4. SETUP

4.1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided Type-C charging cable to the charging port on the case and a USB power source. The indicator lights on the case will show the charging status. A full charge takes approximately 180 minutes for the case and earbuds.

4.2. Initial Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.

2. On your device (smartphone, tablet, laptop), enable Bluetooth.

3. Search for "Boult Klarity 1" in the list of available Bluetooth devices.

4. Select "Boult Klarity 1" to connect. Once connected, you will hear a confirmation tone.

4.3. Dual Device Pairing

The Klarity 1 earbuds support dual device pairing, allowing you to connect to two devices simultaneously and switch between them seamlessly.

1. Pair the earbuds with your first device as described in Section 4.2.

2. Disable Bluetooth on the first device. The earbuds will re-enter pairing mode.

3. Pair the earbuds with your second device.

4. Re-enable Bluetooth on the first device. The earbuds should automatically connect to both devices.

5. To switch between devices, simply pause audio on one device and start playing on the other.

5. OPERATING THE EARBUDS

5.1. Touch Controls

The Klarity 1 earbuds feature intuitive touch controls on each earbud. The specific functions may vary slightly based on your device and application.

Action	Left Earbud	Right Earbud
Play/Pause	Single Tap	Single Tap
Next Track	Triple Tap	Triple Tap
Previous Track	Long Press (2s)	Long Press (2s)

Action	Left Earbud	Right Earbud
Answer/End Call	Single Tap	Single Tap
Reject Call	Long Press (2s)	Long Press (2s)
Activate Voice Assistant	Double Tap	Double Tap
Toggle Gaming Mode	Quad Tap	Quad Tap

5.2. Gaming Mode

Activate the 45ms ultra-low latency gaming mode for a synchronized audio experience during gaming. To toggle Gaming Mode, perform a Quad Tap on either earbud. You will hear an audio prompt indicating the mode change.

Image: The Boult Klarity 1 earbuds positioned next to a smartphone displaying a racing game, emphasizing the low-latency feature for gaming.

5.3. Voice Assistant

Double tap either earbud to activate your device's voice assistant (e.g., Google Assistant, Siri). You can then issue commands through the earbuds' microphones.

5.4. Call Management

The 4 ENC microphones ensure clear communication during calls. Use the touch controls to manage incoming and outgoing calls as described in the table above.

6. MAINTENANCE

6.1. Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove eartips and clean any earwax or debris from the earbud mesh using a small, soft brush or cotton swab.
- Do not use harsh chemicals, cleaning solvents, or strong detergents.

6.2. Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

6.3. Water Resistance (IPX5)

The Klarity 1 earbuds are IPX5 water resistant, meaning they can withstand splashes of water from any direction. They are suitable for workouts and light rain. Do not submerge the earbuds in water or expose them to strong jets of water. The charging case is not water resistant.

7. TROUBLESHOOTING

- **Earbuds not pairing:** Ensure earbuds are charged. Place them back in the case, close, then reopen. Check your device's Bluetooth settings and try re-pairing.
- **No sound:** Check volume levels on both earbuds and your connected device. Ensure earbuds are properly connected to your device.
- **Charging issues:** Ensure the Type-C cable is securely connected to both the case and the power source. Try a different cable or power adapter.
- **Intermittent connection:** Ensure there are no obstructions between the earbuds and your device. Keep the earbuds within the 10-meter operating distance.
- **One earbud not working:** Try resetting the earbuds. Place both earbuds in the charging case, close the lid for a few seconds, then open it again. If the issue persists, consult the Boult support website.
