ORICO AP3 Purple Travel Power Strip User Manual

Brand: ORICO | Model: AP3-4A2U1C-US

INTRODUCTION

This manual provides essential information for the safe and efficient use of your ORICO AP3 Purple Travel Power Strip. Please read these instructions carefully before use and retain for future reference.

PRODUCT OVERVIEW & KEY FEATURES

The ORICO AP3 Travel Power Strip is designed for portability and convenience, offering multiple charging options in a compact form factor.

- **Compact & Portable Design:** Weighs approximately 10.2 ounces with dimensions of 4.33 x 2.52 x 0.1 inches, making it ideal for travel.
- **7-in-1 Charging:** Features 4 AC outlets, 2 USB-A ports, and 1 USB-C port for simultaneous charging of up to 7 devices.
- **4-Foot Flat Extension Cord:** Includes a 0.39-inch ultra-thin flat plug with a 45° right-angle design for easy placement in tight spaces.
- **Integrated Cable Management:** Unique wrap-around design with an elastic band helps organize and secure the cable.
- **Wall Mounting Option:** Designed with two mounting holes and includes screws for fixed installation.
- **Safety Features:** Constructed from fire-resistant PC shell and certified by FCC, providing protection against short circuit, over-heat, over-current, and over-voltage.
- **Cruise Ship Approved:** Designed without surge protection, making it suitable for use on cruise ships where surge protectors are often prohibited.

SETUP INSTRUCTIONS

1. **Unwrap the Cord:** Gently unwrap the 4-foot extension cord from around the power strip. The elastic band can be

used to secure the cord when not fully extended.

2. **Connect to Power Source:** Plug the 45° flat plug into a standard 125V AC wall outlet. Ensure the plug is inserted firmly.

3. **Wall Mounting (Optional):**

- Identify the desired mounting location.
- Use the provided screw position makers (stickers) to mark the drill points on the wall.
- Drill pilot holes and insert the provided screws, leaving a small portion exposed.
- Align the two mounting holes on the back of the power strip with the exposed screw heads and slide the power strip down to secure it.

OPERATING INSTRUCTIONS

Once connected to a power source, the ORICO AP3 is ready for use.

- **AC Outlets:** Plug your devices (e.g., laptops, hair dryers, cameras) into any of the 4 AC outlets.
- **USB Ports:** Connect your USB-powered devices (e.g., smartphones, tablets, headphones) to the 2 USB-A ports or the 1 USB-C port. The power strip will automatically detect and deliver the optimal charging speed for your devices.

- Ensure that the total power consumption of all connected devices does not exceed the rated power of 1250W.

SAFETY INFORMATION

Please observe the following safety guidelines:

- **No Surge Protection:** This product is designed without surge protection, making it suitable for environments like cruise ships where surge protectors are often prohibited. It does not protect against power surges.

- **Power Rating:** The rated power of this product is 1250W. Do not connect devices that collectively exceed this wattage to prevent overheating and potential damage.
- **Proper Connection:** Always ensure that all plugs and cables are fully and tightly inserted into their respective ports.
- **Indoor Use Only:** This power strip is intended for indoor use in dry locations only. Do not expose to moisture or liquids.
- **Avoid Overloading:** Do not overload the power strip with too many high-power devices.
- **Child Safety:** Keep out of reach of children.

Multiple USB Charging Station

4 x AC Outlets

Laptop

Hair Dryers

Camera

Electric
Shaver

MAINTENANCE

- **Cleaning:** Disconnect the power strip from the wall outlet before cleaning. Use a dry, soft cloth to wipe the surface. Do not use liquid cleaners or aerosols.
- **Storage:** When not in use, wrap the cord neatly around the unit and secure it with the elastic band. Store in a cool, dry place away from direct sunlight.
- **Inspection:** Periodically inspect the power strip and its cord for any signs of damage (e.g., frayed wires, cracked casing). Discontinue use if damage is found.

TROUBLESHOOTING

- **No Power:**
 - Ensure the power strip's plug is securely inserted into a working wall outlet.
 - Check if the wall outlet itself is functioning by plugging in another device.
 - Verify that the total wattage of connected devices does not exceed 1250W.
- **Slow Charging:**
 - Ensure you are using a high-quality, compatible charging cable.
 - Some devices may charge slower if multiple high-power devices are connected simultaneously. Try disconnecting other devices.

SPECIFICATIONS

Product Dimensions	4.33 x 2.52 x 0.1 inches
Item Weight	10.2 ounces
Model Number	AP3-4A2U1C-US
Brand	ORICO
Color	Purple
Total Power Outlets	7 (4 AC, 2 USB-A, 1 USB-C)
Voltage	125 Volts
Rated Power	1250W
