## PRODUCT FEATURES

- **Double Rods Design:** Features both high and low rods for flexible hanging of various garment lengths, such as dresses and pants.
- **Side Extension Rods:** Provides additional space for hanging accessories like bags, hats, belts, towels, and umbrellas.
- **Bottom Bars:** Offers convenient storage for shoes, suitcases, or other luggage.
- **Large Loading Capacity:** Constructed from heavy-duty 22mm diameter steel, capable of holding up to 210 lbs (160

lbs on double rods, 50 lbs on bottom shelf).

- **Upgraded Assembly Method:** Utilizes thread rolling for smooth and secure connections, reducing assembly time and enhancing stability compared to traditional screw mounting.
- **Movable Wheels:** Equipped with 360-degree swivel wheels for easy relocation across various floor types. Two wheels are lockable to secure the rack in place.

### SETUP AND ASSEMBLY

The HYSEYY Double Rods Clothes Rack features an upgraded assembly method designed for quick and easy setup. All necessary tools are included in the package.

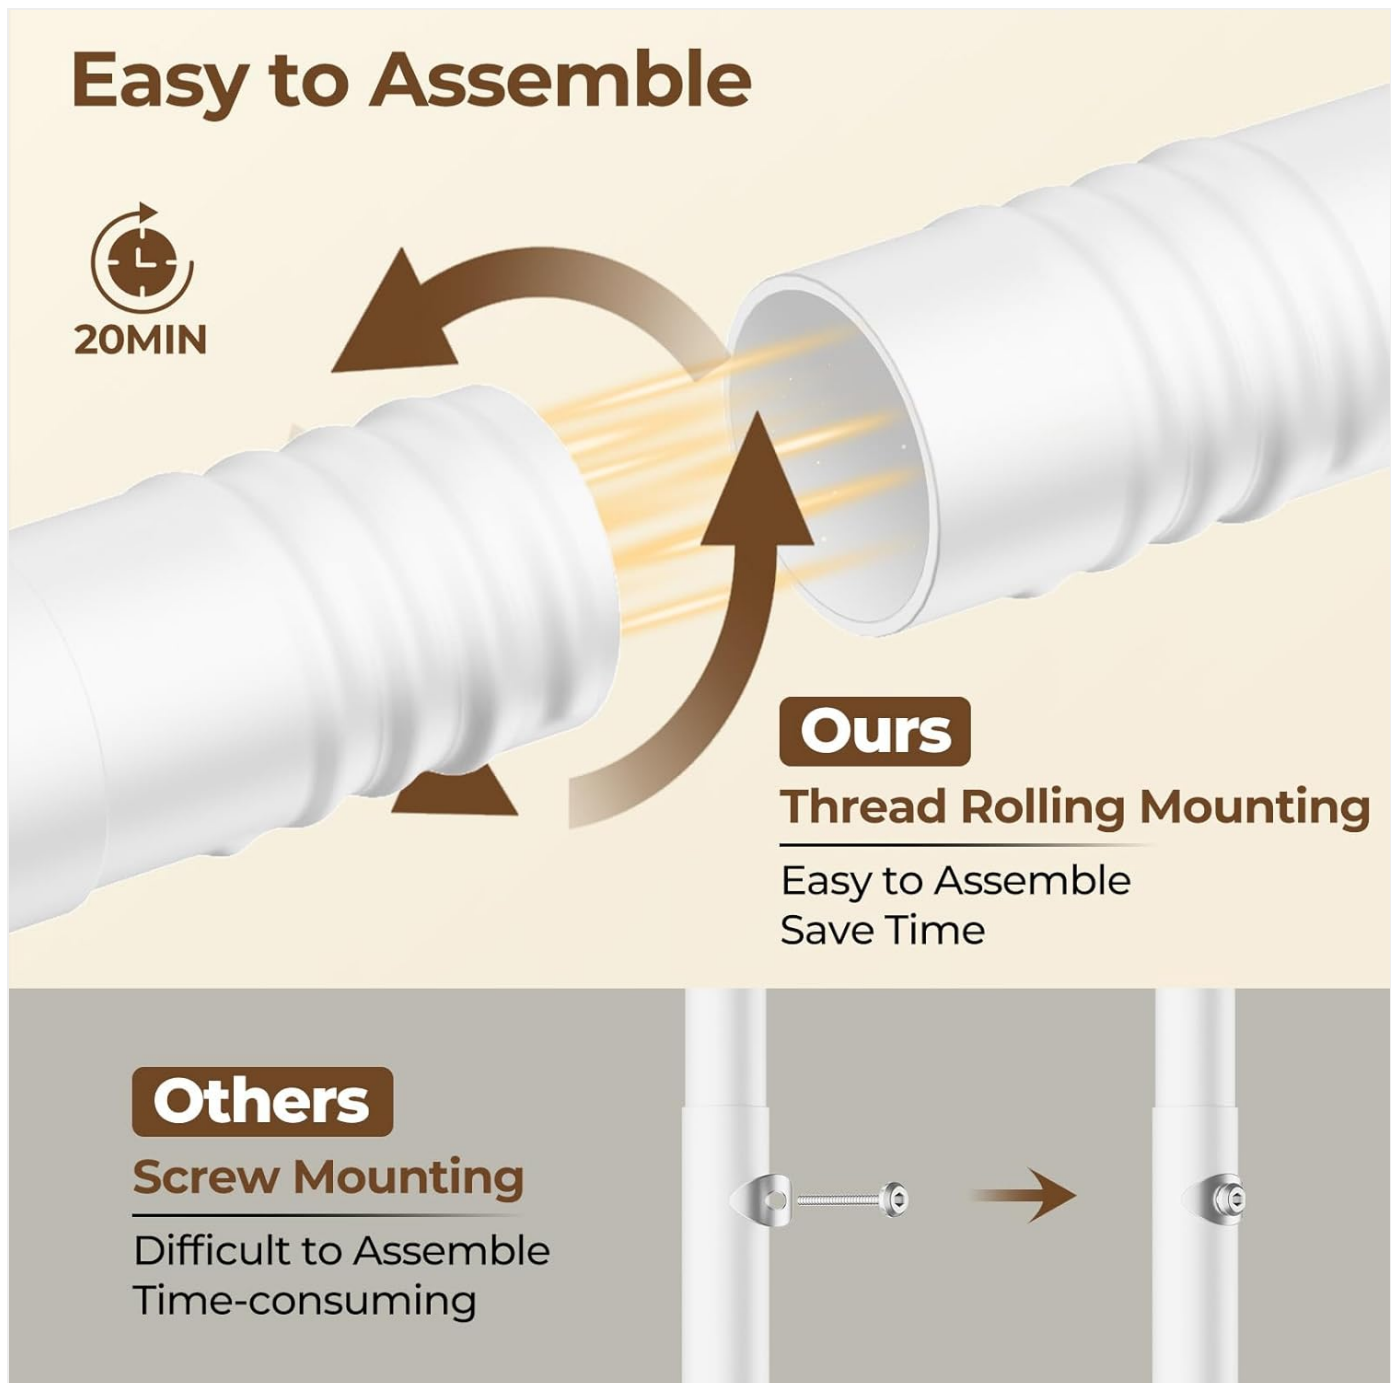

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the instruction manual are present.
2. **Assemble Base Frame:** Connect the base bars using the provided threaded rolling connections. Ensure all

connections are securely tightened.

3. **Attach Vertical Support Rods:** Insert the vertical support rods into the base frame. The upgraded thread rolling design allows for smooth and rigid connections without traditional screws for main joints.
4. **Install Horizontal Hanging Rods:** Attach the upper and lower horizontal hanging rods to the vertical supports. The double-rod design provides ample space.
5. **Add Side Extension Rods:** Secure the side extension rods to the main frame for additional hanging space.
6. **Attach Wheels:** Install the four 360-degree swivel wheels to the bottom of the base. Ensure the two lockable wheels are positioned for easy access.

The assembly process is designed to be completed in approximately 20 minutes due to the efficient thread rolling mounting system.

## OPERATING INSTRUCTIONS

---

