

Alpine ILX-F509

Alpine Halo9 ILX-F509 Digital Multimedia Receiver and DICA License Plate Camera User Manual

Comprehensive Instructions for Setup, Operation, and Maintenance

1. INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your Alpine Halo9 ILX-F509 9-inch Digital Multimedia Receiver and the accompanying DICA License Plate Camera. Please read this manual thoroughly before using the product to ensure correct operation and to prevent damage.

Image 1.1: The Alpine Halo9 ILX-F509 Digital Multimedia Receiver with the DICA License Plate Camera. This image displays the main unit with its large touchscreen and the compact license plate camera designed for rear-view assistance.

2. SAFETY INFORMATION

Always observe the following safety precautions to prevent injury or damage to the unit:

- Do not attempt to disassemble or modify the unit. This can cause electric shock or other hazards.
- Ensure all wiring connections are secure and properly insulated to prevent short circuits.
- Consult a professional for installation if you are unsure about any steps. Incorrect installation can lead to vehicle damage or malfunction.
- Do not operate the unit in a way that distracts you from driving. Always prioritize road safety.
- Keep the unit away from water and excessive moisture.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- Alpine Halo9 ILX-F509 Digital Multimedia Receiver
- DICA License Plate Camera (LPCAMC-1)
- Wiring Harnesses and Connectors

- Mounting Hardware
- User Manual (this document)

4. SETUP AND INSTALLATION

Professional installation is recommended for optimal performance and safety. This section provides a general overview.

4.1. Alpine ILX-F509 Receiver Installation

1. **Preparation:** Disconnect the vehicle's negative battery terminal before starting any electrical work.
2. **Mounting:** The ILX-F509 features an adjustable mounting system. Secure the main chassis into the vehicle's dashboard opening. Attach the 9-inch display to the chassis, adjusting the vertical position and viewing angle as needed.
3. **Wiring:** Connect the main power harness, speaker wires, and other auxiliary connections (USB, HDMI, camera input, steering wheel controls, etc.) according to the detailed wiring diagram provided with the product. Ensure all connections are firm.
4. **Antenna:** Connect the AM/FM antenna.
5. **Initial Power-On:** Reconnect the battery. Turn on the vehicle ignition and power on the receiver. Follow any on-screen prompts for initial setup.

4.2. DICA License Plate Camera Installation

Image 4.1: The DICA License Plate Camera (LPCAMC-1). This image shows the compact camera unit designed to mount above a standard license plate, featuring its lens and mounting brackets.

1. **Mounting Location:** The DICA LPCAMC-1 camera is designed to mount above your vehicle's license plate. Secure it using the provided screws and brackets.
2. **Wiring:**
 - Connect the camera's power wire to the vehicle's reverse light circuit. This ensures the camera powers on automatically when the vehicle is in reverse.
 - Connect the camera's video output cable to the dedicated camera input on the Alpine ILX-F509 receiver.
 - Ensure all wiring is routed safely, away from moving parts and heat sources, and properly secured to prevent damage.
3. **Testing:** With the vehicle in reverse (and parking brake engaged for safety), verify that the camera image appears on the ILX-F509 display.

5. OPERATING THE ALPINE ILX-F509 RECEIVER

The ILX-F509 features a 9-inch capacitive touchscreen for intuitive control.

5.1. Basic Controls and Interface

Image 5.1: The main menu screen of the Alpine Halo9 ILX-F509. This interface provides access to various functions such as Radio, SiriusXM, USB, Music, Auxiliary, HDMI, Bluetooth Audio, Dash Cam, Vehicle Info, Phone, Apple CarPlay, Android Auto, and Setup.

- **Touchscreen:** Navigate menus, select options, and control playback by touching the screen.
- **Physical Buttons:** Located at the bottom of the display, these buttons provide quick access to essential functions like volume control, home, and camera view.
- **Home Screen:** The main interface displays icons for various functions such as Radio, USB, Bluetooth Audio, Apple CarPlay, Android Auto, and Settings.

