6. MAINTENANCE

Regular maintenance will help preserve the appearance and longevity of your bar stools.

- **Cleaning Faux Leather:**
 - Wipe spills immediately with a clean, dry cloth.
 - For general cleaning, use a soft cloth dampened with mild soap and water. Wipe gently, then dry thoroughly with a clean cloth.
 - Avoid abrasive cleaners, harsh chemicals, or solvents, as these can damage the faux leather finish.
- **Frame Care:** Wipe the metal frame with a soft, damp cloth. Dry immediately to prevent rust.
- **Check Connections:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the faux leather to fade or crack.
