Jazmm 211

Jazmm Portable AM/FM Radio User Manual

Model: 211

Introduction

Thank you for choosing the Jazmm Portable AM/FM Radio, Model 211. This compact and versatile radio is designed to provide clear audio reception and convenient features for both indoor and outdoor use. With its robust design, powerful speaker, and emergency flashlight, it's an ideal companion for daily listening or unexpected situations. This manual will guide you through the setup, operation, and maintenance of your new radio.

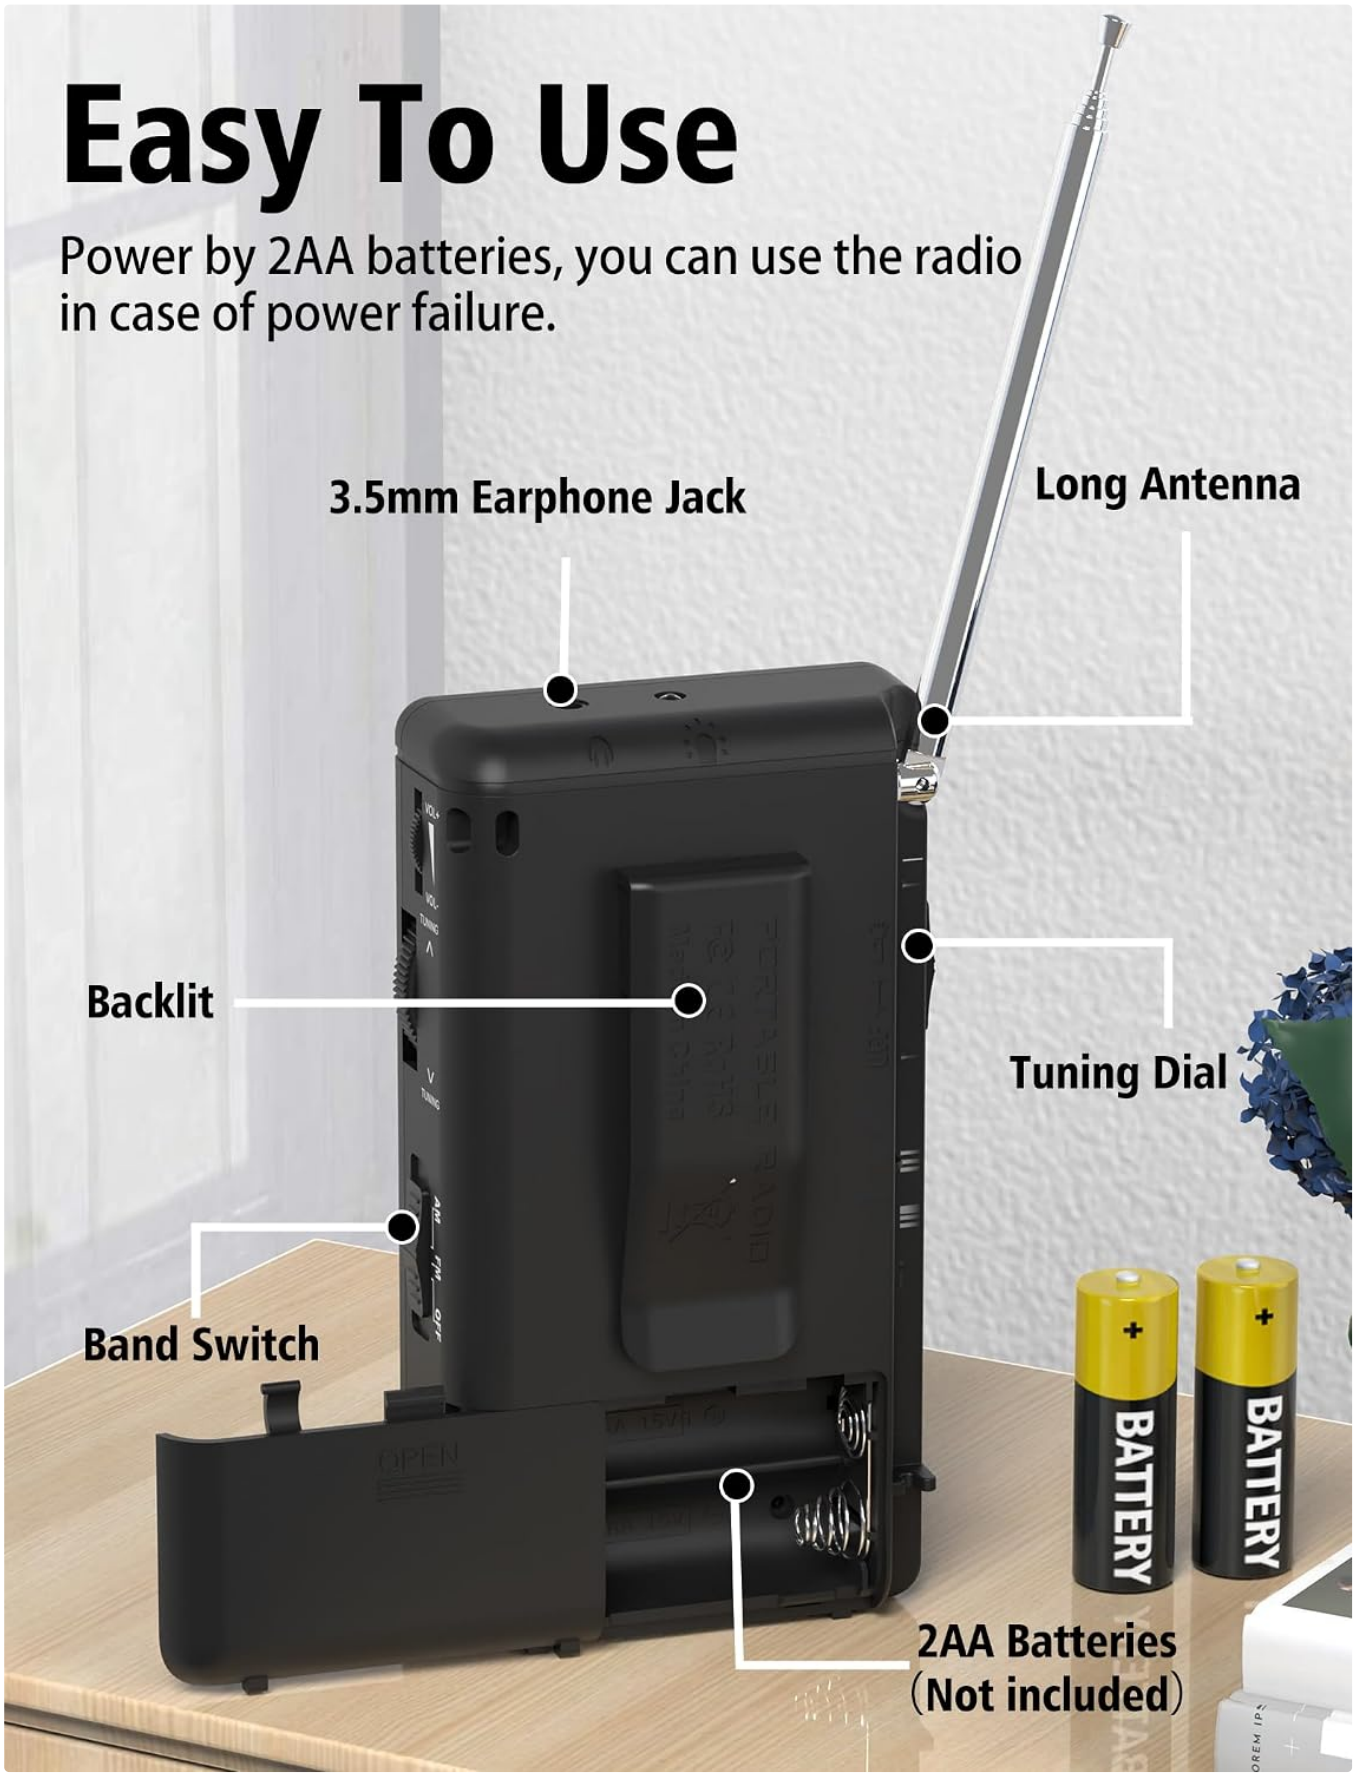

Safety Information

- Do not expose the radio to extreme temperatures, direct sunlight, or high humidity.
- Avoid dropping or subjecting the radio to strong impacts.
- Do not attempt to disassemble or modify the radio. This will void the warranty and may cause damage.
- Use only the specified battery type (2x AA batteries). Ensure correct polarity when inserting batteries.
- Remove batteries if the radio will not be used for an extended period to prevent leakage.
- Keep out of reach of small children to prevent choking hazards from small parts.

Product Features and Components

Front and side view of the Jazmm Portable AM/FM Radio, highlighting its compact design and integrated flashlight.

Rear view of the radio, illustrating the battery compartment, telescopic antenna, and various controls.

- **AM/FM Tuner:** Capable of receiving FM (87-108 MHZ) and AM (520-1730 KHZ) channels.
- **16.5-inch Telescopic Antenna:** Ensures optimal signal reception for clear audio.
- **3W Large Speaker:** Provides clear and loud sound quality for enjoyable listening.
- **3.5mm Earphone Jack:** For private listening with headphones (not included).

