EGOHOME 8 Inch

EGOHOME Full Size Memory Foam Mattress

Model: 8 Inch Full

Brand: EGOHOME

INTRODUCTION

Welcome to the EGOHOME Full Size Memory Foam Mattress user manual. This mattress is designed to provide balanced support and pressure relief for a comfortable night's sleep. Infused with cooling green tea gel, it promotes breathability and temperature regulation. Crafted with CertiPUR-US certified materials, it ensures a safe and healthy sleeping environment.

SETUP GUIDE

Your EGOHOME mattress is conveniently shipped in a box, compressed and rolled for easy transport. Follow these steps for proper setup:

1. **Unbox the Mattress:** Carefully remove the mattress from its shipping box. Place the rolled mattress on your bed frame or a flat, clean surface where you intend to use it.
2. **Unroll and Position:** Gently unroll the compressed mattress. Ensure it is properly aligned with your bed frame.
3. **Allow to Expand:** Once unrolled, the mattress will begin to expand. Allow at least 24-72 hours for the mattress to fully decompress and reach its intended size and firmness. Ventilation in the room can aid this process.
4. **Enjoy:** After full expansion, your new EGOHOME mattress is ready for use.

RELIABLE AND COMFORTABLE MEMORY FOAM MATTRESS

Keep optimum softness and firmness throughout the year

KEY FEATURES

- **Pressure Relief Memory Foam:** Patented premium memory foam provides balanced support, absorbing and distributing body pressure to alleviate muscle tension and minimize joint stress.
- **Optimal Support for All Sleep Positions:** High degree of conformity to body curves, adapting to sleeping posture to fill gaps and promote smooth blood circulation. Reduces noise from movement for deeper sleep.
- **Refreshing Cool Sensation:** Special bubble hole structure ensures breathable airflow. Infused with pure natural green tea gel to regulate body temperature and maintain coolness.
- **Stable and Reliable Quality:** Memory foam's stable molecular structure ensures minimal firmness variation across different temperatures and humidities, maintaining optimal softness and firmness year-round.
- **Certified Safe Materials:** Fiberglass-free, crafted in the USA with US-poured foam and internationally sourced materials, adhering to CertiPUR-US and Oeko-Tex Standard 100 certifications.

USAGE GUIDELINES

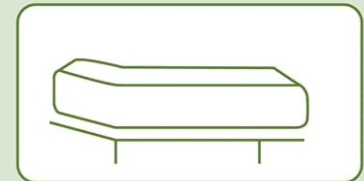

To ensure the longevity and performance of your EGOHOME mattress, consider the following:

- **Compatible Bed Bases:** This mattress is compatible with various bed bases including slatted bases, platform beds, adjustable bed bases, and can even be used directly on the floor. Ensure your chosen base provides adequate support.
- **Rotation:** To promote even wear and extend the life of your mattress, rotate it 180 degrees every 3-6 months.
- **Ventilation:** Periodically air out your mattress by removing bedding to allow for fresh airflow, especially if you notice any initial new product scent.

CARE AND MAINTENANCE

Proper care will help maintain the quality and comfort of your mattress:

- **Spot Cleaning:** For minor spills, gently blot the area with a clean cloth and mild soap. Avoid saturating the mattress.
- **Protective Cover:** Consider using a mattress protector to shield against spills, stains, and allergens.
- **Cover Care:** The mattress features a removable Jacquard Fabric Cover. Unzip and remove the cover for washing as needed. Follow the care instructions on the label for best results.

TROUBLESHOOTING

If you encounter any issues with your mattress, refer to the following common solutions:

- **Initial Odor:** A new mattress may have a slight "new foam" scent upon unboxing. This is normal and harmless. Allow the mattress to air out in a well-ventilated room for 24-72 hours.
- **Incomplete Expansion:** If the mattress does not fully expand within 72 hours, ensure it is on a flat surface and the room temperature is moderate. Cooler temperatures can slow expansion.
- **Firmness Perception:** Mattress firmness is subjective. The EGOHOME mattress is designed for medium-firm support. Allow a few nights for your body to adjust to the new mattress.