5.2. Radio Operation (AM/FM)

Image 5.2: The radio interface of the Alpine Halo9 ILX-F509. This screen shows available frequencies, current station, and controls for tuning, seeking, and auto-preset functions.

- Select the "Radio" icon from the home screen.
- Use the on-screen controls to tune to desired frequencies, seek stations, or save presets.
- Switch between AM and FM bands as needed.

5.3. Bluetooth Connectivity

- From the home screen, select "Bluetooth Audio" or "Phone".
- On your smartphone, search for available Bluetooth devices and select "Alpine ILX-F509".
- Confirm the pairing code on both devices.
- Once paired, you can stream audio or make hands-free calls.

5.4. Apple CarPlay / Android Auto

Image 5.3: The Alpine Halo9 ILX-F509 display showing the Apple CarPlay interface. This screen presents familiar iOS apps like Phone, Music, Maps, Messages, and Podcasts, optimized for in-car use.

- Connect your compatible smartphone via USB for wired CarPlay/Android Auto, or wirelessly if supported by your phone and the receiver.
- Select the "Apple CarPlay" or "Android Auto" icon from the home screen.
- Follow the on-screen prompts to integrate your smartphone's features, including navigation, music, and messaging.

5.5. Camera Display

When the vehicle is shifted into reverse, the DICA License Plate Camera image will automatically display on the ILX-F509 screen. You can also manually access the camera view via a dedicated button or menu option if available.

6. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your Alpine system.

- **Screen Cleaning:** Use a soft, lint-free cloth slightly dampened with water or a screen-cleaning solution. Do not use abrasive cleaners or solvents.
- **Camera Lens:** Keep the DICA camera lens clean from dirt, dust, and water spots for a clear rear-view image. Use a soft cloth.
- **Software Updates:** Periodically check the official Alpine website for firmware updates for the ILX-F509 receiver. Follow the instructions provided by Alpine for any updates.

7. TROUBLESHOOTING

If you encounter issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No power to receiver	Blown fuse, incorrect wiring, loose connection	Check vehicle fuses and receiver fuses. Verify power and ground connections.
No sound	Volume too low, mute activated, incorrect speaker wiring	Increase volume. Check mute status. Verify speaker connections.
Camera image not displaying	Camera not powered, video cable loose, reverse trigger not connected	Check camera power connection to reverse lights. Ensure video cable is securely connected to receiver. Verify reverse trigger wire.
Bluetooth pairing issues	Device not in pairing mode, interference, previous pairing conflict	Ensure both devices are in pairing mode. Delete previous pairings. Try pairing again.
CarPlay/Android Auto not connecting	Faulty USB cable, phone software issue, incorrect settings	Use a high-quality USB cable. Restart phone and receiver. Check phone settings for CarPlay/Android Auto.

If the problem persists, contact Alpine customer support or a qualified technician.

8. SPECIFICATIONS

8.1. Alpine Halo9 ILX-F509 Digital Multimedia Receiver

- **Display:** 9-inch Capacitive Touchscreen (1280x720 pixels)
- **Tuner:** AM/FM (does not play CDs)
- **Smartphone Integration:** Wireless Apple CarPlay, Wireless Android Auto
- **Connectivity:** Bluetooth, HDMI, USB
- **Audio Output Mode:** Stereo
- **Surround Sound Channel Configuration:** 5.1
- **Number of Channels:** 6
- **Special Feature:** Adjustable vertical mounting positions and viewing angles

8.2. DICA License Plate Camera (LPCAMC-1)

- **Type:** CMOS Rear-View Camera
- **Resolution:** 420 lines
- **View Angle:** 155-degree
- **Features:** Waterproof, mounts above license plate

9. WARRANTY INFORMATION

Alpine products are covered by a limited warranty. For specific details regarding warranty coverage, duration, and terms, please refer to the warranty card included with your product or visit the official Alpine website. Keep your proof of purchase for warranty claims.

