LODIMEKE IDW26

LODIMEKE IDW26 Smart Watch User Manual

Comprehensive guide for setup, operation, and maintenance of your smartwatch.

Introduction

Welcome to the user manual for your new LODIMEKE IDW26 Smart Watch. This guide provides essential information for setting up, operating, and maintaining your device to ensure optimal performance and a seamless user experience. Please read this manual thoroughly before using your smartwatch.

What's in the Box

- LODIMEKE IDW26 Smart Watch
- Magnetic Charging Cable
- User Manual

Setup

1. Charging the Smart Watch

Before initial use, fully charge your LODIMEKE IDW26 Smart Watch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a power source. The watch display will indicate charging status.

3. Downloading and Connecting to the VeryFit App

The LODIMEKE IDW26 Smart Watch requires the VeryFit app for full functionality. Download the "VeryFit" app from the Google Play Store (for Android) or the Apple App Store (for iOS).

1. Open the VeryFit app on your smartphone.
2. Navigate to the "Device" section and select "Add Device".
3. Choose "Watch/bracelet" from the device type options.
4. Select "IDW26" from the list of found devices to initiate pairing.
5. Allow Bluetooth pairing requests and grant necessary notification access for the app to function correctly.

Your browser does not support the video tag.

Key Features

- **Alexa Built-in:** Activate Alexa by long-pressing the side button or tapping the Alexa icon. Use voice commands to ask questions, set alarms, control music, check weather, and manage smart home devices.
- **Call Functionality:** Make and answer calls directly from your watch. Ensure "Call Alert" is enabled in the VeryFit app.
- **Notifications:** Receive notifications from various apps (SMS, WhatsApp, Facebook, etc.) directly on your watch. Configure notification settings within the VeryFit app.
- **Health Tracking:**
  - **Heart Rate Monitoring:** Continuous 24/7 heart rate tracking.
  - **Blood Oxygen (SpO2) Monitoring:** Monitor your blood oxygen levels.
  - **Sleep Monitoring:** Automatically tracks sleep patterns and quality.
  - **Stress Monitoring:** Tracks stress levels and offers breathing exercises.
  - **Step Counter:** Records daily steps, calories burned, and distance.
  - **Menstrual Cycle Tracking:** For women, track menstrual cycles and predict ovulation.

- **Sports Modes:** Over 100 sports modes including running, walking, hiking, swimming, cycling, and more. The watch automatically detects running and walking activities.
- **Other Practical Functions:** Alarm clock, stopwatch, music control, camera control, brightness adjustment, weather forecast, flashlight, find phone.

Maintenance

- **Cleaning:** Regularly clean your watch and strap with a soft, dry cloth. Avoid harsh chemicals.
- **Water Resistance:** The watch is IP68 waterproof, suitable for swimming. Do not wear it during hot baths, saunas, or deep-sea diving as steam and high pressure can damage the device.
- **Firmware Updates:** For optimal performance, regularly update your device firmware to the latest version via the VeryFit app.

Troubleshooting

- **Connection Issues:** If the watch fails to connect to the app, ensure Bluetooth is enabled on your phone and the watch is within range. Restart both devices and try pairing again.
- **Notifications Not Appearing:** Check the notification management settings in the VeryFit app to ensure desired app notifications are enabled. Also, verify phone system notification permissions for VeryFit.
- **Inaccurate Readings:** Ensure the watch is worn snugly on your wrist. Clean the sensors on the back of the watch.
- **Battery Life:** If battery life is shorter than expected, check for excessive background app usage or high screen brightness. Adjust settings in the VeryFit app to optimize.

Specifications

Feature	Detail
