Heybly HCT112SG

Heybly Cat Tree HCT112SG User Manual

Model: HCT112SG

INTRODUCTION

Thank you for choosing the Heybly Cat Tree HCT112SG. This comprehensive cat tower is designed to provide a multi-level activity center for your cats, featuring a litter box enclosure, multiple platforms, scratching posts, a food station, and comfortable resting areas. This manual provides essential information for assembly, operation, maintenance, and safety to ensure optimal use and longevity of your product.

SAFETY INSTRUCTIONS

- **Adult Assembly Required:** This product must be assembled by an adult. Keep children and pets away during assembly.
- **Inspect Components:** Before assembly, check all parts for damage. Do not use if any parts are broken or missing.
- **Secure Placement:** Place the cat tree on a flat, stable surface to prevent tipping.
- **Anti-Tip Kit:** Utilize the included anti-tip kit to secure the cat tree to a wall, especially for taller structures or active cats.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten as necessary.
- **Indoor Use Only:** This product is designed for indoor use. Exposure to outdoor elements can damage the materials and compromise stability.
- **Weight Limit:** Ensure the cat tree is suitable for the weight and size of your cats. Overloading can lead to instability.

ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. Refer to the component diagram for part identification.

1. **Prepare the Base:** Assemble the litter box enclosure base according to the diagram, ensuring all panels are securely fastened.
2. **Attach Lower Posts and Platforms:** Secure the initial scratching posts and platforms to the top of the assembled base.
3. **Install Central Structure:** Continue building upwards, attaching the central cat cave/condo sections and additional platforms.
4. **Integrate Food Station:** Install the food station platform at the designated level, placing the bowls into their recessed slots.
5. **Add Upper Levels:** Attach the remaining scratching posts, platforms, and the soft hammocks.
6. **Secure Top Perches:** Fasten the plush top perches to the uppermost posts.
7. **Install Anti-Tip Kit:** Secure the anti-tip strap to the top of the cat tree and then to a wall stud using appropriate hardware.
8. **Attach Accessories:** Hang the pompom toys from the designated areas.
9. **Final Check:** Ensure all screws are tightened and the structure is stable before allowing pets to use it.

PRODUCT FEATURES AND USAGE

- **Large Top Platforms:** Two spacious platforms (18.9" x 11.8") provide elevated resting and observation spots for adult cats.

Two Comfortable top platforms

Easily accommodates two cats

Image: Two cats relaxing on the generously sized top platforms, highlighting the comfortable plush surface and ample space.

- **Full Sisal Scratching Posts:** Multiple posts wrapped entirely in sisal rope encourage natural scratching behavior, protecting your furniture.
- **Integrated Food Station:** A central platform features two recessed bowls for food and water, designed to prevent spills and save space.

Food station

The two bowls can hold food and water separately

Image: Two cats utilizing the built-in food station, demonstrating the convenience of integrated feeding bowls within the cat tree structure.

- **Litter Box Enclosure:** The base cabinet provides a private space for a litter box, helping to contain odors and mess. The internal area for a litter box is approximately 18 x 20 inches.

Image: A cat exiting the litter box enclosure, illustrating the discreet and accessible design of the base unit.

- **Comfortable Hammocks:** Two soft hammocks (13.78" diameter) offer cozy spots for napping and lounging.

Two cat's favourite hammocks

Image: Two cats comfortably nestled in the soft hammocks, highlighting their plush interior and secure attachment.

- **Multi-Level Design:** Various platforms and levels encourage climbing, jumping, and exploration, suitable for multiple cats.

MAINTENANCE

- **Cleaning Surfaces:** Wipe particle board surfaces with a damp cloth to remove dirt and dust.
- **Plush Areas:** Use a lint roller or a soft brush to clean plush fabric areas, including top perches and hammocks. The top perch cushion is removable for easier cleaning.
- **Sisal Posts:** Remove loose fibers from sisal scratching posts with a vacuum cleaner or stiff brush.
- **Food Bowls:** The food bowls are removable and should be washed regularly with soap and water.
- **Litter Box Enclosure:** Clean the interior of the litter box enclosure regularly to maintain hygiene.
- **Keep Dry:** Ensure the cat tree remains in a dry environment. Avoid exposure to moisture.

TROUBLESHOOTING

- **Instability:** If the cat tree feels wobbly, check all connections and tighten any loose screws. Ensure it is placed on a level surface and the anti-tip kit is properly installed and secured to a wall.
- **Cats Not Using Scratching Posts:** Encourage use by sprinkling catnip on the sisal posts or gently guiding your cat's paws to the posts.
- **Litter Box Enclosure Size:** The internal dimensions for a litter box are approximately 18 x 20 inches. Verify your litter box fits these dimensions before purchase.
- **Missing Parts:** If any parts are missing upon arrival, refer to the package contents list and contact Heybly customer support for assistance.
