Tenhorses 24 Pack Insect Building Sets Instruction Manual

Model: LC0093

INTRODUCTION

The Tenhorses 24 Pack Insect Building Sets provide an engaging and educational experience for children aged 6 and up. This set includes 24 unique mini insect figures, each individually packaged with its own assembly instructions and a brief introduction to the insect. Designed to spark curiosity about nature and develop hands-on skills, these building blocks are made from high-quality, safe ABS material.

Each pack features vibrant colors and detailed designs, allowing children to explore the unique forms and features of various insects such as dragonflies, wasps, fireflies, bees, moths, butterflies, rhinoceros beetles, and ladybugs. This manual provides guidance on assembly, usage, and care for your insect building sets.

PRODUCT CONTENTS

Your Tenhorses Insect Building Set contains:

- 1 large box containing 24 individually packaged mini insect building kits.
- Each mini kit includes:
 - Building blocks for one insect figure.
 - Clear, step-by-step assembly instructions.
 - A brief informational fact about the specific insect.

Figure 2: Details of the first 12 insect models included in the set, such as Moth, Centipede, Dung Beetle, Longhorn Beetle, Cockroach, Praying Mantis, Butterfly, Dragonfly, Scarab Beetle, Scorpion, Ant, and Mosquito.

Figure 3: Details of the remaining 12 insect models, including Snail, Earwig, Grasshopper, Fly, Spider, Wasp, Bee, Rhinoceros Beetle, Hornet, Ladybug, Firefly, and Snail.

ASSEMBLY INSTRUCTIONS

Each of the 24 insect building kits comes in its own small, individually wrapped box. Follow these steps to assemble your insect figures:

1. **Select an Insect Kit:** Choose one of the 24 mini insect boxes.
2. **Open the Box:** Carefully open the individual box. Inside, you will find a sealed plastic bag containing the building blocks and the assembly instructions printed on the inner flaps of the box.
3. **Review Instructions:** Unfold the box to reveal the step-by-step visual instructions. Familiarize yourself with the building process before starting.
4. **Assemble the Figure:** Follow the visual instructions to connect the building blocks. Ensure each piece is securely attached.
5. **Enjoy Your Creation:** Once assembled, your insect figure is ready for display or play.

OPERATING AND PLAY

These insect building sets are designed to encourage imaginative play and learning. Once assembled, children can:

- **Learn About Insects:** Each kit includes a fun fact about the insect, deepening understanding of entomology.
- **Creative Play:** Use the assembled insects to create a mini insect world, tell stories, or integrate them into other play scenarios.
- **Develop Skills:** The building process enhances hands-on skills, problem-solving abilities, teamwork, and logical thinking.
- **Share and Collect:** With 24 unique insects, children can collect them all or share them with friends, fostering social interaction.

CARE AND MAINTENANCE

To ensure the longevity of your Tenhorses Insect Building Sets, please follow these care instructions:

- **Cleaning:** Wipe the building blocks with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not immerse in water.
- **Storage:** Store the blocks and assembled figures in a cool, dry place away from direct sunlight to prevent discoloration or warping. Keep them in their original packaging or a dedicated storage container to prevent loss of small pieces.
- **Handling:** Handle the assembled figures with care to avoid accidental disassembly.

TROUBLESHOOTING

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Double-check the plastic bag and surrounding area. Small pieces can sometimes be overlooked. If a piece is genuinely missing, please contact customer support.
- **Difficulty Assembling:** Refer back to the visual instructions carefully. Ensure you are using the correct pieces for each step and applying gentle, firm pressure to connect them.
- **Loose Connections:** If pieces do not hold together firmly, ensure they are fully pressed into place. The blocks are designed for a secure fit.
