Setup and First Use

Upon receiving your Reebok Energen Tech Plus Sneakers, inspect them for any visible defects. Ensure the laces are properly threaded through all eyelets. For optimal fit and comfort, adjust the lacing to secure your foot without excessive tightness.

- **Unboxing:** Remove sneakers from packaging.
- **Inspection:** Check for any manufacturing inconsistencies.
- **Lacing:** Adjust laces for a snug, comfortable fit. Ensure even pressure across the top of the foot.
- **Initial Wear:** Wear the sneakers for short periods initially to allow them to conform to your foot shape.

Operating and Usage Guidelines

The Energen Tech Plus Sneaker is designed for general athletic and casual wear. Its rubber sole provides traction suitable for various surfaces.

- **Activity:** Suitable for running, walking, and everyday casual use.
- **Surface:** Designed for use on standard indoor and outdoor surfaces. Avoid excessively rough or sharp terrain to prevent damage to the sole.
- **Fit:** A proper fit is crucial for comfort and injury prevention. Refer to the size guide if unsure.

Maintenance and Care

Proper care extends the life of your sneakers. Follow these guidelines for cleaning and storage:

- **Cleaning:** Wipe exterior with a damp cloth and mild soap. Do not machine wash or tumble dry.
- **Drying:** Air dry at room temperature. Avoid direct sunlight or heat sources, which can damage materials.
- **Storage:** Store in a cool, dry place away from direct sunlight when not in use.
- **Odor Control:** Use shoe deodorizers or allow shoes to air out after each use to prevent odor buildup.

Troubleshooting

Issue	Possible Cause	Solution
Discomfort/Rubbing	Improper lacing, incorrect size, or new shoe break-in period.	Adjust lacing, ensure correct size, or allow time for break-in. Consider wearing thicker socks initially.
Squeaking Sound	Moisture inside the shoe or between sole layers.	Remove insoles and air dry thoroughly. If persistent, contact customer support.

Issue	Possible Cause	Solution
Sole Wear	Normal wear and tear, or excessive use on abrasive surfaces.	Sole wear is expected over time. To prolong life, avoid dragging feet and use on intended surfaces.

Specifications

Department: unisex-adult

Sole Material: Rubber
