## MAINTENANCE

To ensure the longevity and optimal performance of your headphones, follow these maintenance guidelines:

- Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners, alcohol, or chemical solvents.
- Water Resistance:** The headphones are IPX5 water resistant, meaning they can withstand sweat and light splashes. Do not submerge them in water or expose them to heavy rain. Dry them thoroughly if they get wet before placing them back in the charging case.
- Storage:** When not in use, store the headphones in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.
- Battery Care:** To preserve battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not used for extended periods.

## TROUBLESHOOTING

If you encounter any issues with your Monster Open Ear AC335 Headphones, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Headphones do not turn on.	Low battery.	Charge the headphones and charging case fully.
Cannot pair with device.	Bluetooth is off; headphones not in pairing mode; interference.	Ensure Bluetooth is on. Place earbuds in case, close, then open to re-enter pairing mode. Move away from other wireless devices.
No sound or intermittent sound.	Not connected; volume too low; out of range.	Check Bluetooth connection. Increase volume on device and headphones. Move closer to your device.
Microphone not working.	Microphone blocked; device settings.	Ensure microphone is not covered. Check audio input settings on your device.
Charging case not charging.	Cable issue; power source issue.	Try a different Type-C cable or USB power adapter. Ensure connections are secure.

If the problem persists after trying these solutions, please contact Monster customer support for further assistance.
