2. ASSEMBLY

The assembly of your WLIVE Wood Dresser is designed to be straightforward. All necessary screws and parts are clearly labeled, and precise holes ensure accurate and faster installation. A cordless drill is recommended for quicker assembly, though hand tools can also be used.

2.1. Anti-Tipping Device Installation

For enhanced safety, especially in households with children, it is highly recommended to install the included anti-tipping device. This device securely attaches the dresser to the wall, preventing accidental wobbling or tipping. Follow the step-by-step illustrations provided in the separate assembly guide for proper installation.

5. MAINTENANCE

To maintain the appearance and longevity of your dresser, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Promptly wipe up any spills to prevent staining.
- **Protection:** The engineered wood is scratch-resistant, but using coasters or placemats for items placed on the tabletop is recommended to prevent potential damage.

6. TROUBLESHOOTING

If you encounter any issues during assembly or use, please refer to the detailed assembly guide for specific instructions. For common problems such as drawers not sliding smoothly, ensure all screws are tightened correctly and the slides are aligned. If problems persist or for any other concerns, please contact customer support.
