podoru 10000mAh Magnetic Portable Charger (B-Sierra Blue)

Podoru 10000mAh Magnetic Battery Pack

Model: B-Sierra Blue

1. Introduction

The Podoru 10000mAh Magnetic Battery Pack is a versatile and portable charging solution designed for convenience and efficiency. It features a high-capacity battery, built-in USB-C and Lightning cables, and magnetic attachment for compatible devices, ensuring you stay powered on the go. This manual provides essential information for the safe and effective use of your new battery pack.

2. Product Features

- **Powerful Compatibility:** Supports iPhone 12, 13, 14, 15, and 16 series, including Plus, Pro, and Pro Max models.
- **Built-in Cables & Strong Magnetic Connection:** Features integrated dual USB-C charging cables and a strong magnetic array for secure attachment and wireless charging.
- **10000mAh Large Capacity & Digital Display:** Provides ample power for all-day use with a clear LED screen showing exact remaining power, wireless charging status, and PD fast charging symbol.
- **5 Devices Fast Wireless & Wired Charging:** Supports up to 15W wireless charging, 20W USB-C PD output, 22.5W USB PD, and 12W Lightning input. Capable of charging up to 5 devices simultaneously.
- **Superior Safety:** Equipped with 8 low-temperature ice cores and a multi-protect safety system including temperature control, overcharge protection, and short circuit protection.

- **Pocket Size & Easy to Carry:** Compact and lightweight design (186g, 105*71*19mm) for convenient portability.

3. What's in the Box

- Built-in Cables Magnetic Wireless Power Bank (1 unit)
- USB-C Charging Cable (1 unit)
- Instruction Manual (1 unit)

4. Setup

4.1 Initial Charging of the Power Bank

Before first use, fully charge your Podoru Magnetic Battery Pack. Use the included USB-C charging cable or the built-in USB-C cable to connect the power bank to a compatible power adapter (not included). The LED digital display will show the charging progress. A full charge is indicated by 100% on the display.

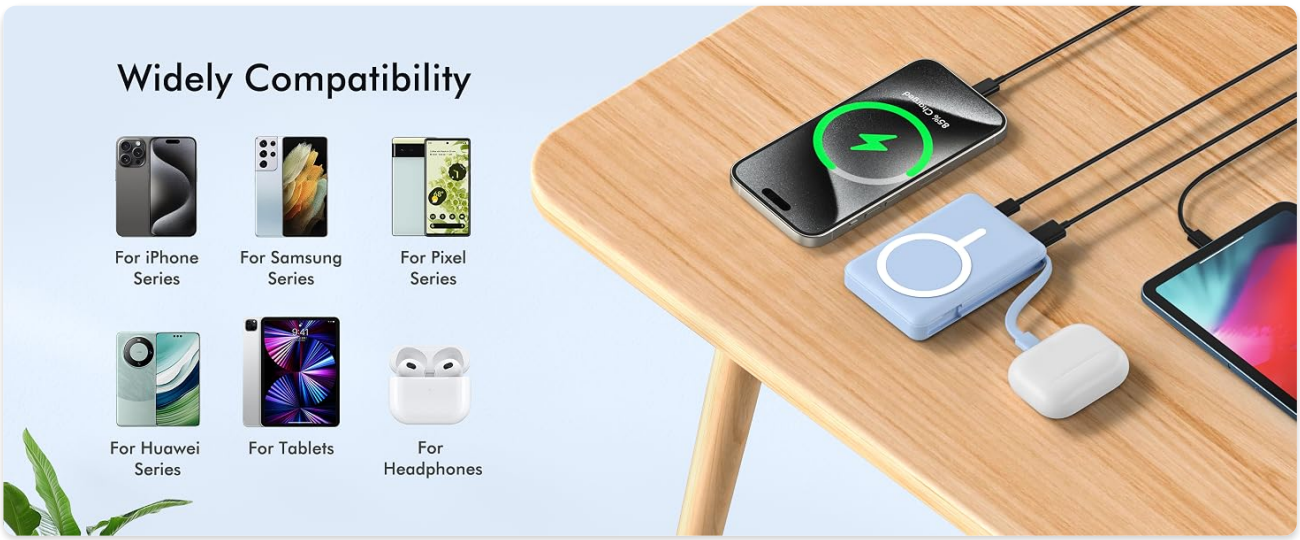

Figure 4: The power bank can be recharged via its Lightning input port or USB-C input/output port.