10. SUPPORT

For further assistance, technical support, or service inquiries, please contact Alpine customer support through their official website or the contact information provided in your product documentation. You can also visit the [Alpine Store on Amazon](#) for product information.

Alpine iLX-F509 9" Mechless In-Dash Receiver

Brand: Alpine Car Audio
Product Code: iLX-F509-Alpine
Availability: In Stock
UPC: 793276084378
MPN: iLX-F509
Location: Cleveland, Ohio

Price: \$1,449.95

Short Description
Add WIRELESS Apple CarPlay and AndroidAuto to your vehicle with this 9" touchscreen with Bluetooth, HDMI, USB and more.

Description
The Next-Generation Alpine Halo9 display takes your dash to new heights with even more features to bring out the full potential of your music. From Wi-Fi, SiriusXM50, HDMI to the new Tidal Music App - And much more! Always in stock and on display.

iLX-F509
Next-Generation Dash Receiver with 9-inch Floating HD Touchscreen Display

PRODUCT OVERVIEW
Next-generation dash technology takes the Alpine Halo9 display to new heights with even more features to bring out the full potential of music playback.

PRODUCT FEATURES
Next-Gen Dash Technology - Take your dash to new heights with the high-resolution Alpine Halo9 Floating Wireless Apple CarPlay® and Android Auto™, plus built-in Bluetooth® hands-free calling with audio streaming. Access music, messages, phone calls, and more on a smartphone through touch or voice commands with the included external microphone.
Hi-Res Audio - The Alpine Halo9 features hi-res audio playback and has an onboard tuning feature for 13-band parametric EQ (13-band parametric EQ per channel) for continuous frequency control. The 6-channel time correction ensures that music is played precisely in the front and center of the vehicle.
Increased Adjustability - The screen is attached to an adjustable mount so you can choose from a variety of positions to fit your dash opening. The screen has the vertical adjustments and two separate depths that lock into position for a sturdy installation. A new pressure-fit mechanism allows for more flexibility when positioning the screen for optimized viewing and access to dash and HVAC controls.

i509-WRA-JK

9" Restyle Installation Manual

- Model: Wrangler JK
- Model Year: 2011-2018

Jeep Wrangler JK
 i509-WRA-JK 2023.01.01

1 / 22

Jeep	Model	Year
	Wrangler JK	2011 - 2018

* The product will/has been tested and met the minimum compatibility of the vehicle. Compatibility is not guaranteed if the manufacturer has made production changes to the listed vehicles above.

⚠ Warning: Before you begin wiring, remove the ground wire from the negative terminal of the battery. Failing to do so can lead to electric shock, injury or damage to equipment.

Introduction

● Congratulations on purchasing the i509-WRA-JK. This installation manual is designed to take you through the steps to wire installation of the i509-WRA-JK into your 2011-2018 Jeep Wrangler JK. These features are provided with the greatest material and your off-road have additional options please call 1-800-TECH-101.

Note

● Design and specifications are subject to change without notice or improvement.

To Ensure Safe Use, Always Follow These Precautions

- The installation of this product requires specialized skills and experience. We recommend that you have the product installed by an Alpine authorized dealer.
- Before you use this product, be sure to carefully read this installation manual and the supplier's user's manual. Failure to do so may result in damage to the product, injury or death, and no responsibility for any damage or accident of liability will be taken by the manufacturer in the event of an accident or liability.
- This product is a consumer of electrical energy that is intended to help you use the product's facility to power hard to use and often, and to protect against damage to property. These systems and their connections are linked together and may fully jeopardize those systems before you wrap it up the most time.

Explanation of Injury and Damage That May Result from Improper Use

Warning	Sparking the unshielded material by this installation and using the product incorrectly is expected to lead to death or serious injury.
Caution	Exposing the conductive material by this installation and using the product incorrectly is only expected to lead to injury or property damage.
