

Tribesigns YS0060

Tribesigns 78-Inch Rectangular Dining Table User Manual

Model: YS0060 | Brand: Tribesigns

INTRODUCTION

Thank you for choosing the Tribesigns 78-Inch Rectangular Dining Table. This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your new dining table. Designed to comfortably seat 6-8 people, this table features a durable particle board top and sturdy metal legs, offering both functionality and a modern aesthetic for your dining space.

SAFETY INFORMATION

- **Do not drag the table:** Avoid dragging the table across floors to prevent scratches and damage to both the table and your flooring.
- **Follow assembly instructions:** Always assemble the table strictly according to the provided instructions to ensure structural integrity and safety.
- **Keep the table dry:** Maintain the table in a dry environment to prevent material damage and ensure longevity.
- **Weight limit:** Do not exceed the maximum weight recommendation of 50 kilograms (110 lbs) on the tabletop.

PACKAGE CONTENTS

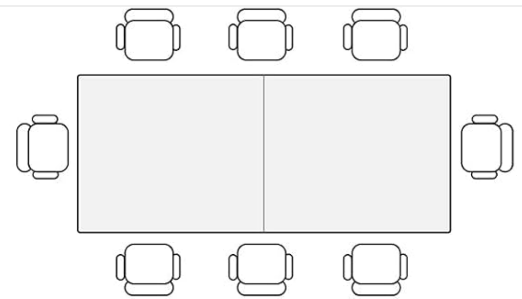

Before beginning assembly, ensure all parts are present and undamaged. The package should include:

- Tabletop components (Engineered Wood)
- Metal Frame/Legs
- Assembly Guide
- All necessary hardware and tools (e.g., screws, screwdriver)
- Adjustable foot pads

SETUP AND ASSEMBLY

Assembly is required for this dining table. Please follow these general steps. Refer to the included Assembly Guide for detailed, step-by-step instructions and diagrams.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided parts list in your Assembly Guide.
2. **Attach Legs to Frame:** Secure the metal legs to the main frame structure using the provided hardware. Ensure all connections are firm but do not overtighten initially.
3. **Assemble Tabletop:** If the tabletop comes in multiple pieces, carefully align and connect them according to the instructions.
4. **Attach Tabletop to Frame:** Secure the assembled tabletop to the metal frame using the designated screws. Ensure even alignment.
5. **Install Adjustable Foot Pads:** Screw the adjustable foot pads into the bottom of each leg. These will help level the table on uneven surfaces.
6. **Final Tightening:** Once all components are loosely assembled and aligned, go back and securely tighten all screws. Do not overtighten to avoid damaging the material.
7. **Position the Table:** Carefully lift and place the table in its desired location. Adjust the foot pads as needed to ensure stability and prevent wobbling.

Seats Up To 6-8

OPERATING INSTRUCTIONS

The Tribesigns dining table is designed for indoor use and can accommodate 6 to 8 people. Ensure the table is placed on a flat, stable surface. Use the adjustable foot pads to correct any wobbling. Avoid placing excessively hot items directly on the tabletop without protection.

MAINTENANCE

- **Cleaning:** Wipe the tabletop and legs with a damp cloth. For stubborn stains, use a mild soap solution and dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Protection:** Although the table is stain-resistant and waterproof, it is recommended to use placemats or coasters to protect the surface from spills and heat.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or damage to the finish.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Table wobbles or is unstable.	Uneven floor surface or loose leg connections.	Adjust the foot pads on the bottom of the legs until the table is stable. Ensure all leg screws are securely tightened. Use a level to verify.
Tabletop sections do not align perfectly or have a small gap.	Manufacturing tolerance or improper assembly.	Ensure all screws connecting the tabletop sections and to the frame are tightened evenly. Sometimes loosening and re-tightening screws can help align pieces better. If the issue persists after careful re-assembly and leveling, it may be a manufacturing characteristic.
Scratches or marks on the tabletop.	Sharp objects, abrasive cleaning, or dragging items.	Use placemats and coasters. Avoid dragging items across the surface. Clean with soft cloths and non-abrasive cleaners. Minor scratches may be buffed out with appropriate wood repair kits (for walnut finish).

SPECIFICATIONS

Feature	Detail
Brand	Tribesigns
Model Name	Dining table
Model Number	YS0060
Product Dimensions (D x W x H)	27.5"D x 78.74"W x 29.5"H (70cm x 200cm x 75cm)
