WLIVE ASNG120WH

WLIVE Farmhouse Dresser User Manual

Model: ASNG120WH

1. INTRODUCTION

Thank you for choosing the WLIVE Farmhouse Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read it thoroughly before beginning assembly and retain it for future reference.

Image: The WLIVE Farmhouse Dresser, a white wooden dresser with six drawers and antique-style metal handles, positioned in a bedroom with a mirror and lamp.

Product Features:

- **Farmhouse Design:** Features a rustic charm with natural wood texture, vintage embossed design, and classic Roman pillar treatment.
- **Spacious Storage:** Equipped with 6 large drawers for organizing clothes, toys, blankets, and other household items.
- **Versatile Use:** Can function as a TV cabinet, supporting TVs up to 60 inches.
- **Smooth Functionality:** Each drawer is fitted with smooth metal slides for easy opening and closing.
- **Enhanced Stability:** Designed with sloping edges and widened legs for improved stability.

2. SAFETY INFORMATION

WARNING: Furniture tip-over can cause serious or fatal crushing injuries. To prevent tip-over, this furniture must be permanently attached to the wall.

Always use the anti-tipping device provided with the dresser. Follow the installation instructions carefully to secure the dresser to a wall. Do not allow children to climb on or hang from drawers or the dresser itself. Place heavier items in the lowest drawers to improve stability.

3. PACKAGE CONTENTS

Before beginning assembly, ensure all parts and hardware are present and accounted for. Refer to the detailed parts list and hardware diagram included in your separate assembly instructions booklet. All screws and parts are clearly labeled for easy identification.

4. SETUP AND ASSEMBLY

Assembly of the WLIVE Farmhouse Dresser is designed to be straightforward. Please follow the step-by-step illustrations provided in the separate assembly guide. Ensure all connections are secure and screws are fully tightened but do not overtighten.

Image: Detailed view highlighting the Roman column handle, the smooth glide-sliding mechanism of the drawers, and the unique, stable design of the dresser's wooden legs.

Assembly Tips:

- Lay out all components on a soft, clean surface to prevent scratches.
- Identify each part using the labels provided in the assembly guide.
- Ensure screws are flush with the surface to prevent interference with drawer operation.
- It is recommended to have two people for assembly.

Assembly Video:

Your browser does not support the video tag.

5. OPERATING YOUR DRESSER

Drawer Usage:

The six spacious drawers are designed for easy access and organization. Each drawer is equipped with smooth metal slides, allowing them to open very far for convenient storage and retrieval of items. Utilize the drawers to store clothing, linens, toys, books, or other household necessities.

TV Stand Functionality:

The sturdy top surface of the dresser can serve as a TV stand, accommodating televisions up to 60 inches in size. Ensure the TV is centered and stable on the dresser top. Do not exceed the weight capacity of the dresser top.

SUITABLE FOR TV SIZE UP TO 60"

6. CARE AND MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Humidity:** Maintain a stable humidity level in the room to prevent wood from warping or cracking.
- **Hardware:** Periodically check and tighten all hardware to ensure the dresser remains stable and secure.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers do not slide smoothly or get stuck.	Screws on drawer slides are not fully tightened or are protruding.	Ensure all screws securing the drawer slides are tightened and flush with the surface. Check for any obstructions in the slide mechanism.
Dresser feels wobbly or unstable.	Hardware not fully tightened; uneven floor; anti-tip device not installed.	Check and tighten all assembly hardware. Ensure the dresser is on a level surface. Install the anti-tip device as per instructions.
Missing parts or damaged components.	Packaging error or transit damage.	Contact WLIVE customer support immediately for assistance. Refer to the 'Warranty & Support' section.

8. PRODUCT SPECIFICATIONS

Attribute	Detail
Brand	WLIVE