To maximize the utility of your HYSEYY Double Rods Clothes Rack, follow these guidelines:

- **Hanging Garments:** Utilize the high rod for longer items like dresses and coats, and the lower rod for shorter items such as shirts, skirts, and pants. This dual-rod system allows for efficient organization and prevents garments from dragging on the floor.
- **Using Side Rods:** The extendable side rods are ideal for hanging accessories. Pull them out when needed and push them back in for a more compact footprint.
- **Bottom Storage:** Place shoes, storage bins, or luggage on the sturdy bottom bars. Ensure weight is distributed evenly to maintain stability.
- **Moving the Rack:** To relocate the rack, unlock the caster wheels by flipping the lever on the two lockable wheels. Gently push or pull the rack to its desired position.
- **Securing the Rack:** Once the rack is in its desired location, engage the locks on the two caster wheels to prevent unintended movement.

## MAINTENANCE

- **Cleaning:** Wipe down the metal frame with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish.
- **Regular Checks:** Periodically inspect all connections to ensure they remain tight and secure. Re-tighten if

necessary.

- **Wheel Care:** Keep the wheels free of debris to ensure smooth rolling. Lubricate if needed.
- **Weight Distribution:** Always distribute weight evenly across the rods and bottom shelf to prevent tipping or damage.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Rack is wobbly.	Loose connections; uneven weight distribution.	Ensure all threaded connections are fully tightened. Redistribute garments and items evenly.
Wheels not rolling smoothly.	Debris caught in wheels; wheels are locked.	Check for and remove any debris from the wheels. Ensure the wheel locks are disengaged.
Rack tips over.	Overloaded; uneven weight distribution.	Do not exceed the maximum load capacity of 210 lbs. Distribute weight evenly, placing heavier items towards the center and lower sections.

## SPECIFICATIONS

- **Brand:** HYSEYY
- **Model Number:** 1315-white1
- **Color:** White
- **Material:** Metal (Alloy Steel)
- **Product Dimensions:** 16.5"D x 44.3"W x 63"H (41.9 cm D x 112.5 cm W x 160 cm H)
