Setup and Assembly

The WLIVE 9-Drawer Dresser requires assembly. Please follow the detailed instructions provided in the packaging. All parts and accessories are coded for easy identification. It is recommended to assemble the dresser in the room where it will be used.

Important Assembly Tips:

- Review all instructions and identify all parts before beginning assembly.
- Use the provided tools or appropriate hand tools to prevent stripping screws.
- Ensure all pre-drilled holes align perfectly for a sturdy build.
- For smooth drawer operation, ensure all screws on the tracks are tightened sufficiently.
- Utilize the anti-tipping device to secure the dresser to the wall, preventing accidental tipping and ensuring safety for your family and pets.

OPERATING INSTRUCTIONS

The WLIVE 9-Drawer Dresser is designed for easy and efficient storage. Each drawer is equipped with smooth metal

slides for effortless opening and closing.

Drawer Usage:

- To open a drawer, gently pull the sturdy metal handle.
- To close a drawer, push it firmly until it is fully seated within the frame.
- The drawers are designed to open fully without tipping, allowing for easy access to contents.
- Organize items by category (e.g., clothes, toys, blankets) to maximize the spacious storage capacity.

CARE AND MAINTENANCE

Proper care will extend the life and maintain the appearance of your WLIVE dresser.

Cleaning:

- Wipe surfaces with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- The wooden board surface is water-resistant and easy to clean. Promptly wipe any spills.

General Care:

- Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary.
- Avoid placing extremely hot or cold items directly on the surface without protective coasters.
- Keep the dresser away from direct sunlight and extreme temperature changes to prevent warping or fading.

TROUBLESHOOTING

If you encounter any issues with your WLIVE 9-Drawer Dresser, please refer to the common problems and solutions below.

Problem	Possible Cause / Solution
Drawers are not sliding smoothly.	Ensure all screws on the metal slides are securely tightened. Check for any obstructions in the drawer slides. Verify that the drawer is correctly aligned on its tracks.
Dresser feels wobbly or unstable.	Confirm all assembly fasteners are tightened. Ensure the dresser is placed on a flat, level surface. Verify the anti-tipping device is properly installed and secured to the wall.
Drawers do not close completely.	Check for items obstructing the back of the drawer or inside the cabinet. Inspect drawer slides for damage or misalignment.
Fingerprints or smudges visible on black surface.	Wipe with a soft, dry microfiber cloth. For stubborn marks, use a slightly damp cloth and dry immediately.

If you continue to experience issues, please contact WLIVE customer support for assistance.

WARRANTY AND SUPPORT

WLIVE is committed to customer satisfaction. This storage drawer unit comes with detailed installation instructions and all necessary parts. If you encounter any problems or have questions, please do not hesitate to contact WLIVE customer support.