5. Operating Instructions

5.1 Power On/Off

Press the power button located on the side of the power bank to turn it on. The LED display will illuminate, showing the current battery percentage. Press and hold the power button to turn it off.

5.2 Magnetic Wireless Charging

1. Ensure your iPhone (12 series or newer) is compatible with magnetic charging.
2. Align the back of your iPhone with the magnetic charging area on the power bank. The magnets will securely attach the phone to the power bank.
3. Wireless charging will begin automatically. The LED display will show the wireless charging symbol.

Note: *For optimal magnetic suction and charging efficiency, it is recommended to use a magnetic phone case or no case at all. Non-magnetic cases may prevent proper adsorption.*

Figure 5: Magnetic charging in action, showing strong magnetic connection and 10000mAh high cell capacity.

Figure 6: The power bank works seamlessly with iPhone compatible magnetic cases.

5.3 Wired Charging

Use the built-in USB-C or Lightning cables to connect your device to the power bank. Alternatively, use the USB-A output port or the USB-C input/output port with your own charging cables for other devices.

5.4 Simultaneous Charging

The Podoru Magnetic Battery Pack can charge up to 5 devices concurrently (1 wireless, 2 via built-in cables, 2 via USB-A/USB-C ports). Connect all desired devices, and the power bank will distribute power accordingly.

Figure 7: Illustrates the ability to charge multiple devices at once, including phones, tablets, and earbuds.

5.5 Pass-Through Charging

You can charge the power bank itself while it is simultaneously charging your devices. Connect the power bank to a wall adapter, and then connect your devices to the power bank.

Figure 8: Charging the portable charger while simultaneously charging your device.

6. Maintenance

- Keep the power bank dry and away from moisture.
- Avoid extreme temperatures (hot or cold).
- Clean the surface with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Store in a cool, dry place when not in use.
- Recharge the power bank at least once every three months to maintain battery health if not used regularly.

7. Troubleshooting

- **Device not charging:**
  - Ensure the power bank is turned on and has sufficient charge.
  - Check cable connections for wired charging.
  - For magnetic charging, ensure your phone is compatible and that no non-magnetic case is interfering with the connection.
  - Try a different charging cable or port.
- **Slow charging:**
  - Ensure your device supports fast charging and that the cable used is rated for fast charging.
  - Charging multiple devices simultaneously may reduce individual charging speeds.
- **Power bank not charging:**
  - Ensure the wall adapter is functioning correctly.
  - Try a different USB-C charging cable.
- **Overheating:**
  - It is normal for the power bank to become slightly warm during charging.
  - If it becomes excessively hot, disconnect all devices and the power source immediately. Contact customer support if the issue persists.

8. Specifications

Feature	Detail
Brand	podoru
Model	10000mAh Magnetic Portable Charger (B-Sierra Blue)
Battery Capacity	10000 Milliamp Hours
Product Dimensions	4.13 x 2.79 x 0.74 inches
Item Weight	8.4 ounces
Connector Type	USB Type C, USB Type A, Lightning
Wireless Charging Output	Up to 15W
USB-C PD Output	Up to 20W
USB PD Output	Up to 22.5W
Lightning Input	Up to 12W
USB-C Input	Up to 20W
Special Features	Digital Display, Built-in Cables, Fast Charging, Pocket Size, Wireless Charging
Manufacturer	Shenzhen Zhilianxintong Electronics Co., Ltd
Date First Available	October 23, 2024

9. Warranty and Support
