HUANLEGO H006

HUANLEGO Rattan 6-Drawer Dresser (Model H006) Instruction Manual

1. Introduction

Thank you for choosing the HUANLEGO Rattan 6-Drawer Dresser, Model H006. This modern and natural boho dresser is designed to provide ample storage and enhance the aesthetic of your bedroom, hallway, living room, or office. This manual provides detailed instructions for assembly, safe operation, maintenance, and troubleshooting to ensure a long and satisfactory experience with your new furniture.

2. Safety Information

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tipping Device:** It is crucial to install the included anti-tipping device to prevent the dresser from tipping over, especially in households with children or pets. Securely attach the device to a wall stud as per the assembly instructions.
- **Weight Limits:** Do not exceed the maximum weight capacity of 224 lbs (101.6 kg) for the top surface and 30 lbs (13.6 kg) per drawer. Overloading can compromise stability and cause structural damage.
- **Placement:** Place the dresser on a flat, level surface to ensure stability. Avoid placing it near heat sources or in direct sunlight to prevent material degradation.
- **Children Safety:** Keep small parts and packaging materials away from children during assembly. Do not allow

children to climb on or play with the dresser.

- **Assembly:** Always assemble the product with at least two adults. Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten fasteners as needed.

4. Assembly Instructions

Assembly typically requires two adults. Please follow the numbered steps carefully. A power drill with appropriate bits may be used, but exercise caution to avoid overtightening and damaging the engineered wood.

1. **Prepare Workspace:** Clear a spacious, clean, and soft area to prevent scratching the furniture pieces during assembly.
2. **Attach Drawer Slides to Side Panels:** Identify the left and right side panels. Attach the corresponding drawer slides to the inner sides using the provided screws. Ensure they are level and facing the correct direction.
3. **Assemble the Main Frame:** Connect the side panels to the bottom panel and then to the top panel using dowels, cam locks, and screws. Ensure all connections are secure.
4. **Install Back Panel:** Secure the back panel(s) to the assembled frame using small nails or screws. This adds stability to the dresser.
5. **Attach Legs:** Carefully turn the dresser onto its top (on a soft surface) and attach the four dresser legs to the designated points on the bottom panel using the provided hardware.
6. **Assemble Drawers:** For each of the six drawers:
    - Attach the drawer side panels to the drawer front (with rattan insert) and drawer back panel.
    - Slide the drawer bottom panel into the grooves.
    - Attach the remaining drawer slide components to the sides of the assembled drawer box.
    - Screw the wooden knob onto the center of the drawer front.
7. **Insert Drawers:** Carefully slide each assembled drawer into its corresponding slot in the dresser frame. Ensure they glide smoothly.
8. **Install Anti-Tipping Device:** Position the dresser in its desired location. Securely attach the anti-tipping strap to the back of the dresser and to a wall stud using the provided hardware. This step is critical for safety.

5. Operating Instructions

The HUANLEGO Rattan 6-Drawer Dresser is designed for straightforward use.

- **Drawer Operation:** Gently pull the wooden knobs to open the drawers. The metal sliding rails ensure smooth and quiet operation. To close, push the drawer firmly until it is fully seated. Avoid slamming drawers to prevent damage.
- **Storage Capacity:** Utilize the six spacious drawers for organizing clothing, accessories, linens, or office supplies.

The tabletop can hold decorative items, lamps, or a TV up to 50 inches, provided the weight limit is respected.

- **Anti-Tipping Device:** Once installed, the anti-tipping device will restrict the dresser's forward movement, enhancing safety. Do not attempt to move the dresser without first detaching it from the wall.

6. Maintenance

Proper care will help maintain the appearance and longevity of your dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or excessive moisture, which can damage the finish and rattan.
- **Rattan Care:** The natural rattan inserts can be gently dusted with a soft brush or vacuum cleaner with a brush attachment. Avoid direct exposure to water.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage to the engineered wood.

- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Environmental Conditions:** Avoid placing the dresser in areas with extreme temperature fluctuations or high humidity, as this can affect the wood and rattan materials.

7. Troubleshooting

Here are solutions to common issues you might encounter:

- **Drawers are Sticking or Not Sliding Smoothly:**
  - Check if the drawer slides are correctly aligned and installed on both the drawer and the dresser frame.
  - Ensure no items inside the drawer are obstructing its movement.
  - Verify that all screws on the drawer slides are tightened.
  - The dresser might not be on a level surface. Adjust the dresser's position or use shims under the legs if needed.
- **Dresser Feels Unstable/Wobbly:**
  - Confirm that all assembly screws and cam locks are fully tightened.
  - Ensure the dresser is placed on a completely flat and level floor.
  - Verify that the anti-tipping device is correctly installed and securely anchored to a wall stud.
- **Missing or Damaged Parts:**
  - Refer to the 'Package Contents' section. If parts are missing or damaged upon arrival, do not proceed with assembly. Contact HUANLEGO customer service immediately for assistance.
