Yaheetech YA-00141780

Yaheetech Convertible Sofa Bed User Manual

Model: YA-00141780 | Brand: Yaheetech

1. INTRODUCTION

Thank you for choosing the Yaheetech Convertible Sofa Bed. This manual provides essential information for the safe and efficient use of your new furniture. Please read it thoroughly before assembly and use, and keep it for future reference.

1.1 Safety Information

WARNING: This product is designed for indoor use only. Do not expose to excessive heat or open flames. Use as intended to avoid safety risks. This product contains materials that may present fire hazards if not handled correctly. Please supervise children and pets to avoid entrapment risks.

- Ensure all components are securely fastened before use.
- Do not exceed the maximum weight capacity of 302 kg (665 lbs).
- Keep small parts away from children during assembly.
- Avoid standing or jumping on the sofa bed.

2. COMPONENTS LIST

Before beginning assembly, please ensure all parts are present and undamaged. Refer to the following list and diagram for verification.

1. Sofa Seat Sections (2)
2. Backrest Sections (2)
3. Armrests (2)
4. Sofa Legs (6)
5. Hardware Pack (bolts, washers, Allen key)

3. SETUP AND ASSEMBLY

Assembly is required for this sofa bed. It is recommended to have two people for easier and safer assembly. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.

2. **Attach Legs:** Locate the six sofa legs. Attach each leg to the designated mounting points on the bottom of the sofa seat sections using the provided bolts and Allen key. Ensure they are tightened securely.

3. **Connect Seat Sections:** Join the two sofa seat sections together. There should be pre-drilled holes and connectors to align them. Secure with the appropriate hardware.

4. **Attach Backrests:** Position the backrest sections onto the seat sections. Align the hinges or attachment points and secure them firmly.

5. **Install Armrests:** Attach the armrests to the sides of the assembled sofa frame. Ensure they are flush and stable.

6. **Final Check:** Once assembled, gently lift and move the sofa to its desired location. Verify that all bolts are tight and the sofa is stable before use.

Note: The sofa may arrive in two separate packages, which might be delivered at different times.

4. OPERATING INSTRUCTIONS

The Yaheetech Convertible Sofa Bed offers versatile functionality, allowing it to be used as a sofa or easily converted into a bed.

4.1 Adjusting the Backrest

The backrest can be adjusted to three different angles for optimal comfort:

- **Upright (105°):** Ideal for sitting and reading.
- **Reclined (140°):** Suitable for lounging and relaxation.
- **Flat (180°):** For converting into a bed.

To adjust, gently push the backrest forward until you hear a click, then slowly recline it to your desired position. To flatten, push it all the way forward until it clicks past the upright position, then lay it flat.

4.2 Converting to a Bed

To transform your sofa into a comfortable sleeping surface:

1. Ensure there is sufficient clear space behind the sofa for the backrest to lay flat.
2. Follow the backrest adjustment instructions to lay both backrest sections completely flat (180°).
3. The sofa is now in its bed configuration.

5. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your sofa bed.

- **Regular Cleaning:** Vacuum the velvet fabric regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub. For stubborn stains, use a mild fabric cleaner specifically designed for velvet, testing on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the fabric to fade. Position your sofa away from direct sun exposure or use curtains/blinds.
- **Protect from Pets:** Pet claws can damage velvet fabric. Consider using throws or covers if pets will be on the sofa.
- **Under-Sofa Cleaning:** The sofa's 20 cm (7.9 inch) ground clearance allows for easy cleaning underneath with a robot vacuum or broom.

6. TROUBLESHOOTING

If you encounter any issues with your Yaheetech Convertible Sofa Bed, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Sofa feels unstable/wobbly	Legs not tightened; sections not fully connected.	Check and tighten all leg bolts. Ensure seat sections are securely joined.
Backrest does not adjust smoothly	Mechanism obstruction; improper technique.	Ensure no fabric or debris is caught in the mechanism. Follow adjustment steps precisely (push forward to release, then recline).
Missing parts during assembly	Packaging error; parts in separate box.	Check all packaging thoroughly. Contact Yaheetech customer support with your model number and a list of missing parts.
Sofa feels too firm/soft	Personal preference; new product settling.	Comfort is subjective. The foam will soften slightly with use. Add cushions for extra softness if desired.

7. SPECIFICATIONS

Detailed technical specifications for the Yaheetech Convertible Sofa Bed:

Feature	Specification
Model Number	YA-00141780
