Zinus Caleb Modern Foldable Steel Bed Frame Instruction Manual

Brand: Zinus | Model: ZO-FBMPB2ZC-14F

1. INTRODUCTION

Thank you for choosing the Zinus Caleb Modern Foldable Steel Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

The Caleb foldable bed frame is constructed with a steel metal structure, providing optimal strength and a modern design. The wooden slats offer robust support for any type of mattress. Additionally, it features 9 legs for enhanced support and includes free space underneath the base for storage. Assembly is designed to be straightforward, and the product comes with a 5-year limited warranty.

Safety Warnings

- **Caution:** Beware of sharp edges during assembly and handling.
- **Weight Limit:** Do not load more than 320 kg (705 lbs) on the bed frame. Exceeding this limit may cause damage and injury.
- Ensure all bolts and screws are securely tightened before use.
- Keep children away from the assembly area.

2. PACKAGE CONTENTS

Your Zinus Caleb bed frame package includes all necessary components and tools for assembly. Please verify that all items listed below are present before starting:

- Foldable Steel Bed Frame Sections
- Wooden Slats
- Support Legs (9 total)

- Assembly Hardware (bolts, washers, nuts)
- Assembly Tool (e.g., Allen wrench)
- Installation Manual

Montaje sencillo en 3 pasos

The Zinus Caleb bed frame comes in a compact box, containing all necessary parts and tools for assembly.

3. SETUP AND ASSEMBLY INSTRUCTIONS

The Zinus Caleb bed frame features an innovative foldable steel frame, designed for easy assembly and disassembly in just 3 steps, typically completed in less than 30 minutes. Follow these steps carefully:

1. **Unfold the Frame:** Carefully remove all components from the packaging. Unfold the main sections of the steel bed frame on a clean, flat surface.
2. **Connect Sections and Attach Legs:** Align the pre-drilled holes and connect the frame sections using the provided hardware (bolts, washers, nuts). Hand-tighten all connections initially. Attach the 9 support legs to the designated points on the frame.
3. **Secure Slats and Final Tightening:** Place the wooden slats across the frame. Ensure they are evenly spaced and secured if applicable. Once all components are in place, use the included tool to fully tighten all bolts and connections. Double-check all connections for stability.

The bed frame features a foldable design, making setup and storage convenient. Tools are included for securing connections.

4. OPERATING INSTRUCTIONS

Once assembled, the Zinus Caleb bed frame is ready for use. Simply place your mattress directly onto the wooden slats. The frame is designed to support any type of mattress without the need for a box spring.

Key Features:

- **Durable Steel Construction:** Built with high-quality steel for long-lasting stability and support.
- **Robust Slat System:** Wooden slats provide reliable support for your mattress, preventing sagging and extending mattress life.
- **Under-Bed Storage:** The frame offers ample clearance underneath, providing valuable space for storing boxes, luggage, or other items.
- **High Weight Capacity:** Designed to support a maximum weight of 320 kg (705 lbs).

The Zinus Caleb bed frame provides ample space underneath for storage, helping to keep your bedroom organized.

The Zinus Caleb bed frame is available in various sizes, each designed to accommodate standard mattresses and provide consistent support.

5. MAINTENANCE

To ensure the longevity and optimal performance of your Zinus Caleb bed frame, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the steel frame with a damp cloth and mild detergent as needed. Avoid abrasive cleaners that may damage the finish.
- **Regular Inspection:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Weight Distribution:** Distribute weight evenly across the bed frame to prevent undue stress on specific areas.
- **Avoid Impact:** Do not jump on the bed or subject the frame to sudden, heavy impacts.

6. TROUBLESHOOTING

If you encounter any issues with your Zinus Caleb bed frame, consider the following common troubleshooting steps:

- **Squeaking Noises:** Squeaking often indicates loose connections. Re-tighten all bolts and screws on the frame. Ensure the wooden slats are properly seated.
- **Instability/Wobbling:** Check that all legs are firmly attached and making full contact with the floor. Verify that all frame sections are correctly aligned and securely fastened.
- **Missing Parts:** If you believe parts are missing from your package, refer to the 'Package Contents' section and contact Zinus customer support immediately.

7. SPECIFICATIONS

Feature	Detail
Brand	Zinus
Model	ZO-FBMPB2ZC-14F
Size	Double (Matrimonial)
Material	Stainless Steel
