL

Introduction

This instruction manual provides detailed guidance for the assembly, operation, maintenance, and care of your REDCAMP 56-inch Extra Wide 2-Person Camping Cot. Please read all instructions carefully before use to ensure safe and optimal performance of your product.

Safety Information

To prevent injury or damage to the product, always adhere to the following safety guidelines:

- Always unfold and set up the cot on a stable, flat surface.
- Be cautious of sharp edges when unfolding and folding the cot.
- Do not exceed the weight limit of 1000 lbs (454 kg) for the combined 2-person cot, or 500 lbs (227 kg) for a single cot.
- Keep the cot away from direct heat sources and open flames.
- Keep children and pets away from the cot when it is being set up or taken down to avoid pinching or injury.
- Ensure all locking mechanisms are fully engaged before use.

Product Features

- **Wider & More Spacious:** Measures 75"x56"x19" when combined, suitable for two people.
- **2-in-1 Design:** Can be zipped together to form a double cot or used as two separate single beds.
- **Heavy-Duty Construction:** Features 25mm steel tubes and an X-shaped structure for stability. Equipped with anti-slip pads.
- **Foldable & Portable:** No tools required for installation; sets up in approximately 10 seconds. Weighs 28.6 lbs (13 kg) and includes a storage bag.
- **Ergonomic Design:** Includes a 30-degree incline at the head for neck support and comfort.
- **Convenient Storage:** Large side pocket for personal belongings like smartphones, keys, or books.

Setup Instructions

Follow these steps to set up your REDCAMP camping cot:

1. **Step 1: Unpack the Cot.** Remove the cot from its storage bag.
2. **Step 2: Open the Latches.** Locate and open the latches on each of the two folding cot units.
3. **Step 3: Expand the Cot.** Gently pull the cot frames apart until they fully extend and the legs lock into place. Ensure all legs are securely unfolded and stable.
4. **Step 4: Combine Cots (Optional).** If using as a double cot, align the two single cot units side-by-side. Locate the zippers along the edges and zip them together securely.
5. **Step 5: Adjust Headrest.** The cot features a 30-degree incline at the head for added comfort. No adjustment is needed as this is a fixed ergonomic design.
6. **Step 6: Utilize Side Pockets.** The integrated side storage pockets are ready for use to hold small items.

Maintenance

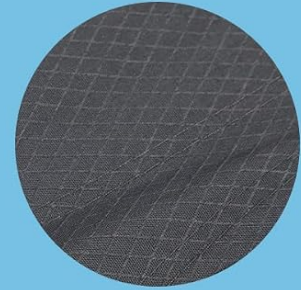

Proper maintenance will extend the life of your camping cot:

- **Cleaning:** The fabric surface can be wiped clean with a damp cloth. For deeper cleaning, the padded cover can be removed and washed according to its care label.
- **Storage:** To store, unzip the two cots if combined, then fold each cot unit. Secure with the integrated straps and place into the provided carry bag. Store in a cool, dry place away from direct sunlight.
- **Inspection:** Regularly inspect the cot for any signs of wear, tear, or damage to the fabric, frame, or locking mechanisms. Do not use if damaged.

Troubleshooting

If you encounter any issues with your cot, consider the following:

- **Cot not stable:** Ensure all legs are fully extended and locked into position. Check that the cot is placed on a flat, even surface.
- **Difficulty folding/unfolding:** Apply gentle, even pressure. Do not force the mechanism. Ensure no fabric is caught in the joints.
- **Zippers not engaging:** Ensure the two cot units are perfectly aligned before attempting to zip them together. Check for any obstructions in the zipper teeth.
