Premium-Plus ACR2303MFW

Instruction Manual: Premium Plus Custom Cut Stove Protector Liners

Brand: Premium-Plus | Model: ACR2303MFW

1. PRODUCT OVERVIEW

The Premium Plus Custom Cut Stove Protector Liners are designed to protect your electric stovetop's metal surface from spills, drips, and grease. These liners are custom-fit for the Amana Electric Range Model ACR2303MFW, ensuring a precise and secure placement. Made in the USA, they feature a non-stick surface for easy cleaning and are heat resistant up to 500°F.

Key features include:

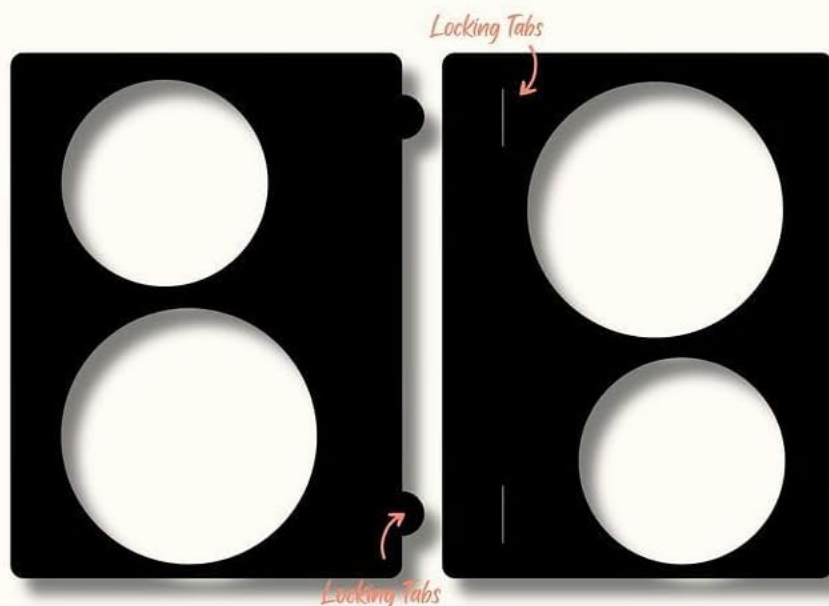

- **Custom Fit:** Tailored specifically for Amana Electric Range Model ACR2303MFW.
- **Heat Resistant:** Protects stovetop up to 500°F.
- **Easy to Clean:** Non-stick surface, hand washable, and dishwasher safe.
- **Reusable:** Durable for long-term use.
- **Safe:** PFOA & BPA Free, eco-friendly.

2. SETUP AND INSTALLATION

Installing your Premium Plus Stovetop Protector Liners is a simple three-step process.

1. **Step 1:** Remove all stovetop accessories, including burner grates and caps, to expose the stovetop surface.
2. **Step 2:** Lay down the covers. Start with the right side liner, followed by the left. Ensure they overlap correctly to fully protect the surface. The liners are custom-cut to fit your specific Amana model ACR2303MFW.
3. **Step 3:** Reassemble the stovetop accessories. Once the liners are in place, carefully put back the burner caps and grates. Your stovetop is now protected and ready for use.

The liners are designed for easy placement and removal.

Premium-Plus

EASY FITTING AND REMOVING
Our Customized Stovetop Protector Liners are customized to fit your stove, simply place them on your stovetop to keep your stove clean like new.

3. OPERATING INSTRUCTIONS

The Premium Plus Stovetop Protector Liners are designed to be left in place during normal stovetop operation. They are heat resistant up to 500°F, providing a protective barrier against spills and splatters while you cook. Ensure the liners are properly seated around the burners before use.

4. MAINTENANCE AND CLEANING

Maintaining the cleanliness of your stovetop is effortless with these protector liners.

- **Daily Cleaning:** For minor drips and spills, simply wipe down the liners with a damp sponge or cloth after each use.

- **Deep Cleaning:** The liners are dishwasher safe. For a more thorough cleaning, remove the liners from the stovetop and place them on the top rack of your dishwasher.
- **Spot Cleaning:** If only one side of the stovetop experiences a spill, you can remove just that specific liner piece for cleaning, leaving the other pieces in place.

DISHWASHER SAFE

Keep your stovetop clean, simply remove your Customized Stovetop Protector Liners and just place them in your dishwasher – it's so simple and easy!

5. TROUBLESHOOTING

These stove protector liners are designed for straightforward use. If you encounter any issues, consider the following:

- **Improper Fit:** Ensure you have the correct model number for your stove. These liners are specifically designed for Amana Electric Range Model ACR2303MFW. If your model differs, search for "Premium Plus" followed by your specific model number on Amazon to find the correct fit.
- **Liner Movement:** Ensure the liners are properly aligned and seated around the burners and under the stovetop accessories. The custom fit should minimize movement during normal use.
- **Cleaning Difficulty:** For stubborn stains, pre-soak the liners in warm, soapy water before handwashing or placing them in the dishwasher.

STOVE MODEL NUMBER LOCATOR

- 1** In the door frame typically in the upper left hand corner or lower left hand corner.
- 2** On the underside of the back fuse panel cover.
- 3** With the lower drawer open, on the left side or on the door jamb.
- 4** If your cooktop lifts up, you can find it underneath on the left or right side.
- 5** Under one of the surface burners.
- 6** On the lower left, right, or back side of the unit near the ground.
