INTRODUCTION

Thank you for choosing the ALAULM M-8 Piece Patio Furniture Set with Fire Pit Table. This set is designed to enhance your outdoor living space with comfort and functionality. This manual provides essential information for safe assembly, operation, and maintenance of your new patio furniture. Please read all instructions carefully before assembly and use, and retain this manual for future reference.

IMPORTANT SAFETY INFORMATION

WARNING: This product contains small parts that may pose a choking hazard. Keep away from children. Always handle the AAA battery for the ignition system with care to prevent injury.

- Ensure all components are securely fastened before use.
- Do not use the fire pit indoors or in enclosed spaces.
- Keep flammable materials away from the fire pit.
- Always supervise children and pets around the fire pit.
- Turn off the gas supply when the fire pit is not in use.
- Allow the fire pit to cool completely before covering or storing.

PACKAGE CONTENTS

Your ALAULM M-8 Piece Patio Furniture Set is typically delivered in multiple boxes (e.g., 5 boxes as mentioned in product features). Please verify that all components listed below are present before beginning assembly.

- 6-piece sofa sections
- 1 x 55,000 BTU Fire Pit Table
- 1 x Coffee Table
- Seat cushions and backrest cushions
- Assembly hardware and tools (usually included)
- Instruction manual

ASSEMBLY INSTRUCTIONS

Assembly is required for this patio furniture set. It is recommended to have at least two people for assembly. Follow the clear paper instructions provided in the packaging. The process typically involves connecting the individual sofa sections and attaching the legs to the tables.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Sofa Sections:** Connect the individual sofa sections using the provided hardware. Ensure all bolts are tightened securely. The modular design allows for various configurations.
3. **Attach Legs to Tables:** Secure the legs to the fire pit table and coffee table using the provided screws and tools.
4. **Place Cushions:** Position the 4-inch thick seat cushions and 29.4-inch high backrest cushions onto the assembled sofa sections.

OPERATING INSTRUCTIONS (FIRE PIT)

The 55,000 BTU fire pit table provides warmth and ambiance. Ensure you understand its operation before use.

1. **Connect Propane Tank:** Open the access door on the fire pit table and connect a standard propane tank (not included) to the gas line. Ensure a tight seal.
2. **Ignition:** Turn the flame adjustment knob to the 'ON' position and press the ignition button. Hold for a few seconds until the flame ignites.
3. **Adjust Flame:** Use the flame adjustment knob to control the height and intensity of the flame.
4. **Shut Down:** To turn off, rotate the flame adjustment knob to the 'OFF' position. Close the valve on the propane tank.

MAINTENANCE

Proper maintenance will extend the life and appearance of your patio furniture set.

- **Cleaning Rattan:** The hand-woven, waterproof PE rattan is designed for all-weather durability. Clean with a soft cloth, mild soap, and water. Rinse thoroughly and allow to air dry.
- **Cushion Care:** Cushion covers are replaceable, removable, and machine-washable. Follow care instructions on the label. Air dry to maintain shape and prevent shrinkage.
- **Frame Care:** The rust-resistant, powder-coated steel frame should be wiped clean periodically. Inspect for any signs of rust or damage and address promptly.
- **Fire Pit Care:** Keep the fire pit clean and free of debris. Use the provided dust cover when not in use to protect it from the elements.
- **Winter Storage:** During harsh weather conditions or off-season, store cushions indoors. Cover the furniture set with a weather-resistant cover or store in a sheltered area to prolong its lifespan.

TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

- **Fire Pit Not Igniting:** Check if the propane tank is connected correctly and has fuel. Ensure the ignition button is pressed firmly while turning the knob. Verify the AAA battery in the ignition system is functional.
- **Loose Connections:** Periodically check and tighten all bolts and screws on the furniture sections to ensure stability.
- **Cushions Flattening:** While cushions are thick, prolonged compression can occur. Fluff cushions regularly. If covers are removed for washing, ensure cushions are fully dry before reinserting.
- **Missing Parts/Damaged Items:** If any parts are missing or damaged upon arrival, contact customer service immediately for assistance.
