

Drmpry L1

Drmpry L1 Open Ear Headphones User Manual

Brand: Drmpry | Model: L1

INTRODUCTION

Welcome to your Drmpry L1 Open Ear Headphones. This manual provides essential information for setting up, operating, and maintaining your new headphones. Please read this guide thoroughly to ensure optimal performance and longevity of your device.

PACKAGE CONTENTS

Upon unboxing your Drmpry L1 Open Ear Headphones, please verify that all the following items are included:

- 1 x Drmpry L1 Open Ear Headphones
- 1 x Magnetic Charging Cable
- 1 x User Manual

PRODUCT OVERVIEW

The Drmpry L1 Open Ear Headphones are engineered for comfort and high-fidelity audio, allowing you to remain aware of your surroundings while enjoying your audio content. Key features include:

- **Comfortable and Ergonomic Design:** The open-ear design ensures a gentle, secure fit, suitable for extended wear and various activities without discomfort.
- **Extended Battery Life:** Enjoy up to 48 hours of continuous use with the high-capacity 800mAh charging case, providing power throughout your day.
- **Superior Audio Quality:** Advanced audio drivers deliver crisp highs, balanced mids, and deep bass, enhancing your listening experience without obstructing your ear canals.
- **Secure Fit:** Designed to conform to the contours of your ear, these headphones provide a gravity-balanced fit that stays in place during dynamic movements.
- **Premium Sound:** Experience crystal-clear audio with rich bass and balanced tones, projected through

optimized stereo speakers for a natural, open soundstage.

SETUP

1. Charging the Headphones and Case

Before initial use, fully charge your Drmpy L1 headphones and their charging case to ensure maximum battery performance.

- Connect the provided magnetic charging cable to the charging port located at the bottom of the case.
- Plug the other end of the cable into a compatible USB power source.
- The indicator lights on the case will illuminate to show the charging status. A full charge provides up to 48 hours of combined playtime.

Video: This segment demonstrates the location of the charging port on the Drmpy L1 headphone case and how to connect the magnetic charging cable.

2. Bluetooth Pairing

Follow these steps to pair your Drmpy L1 headphones with your Bluetooth-enabled device:

1. Ensure your headphones are charged and removed from the charging case. They will automatically enter pairing mode.
2. On your smartphone or other audio device, navigate to the "Settings" menu and enable "Bluetooth."
3. In the list of available Bluetooth devices, locate and select "L1-OPEN."
4. Once connected, you will hear a voice prompt confirming "Connected."

OPERATING INSTRUCTIONS

1. Wearing the Headphones

The Drmpy L1 headphones are designed for an open-ear fit, resting comfortably on your ear without entering the ear canal.

- Identify the left (L) and right (R) earbuds. These markings are typically found on the ear hook.
- Gently place the earbud over your ear, ensuring the speaker component is positioned near your ear canal.
- Adjust the flexible ear hook to achieve a secure and comfortable fit that remains stable during movement.

Video: This clip illustrates the correct method for wearing the Drmpy L1 Open Ear Headphones for optimal comfort and stability.

2. Touch Controls

Your Drmpy L1 headphones are equipped with intuitive touch controls for easy management of audio playback and calls:

- **Play/Pause:** Double-tap either earbud.
- **Next Track:** Triple-tap the right earbud.
- **Previous Track:** Triple-tap the left earbud.
- **Volume Up:** Press and hold the right earbud.
- **Volume Down:** Press and hold the left earbud.
- **Answer/End Call:** Double-tap either earbud during an incoming call or active call.
- **Reject Call:** Press and hold either earbud during an incoming call.

MAINTENANCE

Proper maintenance will extend the lifespan and ensure the best performance of your Drmpy L1 headphones:

- **Cleaning:** Regularly wipe the headphones and charging case with a soft, dry, lint-free cloth. Avoid using harsh chemicals, solvents, or abrasive cleaners.
- **Water Resistance:** The headphones are rated IPX5, providing resistance against sweat and light splashes. They are not designed for submersion in water. Ensure the charging port is dry before charging.
- **Storage:** Always store the headphones in their charging case when not in use. This protects them from dust, scratches, and accidental damage.
- **Charging:** Use only the original magnetic charging cable provided with your headphones. Using unauthorized cables may damage the device.

TROUBLESHOOTING

Common Issues and Solutions

- **Headphones not pairing:**
Solution: Ensure Bluetooth is enabled on your device and the headphones are charged. Try turning Bluetooth off and on again on your device, then re-scan for "L1-OPEN."
- **No sound or low volume:**
Solution: Check the volume levels on both your headphones (using touch controls) and your connected device. Ensure the headphones are properly seated on your ears.
- **Charging issues:**
Solution: Verify the charging cable is securely connected to both the case and a power source. Check the indicator lights on the case for charging status.
- **Intermittent connection:**
Solution: Move closer to your connected device to ensure you are within Bluetooth range. Avoid obstacles that may interfere with the signal.
