## UniCraft No.01

# UniCraft No.01 Case for iPhone 15 Pro Max Instruction Manual

Model: No.01 | Brand: UniCraft

## 1. INTRODUCTION

---

The UniCraft No.01 Case is engineered to provide robust protection and enhanced functionality for your iPhone 15 Pro Max. This case integrates advanced materials and design elements to safeguard your device while offering practical features like a multi-function stand and MagSafe compatibility. This manual will guide you through the proper use and care of your UniCraft No.01 Case.

## 2. PRODUCT FEATURES

- **Uni-Tifuse Technology:** This innovative construction combines Titanium (Ti) alloy, Polycarbonate (PC), Polymethyl Methacrylate (PMMA), and Thermoplastic Polyurethane (TPU) to create a lightweight yet strong protective shell. The Ti alloy and PC/PMMA form the back cover, while the TPU border ensures a secure and comfortable grip.
- **Comprehensive Protection:** Features shock-absorbing Air Guard corners designed to protect vulnerable impact points. The raised aluminum alloy LensGuard shields your camera lenses from scratches and damage.
- **Multi-function Stand:** The integrated LensGuard doubles as a versatile stand, supporting both secure vertical viewing and two horizontal viewing angles ranging from 25° to 75°.
- **MagSafe Compatibility:** A built-in strong magnet ensures seamless compatibility with MagSafe accessories, enabling efficient wireless charging and secure attachment.
- **Refined Craftsmanship:** The case features an anodized finish for durability and a tactile coating for a comfortable, skin-like feel. High-precision CNC-assembled screws contribute to a balanced and elegant design. Metal buttons are

crafted to withstand over 100,000 clicks.

- **Native Fit:** Precision engineered to perfectly fit the iPhone 15 Pro Max, maintaining the original design and providing access to all ports and buttons without obstruction.

### 3. SETUP GUIDE

1. **Prepare your iPhone:** Ensure your iPhone 15 Pro Max is clean and free of dust or debris before installation.
2. **Insert the iPhone:** Gently align your iPhone 15 Pro Max with the case, starting with the top edge. Press the phone firmly into the case, ensuring all corners and edges are securely seated. The case is designed for a precise fit, so a snug feel is normal.
3. **Verify Fit:** Check that all buttons (volume, power) are functional and that the charging port and speakers are unobstructed.

## 4. OPERATING INSTRUCTIONS

### 4.1 Using the Multi-function Stand

- **Activating the Stand:** Locate the LensGuard on the back of the case. Gently pull the LensGuard outwards from the top edge until it clicks into an open position.
- **Adjusting Viewing Angles:**
  - For *vertical viewing*, position the phone upright with the stand extended.
  - For *horizontal viewing*, rotate the phone to its side. The stand can be adjusted to angles between 25° and 75° for optimal viewing comfort.
- **Retracting the Stand:** Push the LensGuard back into its original flush position against the case until it clicks securely.

Image 4.1: Close-up view of the LensGuard extended to function as a multi-angle stand.

## 4.2 MagSafe Compatibility

- **Attaching Accessories:** The integrated magnetic ring on the back of the case allows for secure attachment of MagSafe-compatible accessories such as wallets, chargers, and mounts. Simply align the accessory with the magnetic ring until it snaps into place.
- **Wireless Charging:** Place your iPhone, with the UniCraft No.01 Case installed, onto a MagSafe-compatible wireless charger. The strong magnets ensure proper alignment for efficient charging.

## Comprehensive Protection

## 5. MAINTENANCE

- **Cleaning the Case:** To clean your UniCraft No.01 Case, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these may damage the finish or materials.
- **Maintaining Metal Components:** The titanium alloy and aluminum alloy components are durable. If they become dirty, clean them with a soft, dry cloth. Avoid scratching the anodized finish.
- **Regular Inspection:** Periodically inspect the case for any signs of wear or damage, especially around the Air Guard corners and the LensGuard mechanism, to ensure continued protection.

## 6. TROUBLESHOOTING

### 6.1 Wireless Charging Issues

If you experience issues with wireless charging while using the UniCraft No.01 Case:

- **Check Charger Compatibility:** Ensure your wireless charger is MagSafe compatible and provides sufficient power.
- **Proper Alignment:** Verify that your iPhone is correctly centered on the wireless charging pad. The case's integrated magnets should assist with alignment.
- **Remove Obstructions:** Ensure there are no foreign objects between the phone and the charger.

### 6.2 Stand Mechanism Issues

If the multi-function stand feels loose or does not operate smoothly:

- **Inspect for Debris:** Check if any debris is lodged in the hinge mechanism of the LensGuard.
- **Gentle Operation:** Always operate the stand gently. Avoid excessive force when extending or retracting it to prevent damage to the hinge.

## 7. SPECIFICATIONS