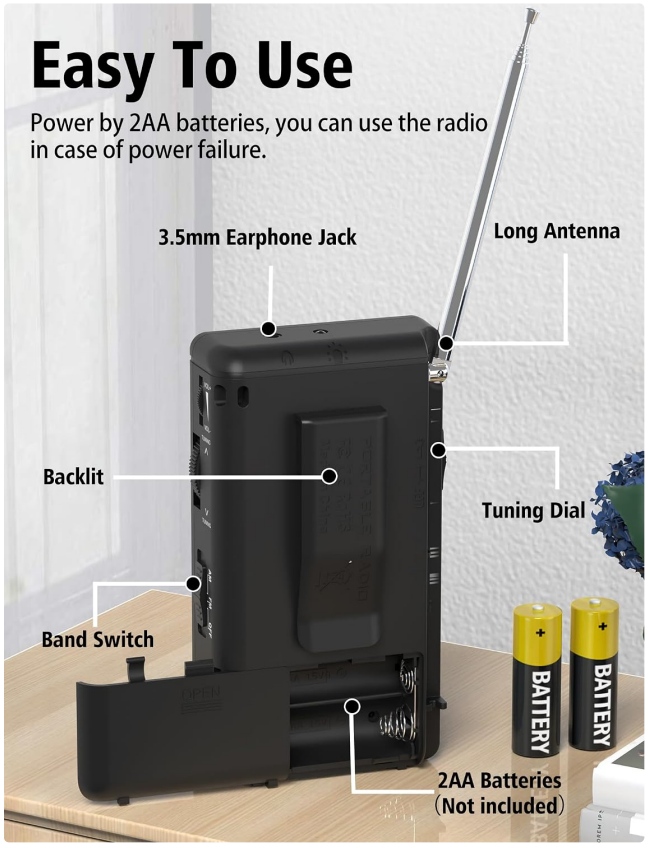

- **Integrated Flashlight:** A convenient light source for emergencies or low-light conditions.
- **Back Clip & Wrist Strap:** For easy portability and secure carrying.
- **Power Indicator Light:** Indicates power status and strong signal reception.
- **Tuning Dial:** Large, easy-to-use dial for precise station tuning.
- **Volume Control:** Rotary dial for adjusting audio loudness.
- **Band Switch:** Selects between AM, FM, and OFF modes.

Setup

1. Battery Installation

The Jazmm Portable AM/FM Radio operates on 2 AA batteries (not included).

1. Locate the battery compartment cover on the back of the radio.
2. Slide the cover downwards to open the compartment.
3. Insert 2 AA batteries, ensuring the correct positive (+) and negative (-) polarity as indicated inside the compartment.
4. Close the battery compartment cover by sliding it upwards until it clicks into place.

Insert 2 AA batteries into the designated compartment.

2. Antenna Extension

For optimal radio reception, fully extend the telescopic antenna.

Extend the 16.5-inch telescopic antenna for better signal.

Operating Instructions

1. Power On/Off and Band Selection

Locate the AM/FM/OFF switch on the side of the radio.

- Slide the switch to "AM" for Amplitude Modulation radio.
- Slide the switch to "FM" for Frequency Modulation radio.
- Slide the switch to "OFF" to turn off the radio.

This video demonstrates how to use the AM/FM/OFF switch and other basic functions of the radio.

2. Tuning to a Station

Use the large tuning knob on the side of the radio to find your desired station.

- Slowly rotate the tuning dial until you hear a clear broadcast.
- The "TUNE" indicator light will illuminate green when a strong, stable signal is received.

The tuning dial and signal indicator light for easy station finding.

3. Adjusting Volume

The volume control is a rotary dial located near the top of the radio.

