VINGLI CBvanityset

VINGLI Vanity Desk with Mirror and Lights

Model: CBvanityset

INTRODUCTION

Thank you for choosing the VINGLI Vanity Desk with Mirror and Lights. This manual provides detailed instructions for the assembly, operation, and maintenance of your new vanity desk. Please read this manual thoroughly before assembly and use to ensure safe and correct operation.

SAFETY INFORMATION

WARNING: Always unplug the vanity when not in use. Be cautious of sharp edges and pinch points when assembling, using, or maintaining the vanity. Keep the vanity away from heat sources and liquids to prevent damage or injury.

PRODUCT OVERVIEW

The VINGLI Vanity Desk is designed to provide a spacious and organized area for makeup application and storage. It features multiple storage compartments, integrated lighting, and a charging station for convenience.

- **Spacious Usage and Storage Area:** Extended tabletop, 3 storage cabinets, one large drawer, three small drawers, and five open storage compartments.
- **Equipped with Charging Station:** Includes 2 standard outlets and 2 USB ports for powering appliances and charging devices.
- **High-Definition Mirror with Adjustable Three-Color Lighting:** LED bulbs with 3 color lighting modes and adjustable brightness.
- **Durable and Easy to Clean:** Constructed from reliable particleboard with a smooth, wear-resistant, and waterproof surface.

SETUP AND ASSEMBLY

Assembly of the VINGLI Vanity Desk requires careful attention to detail. Please follow the steps outlined in the video below and refer to the included hardware and panel labels. It is recommended to have a second person assist with certain steps, especially when handling larger components.

1. Unpack all components and verify against the parts list.
2. Assemble the main desk frame, ensuring all screws and fasteners are securely tightened.
3. Attach the drawer slides to the designated panels.
4. Construct the drawers and install the handles.

5. Mount the mirror unit to the main desk structure.
6. Install the LED bulbs into the mirror frame, ensuring wires are passed through pre-drilled holes and secured with nuts.
7. Connect the wiring for the LED lights and charging station, matching wire colors.
8. Install the charging station into its designated slot.
9. Assemble and attach the cabinet doors, adjusting hinges as needed for proper alignment.
10. Install the anti-rollover device using the provided short screws.

OPERATING INSTRUCTIONS

LED Mirror Lights

The mirror features LED bulbs with three color lighting modes (Cold White, Warm White, Warm Yellow) and adjustable brightness. Use the touch sensor on the mirror to cycle through modes and adjust intensity.

Figure 4: Illustration of the LED mirror lights, demonstrating the three available color temperatures and the brightness adjustment feature.

Charging Station

The integrated charging station includes 2 standard 125V/12A AC outlets and 2 USB 5V/2.1A ports. Plug in your hair dryers, styling tools, phones, or other mobile devices for convenient power access during use.

Built-in Charging Station

Safety and Convenience for Charging

4.92 Foot
(Power Cord)

125V/12A
(2 AC Outlets)

5V/2.1A
(2 USB Ports)

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust all surfaces, including the mirror and shelves, to maintain a clean appearance.
- **Mirror Care:** Use a glass cleaner specifically designed for mirrors to avoid streaks.
- **Electrical Components:** Ensure all electrical connections are secure. If any component is damaged, discontinue use and contact customer support.

TROUBLESHOOTING

- **LED Mirror Lights Not Working:** Check if the power adapter is securely plugged into both the vanity and a working wall outlet. Ensure the touch sensor is clean and responsive.

- **Charging Station Not Providing Power:** Verify the vanity is plugged in. Check if the power strip's switch is in the 'ON' position. Test with a different device or outlet.
- **Drawers Sticking or Not Closing Smoothly:** Ensure the drawer slides are correctly installed and lubricated if necessary. Check for any obstructions within the drawer or along the slides.
- **Cabinet Doors Misaligned:** Adjust the hinges as shown in the assembly video (around 4:27 mark) to correct any gaps or misalignment.
- **RGB Cabinet Lights Not Responding:** Check the remote control battery. Ensure the RGB light strip is properly connected to its power source.

WARRANTY AND SUPPORT

This VINGLI product is designed for durability and quality. For specific warranty details, please refer to the documentation included with your purchase or contact VINGLI customer support directly. We offer customer support and a 30-day easy return policy for eligible purchases.

For assistance, please visit the [VINGLI Store on Amazon](#) or contact their customer service.
