

Hasuit LB03

Hasuit Metal Loft Bed with Desk and LED Lights (Model LB03)

Instruction Manual

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and safety of your Hasuit Metal Loft Bed with Desk, Charging Station, LED Lights, 4 Shelves, 2 Drawers, Safety Guard, Clothes Rail, and Ladder. Please read all instructions carefully before assembly and use to ensure proper function and safety.

2. SAFETY INFORMATION

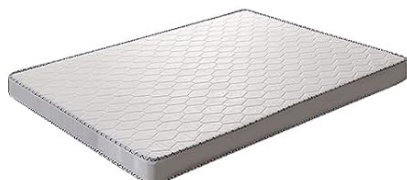

WARNING: Failure to follow these safety instructions could result in serious injury.

- Always assemble the bed according to the provided instructions.
- Ensure the anti-tipping devices are firmly attached to the wall. This is crucial for stability.
- Do not exceed the maximum weight recommendation of 450 pounds for the bed.
- Keep the 12-inch height full-length raised guardrails in place at all times when the bed is in use.
- Never leave young children unattended on the top bunk.
- Regularly check all bolts and connections to ensure they remain tight. Overtightening during assembly can damage the metal frame.
- Use only a mattress with dimensions 75"x38" and a thickness of 4"-6" for the top bunk.

Recommended Mattress

Size: 75"x38" Thickness: 4"-6"

Featuring a high enough enclosed **guardrail (12 inches)** to ensure your peace of mind while sleeping

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Bed Frame and Guardrails
- Charging Station and LED Lights
- Easy Assemble Tools
- Installation Manual (this document)
- 4 Open Storage Shelves
- 2 Fabric Drawers
- Clothes Rail
- Ladder

4. SETUP AND ASSEMBLY

Assembly of the Hasuit Metal Loft Bed requires careful attention to detail. A detailed assembly instruction guide and necessary assembly tools are included in your package. Follow the step-by-step diagrams and instructions provided in the separate assembly guide.

Key Assembly Points:

1. **Frame Construction:** Assemble the main bed frame components first. Ensure all connections are secure but avoid overtightening bolts, as this can damage the metal.
2. **Ladder Attachment:** Securely attach the ladder to the designated points on the bed frame.
3. **Desk and Storage Installation:** Install the desk, shelves, and fabric drawers according to the instructions.
4. **Charging Station Integration:** Integrate the power strip into the desk as shown in the assembly guide.
5. **LED Light Installation:** Attach the RGB LED lights to the right side of the bed frame.
6. **Anti-Tipping Device:** This is a critical safety step. Firmly fix the anti-tipping devices to the wall and the bed frame to enhance overall stability and prevent accidental tipping.

TWIN SIZE

L x W x H

5. OPERATING INSTRUCTIONS

5.1. Desk and Charging Station

The integrated study desk provides a dedicated workspace. The built-in power strip includes 2 AC outlets (125V/12A) and 2 USB ports (5V/2.1A), allowing convenient charging for electronic devices such as laptops, tablets, and lamps. The power cord is 6.56 feet long.

Built-in Charging Station

5.2. Smart RGB LED Lights

The RGB LED lights on the right side of the bed offer customizable lighting options. You can control the lights using two methods:

- **Key Control:** Use the physical controller to adjust basic light settings.
- **APP Control:** Download the dedicated application to access advanced functions such as mic mode, music mode, timing function, brightness adjustment, and custom styles with over 60,000 color options.

5.3. Storage Features

The loft bed includes various storage solutions:

- **4 Open Storage Shelves:** Located on the left side, these shelves are suitable for books, files, small electronics, or decorative items.
- **2 Fabric Drawers:** Positioned beneath the open shelves, these drawers provide enclosed storage for personal items.
- **Hanging Garment Rail:** A rail on the left corner allows for hanging clothes or other items.

5.4. Ladder Use

The sturdy metal ladder provides access to the top bunk. Always use the ladder facing the bed, maintaining three points of contact (two hands and one foot, or two feet and one hand) for safe climbing and descending.

6. MAINTENANCE

- **Cleaning:** For the metal frame and wooden surfaces, wipe with a damp cloth and mild cleaner. For fabric drawers, follow care instructions, typically dry clean only.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they are tight. Retighten as necessary to maintain structural integrity.
- **LED Lights:** If LED lights detach, reattach them using a suitable adhesive strip.

7. TROUBLESHOOTING

- **Damaged or Missing Parts:** If you receive the product with damaged or missing parts, contact Hasuit customer service immediately for assistance.
- **LED Lights Not Functioning:** Check the power connection. If the lights have detached, re-secure them with a strong adhesive. If issues persist, contact customer support.
- **Bed Instability:** Ensure all bolts are tightened. Verify that the anti-tipping devices are correctly installed and securely anchored to the wall.
- **Assembly Difficulties:** Refer to the detailed assembly guide. If you encounter persistent issues, contact customer support for clarification.

8. SPECIFICATIONS

Feature	Detail
Model Number	LB03
Size	Twin
Product Dimensions	77.4"L x 39.37"W x 72.25"H
Color	White
Material	Metal
Item Weight	91.5 pounds
Recommended Mattress Size	75"x38" (Thickness: 4"-6")
Charging Station	2 AC Outlets (125V/12A), 2 USB Ports (5V/2.1A), 6.56-Foot Power Cord
LED Lights	RGB, Key Control, APP Control (Mic, Music, Timing, Brightness, Custom Style)
