COLAMY 91287

COLAMY Executive Office Ergonomic Chair (Model 91287) - User Manual

Brand: COLAMY

1. Introduction

Thank you for choosing the COLAMY Executive Office Ergonomic Chair, Model 91287. This manual provides essential information for the safe assembly, operation, and maintenance of your new chair. Please read these instructions thoroughly before assembly and retain them for future reference.

2. Safety Information

This chair has a maximum weight capacity of 250 pounds. Improper use of adjustable features may result in injury. Please ensure stability when assembling and using the chair. Do not stand on the chair. Do not use the chair as a step stool. Keep children away from moving parts. Use only as intended for seating one person.

3. Package Contents

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Chair Backrest
- Seat Cushion
- Armrests (2)
- Chair Base
- Casters (5)
- Gas Lift Cylinder
- Gas Lift Cover
- Mechanism Plate
- Hardware Pack (screws, washers, Allen wrench)

4. Assembly Instructions

Assembly is straightforward and typically takes 10-15 minutes. All necessary hardware and tools are included.

1. **Attach Casters to Base:** Insert the five casters into the holes at the end of each leg of the chair base. Push firmly until they

click into place.

2. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the chair base. Cover the gas lift with the telescopic plastic cover.
3. **Attach Mechanism Plate:** Align the mechanism plate to the underside of the seat cushion. Ensure the front of the mechanism faces the front of the seat. Secure with screws using the provided Allen wrench.
4. **Attach Armrests:** Attach the armrests to the sides of the seat cushion using the designated screws. Ensure they are securely fastened.
5. **Attach Backrest:** Align the backrest to the seat cushion and armrests. Secure with screws.
6. **Connect Seat to Gas Lift:** Carefully place the assembled seat and backrest onto the gas lift cylinder, ensuring it is centered and stable.

5. Operating Instructions

Your COLAMY Executive Office Ergonomic Chair offers several adjustment options for personalized comfort.

5.1. Seat Height Adjustment

To adjust the seat height, locate the lever on the right side beneath the seat. Pull the lever upwards while seated to lower the seat, or stand up and pull the lever upwards to raise the seat. Release the lever at your desired height.

5.2. Tilt/Rocking Function and Tension Adjustment

To enable the rocking function, pull the lever on the left side beneath the seat outwards. To lock the chair in an upright position, push the lever inwards. The tilt tension knob, located underneath the seat at the front, allows you to adjust the resistance of the rocking motion. Turn clockwise to increase tension (firmer rock) and counter-clockwise to decrease tension (looser rock).

5.3. Adjustable Lumbar Support

The chair features an adjustable built-in lumbar support. Locate the knob/pump on the side of the backrest. Operate this knob to increase or decrease the back pressure to your preferred level, customizing your lower back support.

5.4. Flip-Up Armrests

The armrests are designed to flip up, allowing the chair to be pushed further under a desk or table. Simply lift the armrests upwards to move them out of the way, providing more space or easier storage.

6. Maintenance

Regular maintenance helps prolong the life and appearance of your chair.

- **Cleaning:** Wipe the bonded leather with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fasteners:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability.
- **Casters:** Keep casters clean from debris (hair, dust) to ensure smooth rolling.

7. Troubleshooting

If you encounter any issues with your chair, refer to the following common solutions:

- **Chair not rising/lowering:** Ensure the gas lift lever is fully engaged and the gas lift cylinder is correctly installed in the base and mechanism.
- **Chair squeaks:** Check and tighten all assembly screws. Lubricate moving parts if necessary.
- **Difficulty tilting/rocking:** Adjust the tilt tension knob located underneath the seat. Ensure the tilt lock lever is disengaged.
- **Lumbar support not adjusting:** Check the connection of the pump/knob to the internal bladder. Ensure there are no kinks or leaks in the air hose.

8. Specifications

Brand	COLAMY
Model Name	91287 office chair
Color	287-black
Product Dimensions	27.36"D x 27.17"W x 46"H
