Monitor Stand:

The raised monitor stand promotes an ergonomic viewing angle, reducing neck strain during extended use. Place your monitor(s) directly on this elevated surface.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the laminated finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage to the engineered wood.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.
- **Electrical Components:** Keep the power outlet and LED light components dry and free from dust. Do not attempt to repair electrical components yourself.

TROUBLESHOOTING

If you encounter any issues with your Panama L Shaped Computer Desk, refer to the following common

problems and solutions:

Problem	Possible Cause	Solution
LED lights not working	Power connection loose; remote battery low; LED strip damage.	Check power plug connection. Replace remote battery. Contact support if LED strip is damaged.
Power outlets not functioning	Desk power cord not plugged in; circuit breaker tripped; device not compatible.	Ensure desk power cord is fully plugged into a working wall outlet. Check your home's circuit breaker. Test with a different device.
Desk feels unstable/wobbly	Loose fasteners; uneven floor.	Tighten all assembly screws. Adjust leveling feet if present, or place shims under legs on uneven surfaces.
