

NOTODD N700

NOTODD 14-inch Laptop N700 User Manual

Model: N700

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before using your NOTODD N700 laptop. Keep this manual for future reference.

- **Power Supply:** Use only the provided 12V/2.5A DC charger. Using an incompatible charger may damage the device and void the warranty.
- **Battery Care:** Do not expose the battery to extreme temperatures or disassemble it. Dispose of batteries according to local regulations.
- **Ventilation:** Ensure proper ventilation by not blocking the cooling fan vents. Overheating can affect performance and lifespan.
- **Liquid Exposure:** Keep the laptop away from liquids. In case of accidental spills, power off immediately and seek professional assistance.
- **Cleaning:** Use a soft, dry cloth for cleaning. Avoid harsh chemicals.

2. PACKAGE CONTENTS

Verify that all items are present in the package:

- NOTODD 14-inch Laptop (N700)
- Wireless Mouse
- 12V/2.5A DC Charger
- Transparent Silicone Keyboard Protection Film
- User Manual

What's You'll Get?

4. GETTING STARTED (SETUP)

4.1 Initial Power On

1. Unpack the laptop and all accessories.
2. Connect the 12V/2.5A DC charger to the laptop's charging port and a power outlet.
3. Open the laptop lid. The laptop may power on automatically, or you may need to press the power button.
4. Follow the on-screen instructions to complete the Windows 11 setup, including language selection, network connection, and user account creation.

4.2 Connecting Peripherals

- **Wireless Mouse:** Insert the USB receiver of the wireless mouse into an available USB port on the laptop. The mouse should connect automatically.
- **Keyboard Protector:** Place the transparent silicone keyboard protection film over the keyboard to protect it from dust and spills.

8. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your NOTODD N700 laptop, follow these maintenance guidelines:

- **Cooling System:** The laptop features a built-in cooling fan for efficient heat dissipation. Ensure the vents are clear

of obstructions to prevent overheating.

- **Cleaning:** Regularly clean the screen with a microfiber cloth and the keyboard with a soft brush or compressed air. Avoid spraying cleaners directly onto the screen or keyboard.
- **Storage:** When not in use, store the laptop in a cool, dry place.

9. TROUBLESHOOTING

If you encounter issues with your NOTODD N700 laptop, consider the following basic troubleshooting steps:

- **No Power:** Ensure the charger is securely connected to both the laptop and a working power outlet. Check if the power adapter's indicator light is on.
- **Display Issues:** If the screen is blank, try adjusting the brightness settings. If using an external monitor, ensure the connection is secure and the correct display output is selected.
- **Slow Performance:** Close unnecessary applications and browser tabs. Check for available storage space and

consider uninstalling unused programs.

- **Connectivity Problems:** For Wi-Fi issues, restart your router and the laptop. For Bluetooth, ensure the device is discoverable and within range.
- **System Not Responding:** Press and hold the power button for 10-15 seconds to force a shutdown, then restart the laptop.

For persistent issues, refer to the official NOTODD support resources or contact customer service.
