PLUS PLUS 5118

PLUS PLUS Airplane Mini Maker Tube Instruction Manual

Model: 5118 | Brand: PLUS PLUS

INTRODUCTION

The PLUS PLUS Airplane Mini Maker Tube provides 70 interlocking pieces designed for creating a 3D airplane model. This kit encourages creativity, develops fine motor skills, and introduces basic principles of 3D design through hands-on construction. The unique single-shape design allows for both 2D and 3D creations, offering versatile building possibilities.

PACKAGE CONTENTS

Your PLUS PLUS Airplane Mini Maker Tube includes the following items:

- 70 PLUS PLUS interlocking pieces
- Step-by-step building instructions for the airplane model
- Reusable, travel-friendly tube packaging

ASSEMBLY INSTRUCTIONS: BUILDING YOUR AIRPLANE

Follow these steps to construct your 3D airplane model. The included instructions provide a visual guide for each stage of assembly.

1. **Preparation:** Empty the contents of the tube onto a clean, flat surface. Familiarize yourself with the PLUS PLUS pieces. Each piece has a unique double-plus shape designed to interlock.
2. **Connecting Pieces:** To connect two pieces, align their 'plus' shapes and gently push them together. They should fit

snugly. Experiment with different orientations to understand how they connect in 2D and 3D space.

3. **Follow the Guide:** Refer to the step-by-step instructions provided in your tube. Each step will illustrate which pieces to use and how to connect them to form specific sections of the airplane.
4. **Building the Base:** Begin by constructing the main body or fuselage of the airplane as indicated in the instructions. This often forms the central structure.
5. **Adding Wings and Tail:** Proceed to attach the wings and tail sections. Pay attention to the orientation and color placement as shown in the guide for an accurate model.
6. **Finishing Touches:** Complete the model by adding smaller details such as the propeller, landing gear, or cockpit elements.

If you prefer visual guidance, the following video demonstrates the building process for similar Mini Maker Tubes:

CARE AND MAINTENANCE

To ensure the longevity of your PLUS PLUS pieces, follow these simple care instructions:

- **Cleaning:** Wipe pieces with a damp cloth and mild soap if necessary. Rinse thoroughly and air dry. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store pieces in their original tube or a designated container to prevent loss and keep them clean. Keep away from direct sunlight and extreme temperatures.
- **Handling:** While durable, avoid excessive force when connecting or disconnecting pieces to prevent damage.

SAFETY INFORMATION

This product is suitable for ages 5 to 12 years. It contains small parts which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended during play. All PLUS PLUS pieces are made from BPA-free and phthalate-free plastic, ensuring a safe play experience.

PRODUCT SPECIFICATIONS

Specification	Detail
Model Number	5118
Product Dimensions	15 x 1.5 x 1.5 inches
Item Weight	1.76 ounces