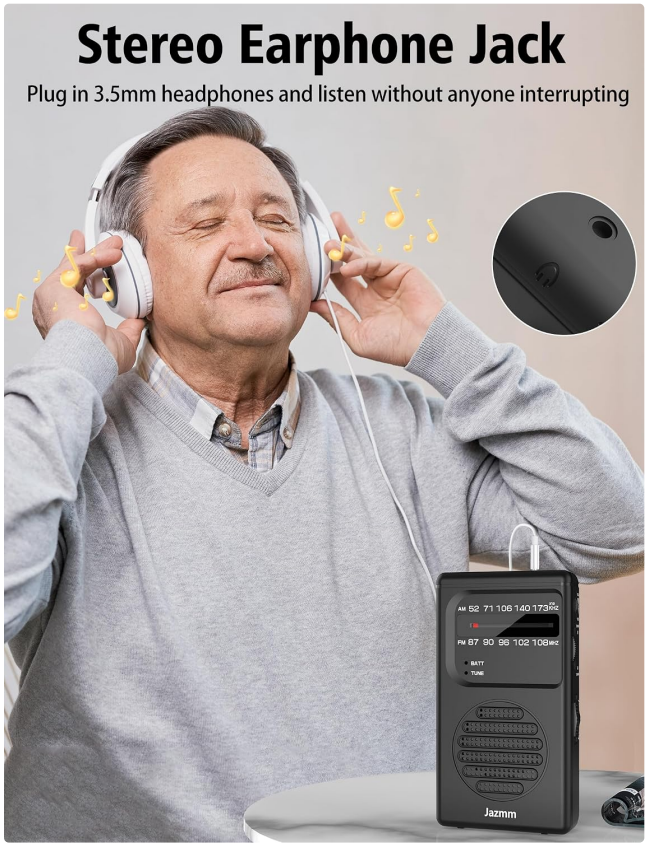

- Rotate the volume dial upwards to increase the volume.
- Rotate the volume dial downwards to decrease the volume.

The 3W large speaker provides clear and loud sound.

4. Using the Earphone Jack

For private listening, plug any standard 3.5mm headphones (not included) into the earphone jack located on the top of the radio.

Plug in 3.5mm headphones for private listening.

5. Activating the Flashlight

The integrated flashlight is located on the top edge of the radio.

- Locate the small switch or button for the flashlight, usually near the top of the radio.
- Slide or press the switch to turn the flashlight on.
- Slide or press it again to turn the flashlight off.

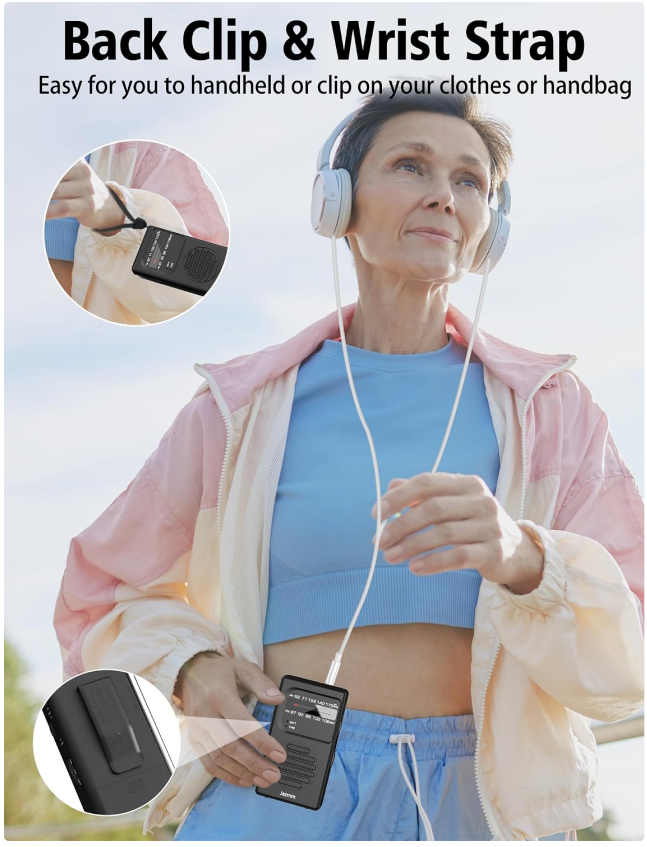

The flashlight helps illuminate your surroundings in the dark.

6. Using the Back Clip and Wrist Strap

The radio features a convenient back clip and a wrist strap for enhanced portability.

- Attach the back clip to your belt, pocket, or bag for hands-free carrying.
- Use the wrist strap to secure the radio to your wrist, preventing accidental drops.

The back clip and wrist strap offer convenient carrying options.

Maintenance

- Clean the radio with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.
- Keep the antenna clean and free from dust or debris to ensure optimal reception.
- Store the radio in a cool, dry place when not in use.

Troubleshooting

Problem	Possible Cause	Solution
No sound or very low volume.	Batteries are dead or inserted incorrectly. Volume is too low.	Replace batteries or check polarity. Increase volume using the volume dial.
Poor reception/static.	Antenna not fully extended. Weak signal in the area. Interference from other electronics.	Fully extend the telescopic antenna. Try moving to a different location. Move away from other electronic devices.
Flashlight not working.	Batteries are dead. Flashlight switch is off.	Replace batteries. Ensure the flashlight switch is in the "ON" position.
