Homeiju 4-Tier (B0DKT65H1K)

Homeiju 4-Tier Kitchen Storage Cart Instruction Manual

Model: 4-Tier (B0DKT65H1K)

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Ensure all parts are properly secured before use to prevent instability.
- Do not allow children to play on, with, or around the cart. This product is not a toy.
- Use caution when moving the cart, especially on uneven surfaces, to prevent tipping.
- Do not exceed the weight capacity of 10 pounds (approximately 4.5 kg) per shelf. Overloading can cause damage or injury.
- Place heavier items on lower shelves for better stability.
- Avoid placing hot items directly on the engineered wood shelves without protection.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact Homeiju customer support.

- Engineered Wood Shelves (4 pieces)
- Metal Frame Components
- Lockable Wheels (4 pieces, 2 with brakes)
- S-Hooks (6 pieces)
- Accessory Kit (screws, nuts, etc.)
- Allen Key
- Instruction Manual (this document)

PRODUCT DETAILS

Engineered Wood

Removable Hooks

4 Flexible Wheels

Convenient Handle

SETUP AND ASSEMBLY

The Homeiju 4-Tier Kitchen Storage Cart is designed for minimal assembly. Follow these steps to set up your cart:

- Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat, and soft surface to prevent scratches.
- Attach Wheels:** Insert the four wheels into the designated holes at the bottom of the metal frame. Ensure two of the wheels with brakes are positioned at the front for easy access. Tighten securely if applicable.
- Assemble Frame:** Connect the vertical metal frame components according to the provided diagram (if any in the physical manual). Use the included screws and Allen key to fasten them. Do not overtighten initially.
- Install Shelves:** Slide or place the engineered wood shelves onto the frame at the desired heights. Secure them using the provided hardware. Ensure shelves are level and stable.

5. **Attach S-Hooks:** Hang the six S-hooks onto the side rail of the cart for additional storage.
6. **Final Tightening:** Once all parts are in place, go back and securely tighten all screws and connections. Do not overtighten to avoid damaging the materials.
7. **Check Stability:** Gently shake the assembled cart to ensure it is stable. If there is any wobbling, recheck all connections.

OPERATING INSTRUCTIONS

The Homeiju 4-Tier Kitchen Storage Cart is designed for versatile use in various settings. Follow these guidelines for optimal operation:

- **Mobility:** To move the cart, release the brakes on the two lockable wheels. Push or pull the cart gently to its desired location.
- **Locking Wheels:** Once the cart is in position, engage the brakes on the two lockable wheels to secure it and

prevent unintended movement.

- **Storage:** Utilize the four shelves for organizing kitchen items, books, office supplies, or other household goods. The open design allows for easy access to stored items.
- **S-Hooks:** The six included S-hooks can be used to hang utensils, towels, or small accessories on the side rail.
- **Versatile Placement:** This cart is suitable for use in kitchens, living rooms, bedrooms, offices, or other small spaces requiring additional storage.

MAINTENANCE

Proper maintenance will ensure the longevity and continued functionality of your Homeiju storage cart.

- **Cleaning:** Wipe down the engineered wood shelves and metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood surface.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary, but do not overtighten.
- **Wheel Maintenance:** Keep the wheels free of debris to ensure smooth rolling. If wheels become stiff, clean them and apply a small amount of silicone lubricant if needed.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Cart is wobbly or unstable.	Loose screws or uneven assembly.	Ensure all screws are securely tightened. Check that the cart is on a level surface. Adjust items on shelves to distribute weight evenly.
Wheels do not roll smoothly.	Brakes engaged, debris in wheels, or wheels not properly installed.	Disengage wheel brakes. Clear any debris from the wheels. Verify wheels are fully inserted and secured.
Cart tips easily when moved.	Overloaded shelves or uneven weight distribution.	Do not exceed the maximum weight capacity of 10 pounds per shelf. Place heavier items on lower shelves. Move the cart slowly and carefully.

SPECIFICATIONS

Feature	Detail
Model Number	B0DKT65H1K
Product Dimensions (D x W x H)	14.96" x 11.81" x 45.27" (38cm x 30cm x 115cm)
Number of Shelves	4
