uhomopro 4-Piece Kitchen Bar Table Set (Model uhome-bt4) Instruction Manual

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your uhomopro 4-Piece Kitchen Bar Table Set. This set includes one bar table and three matching stools, designed for compact spaces such as kitchens, dining areas, and studio apartments. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

2. IMPORTANT SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Exercise caution around all edges during assembly and use.
- Always follow the assembly instructions precisely to ensure the stability and structural integrity of the table and stools.
- Do not exceed the maximum weight capacity:**Table: 174 lbs (79 kg), Each Stool: 440 lbs (200 kg)**. Overloading can cause collapse and injury.
- Ensure all screws and fasteners are tightened securely before use and periodically check for looseness.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not stand on the table or stools.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Bar Table
- 3 x Bar Stools
- Assembly Hardware (screws, bolts, Allen wrench, etc.)
- Instruction Manual

PRODUCT SIZE

1 x Bar Table

3 x Bar Stools

weight capacity of table 174lbs

weight capacity of stool 440lbs

4. ASSEMBLY INSTRUCTIONS

Assembly of the uhomepro Bar Table Set is designed to be straightforward. All necessary hardware and detailed instructions are included in the package. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

4.1 Tools Required

- Included Allen Wrench

- Phillips Head Screwdriver (not included, may be required for some fasteners)

4.2 General Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a protected surface. Identify each component using the parts list in the included instruction manual.
2. **Assemble Table Frame:** Attach the table legs to the long support beams using the provided hardware. Ensure all connections are finger-tightened initially.
3. **Attach Tabletop:** Secure the tabletop to the assembled frame using the designated screws.
4. **Assemble Stool Frames:** For each stool, attach the legs to the seat frame and connect them with the footrest bars.
5. **Attach Stool Seats:** Secure the cushioned seats to the stool frames.
6. **Final Tightening:** Once all components are assembled, systematically tighten all screws and bolts using the Allen wrench and screwdriver. Do not overtighten.
7. **Leveling:** The table and stools feature non-slip adjustable feet. Adjust these as needed to ensure stability on uneven surfaces.

**Enhance Your Dining Space
with Elegance and Style**

5.2 Space-Saving Design

The three stools are designed to fit neatly underneath the table when not in use, optimizing space in smaller rooms.

Fully Relax Your Body

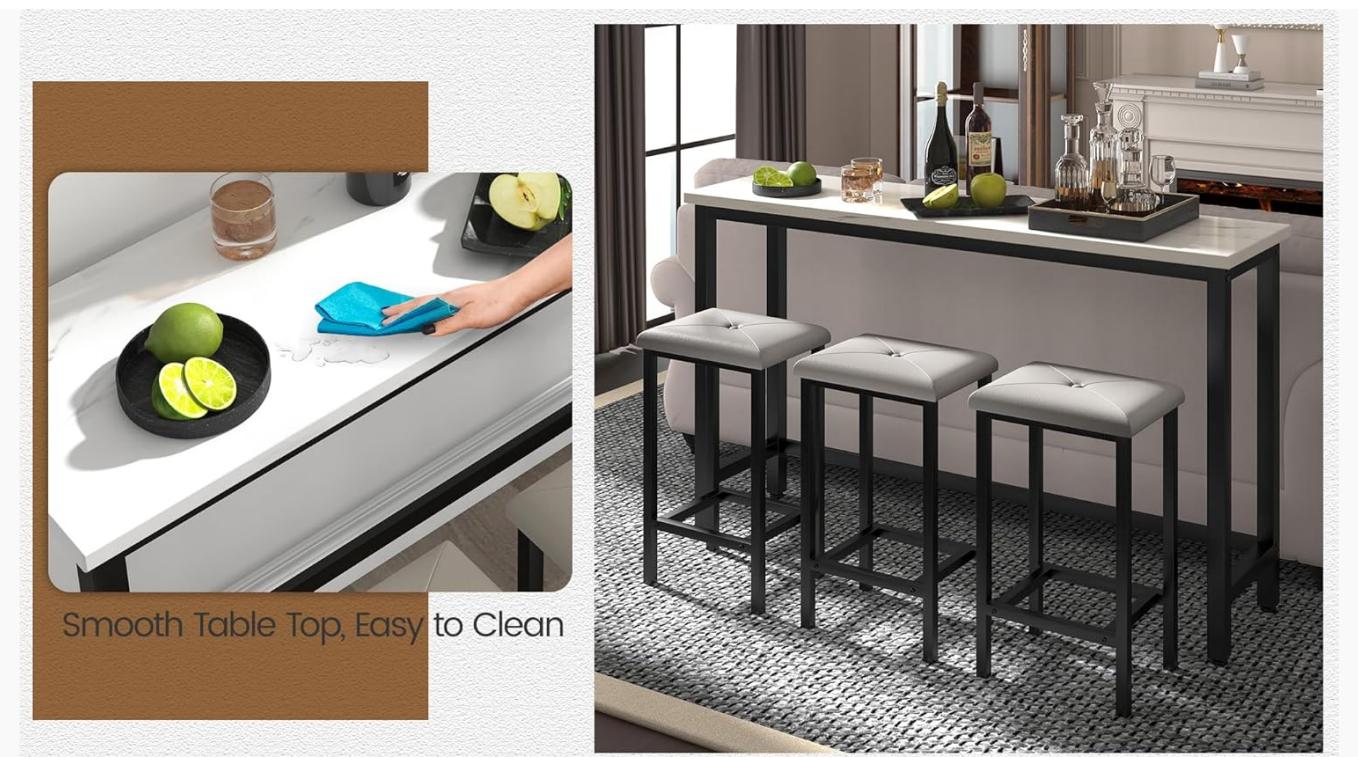

Image 5.2: Stools can be stored under the table for efficient space utilization.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your bar table set.

6.1 Cleaning Instructions

- **Tabletop:** The smooth tabletop is easy to clean. Wipe with a damp cloth and mild detergent if necessary. Dry immediately with a clean cloth. Avoid abrasive cleaners.
- **Stool Seats:** The PU leather seats can be wiped clean with a damp cloth. Avoid harsh chemicals that may damage the material.
- **Metal Frame:** Wipe the metal frame with a damp cloth.

Ergonomic Design Stool

Image 6.1: The smooth tabletop is designed for easy cleaning, and the metal frame is durable.

6.2 General Care

- Periodically check all fasteners and tighten them as needed to maintain stability.
- Avoid placing hot items directly on the tabletop without protection.
- Do not expose the set to excessive moisture or direct sunlight for prolonged periods.

7. TROUBLESHOOTING

If you encounter any issues with your uhomepro Bar Table Set, refer to the following common solutions:

Problem	Possible Cause	Solution
Table/Stool wobbles	Loose fasteners; Uneven floor	Tighten all screws and bolts. Adjust the non-slip feet on the bottom of the legs until stable.

Problem	Possible Cause	Solution
Difficulty assembling parts	Incorrect orientation; Missing hardware	Refer to the detailed assembly instructions and diagrams. Ensure parts are oriented correctly. Verify all hardware is present.
Scratches on surface	Rough handling; Abrasive cleaning	Use soft cloths for cleaning. Avoid dragging objects across surfaces.

If the issue persists after attempting these solutions, please contact customer support.
