BORDEAG RT001

BORDEAG Oil Collection Mat User Manual

Model: RT001

Product Overview

The BORDEAG Oil Collection Mat is a durable and effective solution designed to protect garage and workshop floors from oil spills, stains, and dirt. Made from high-quality polyester with an anti-slip backing, this mat ensures a clean and safe working environment. Its versatile design allows it to be cut to size, making it suitable for various applications including cars, motorcycles, golf carts, and workbenches.

Key Features

- **Effective Oil Spill Solution:** Reliably blocks oil spills and leaks, ensuring a clean environment and protecting floors from stubborn stains.
- **Reinforced Floor Protection:** Features an anti-slip backing to prevent movement and provide secure placement, effectively protecting garage floors from oil contamination and extending floor lifespan.
- **Individually Cuttable:** Can be easily cut to any desired size, allowing for a perfect fit in your garage, car, or motorcycle area.
- **Easy to Clean:** Oil stains can be rinsed off effortlessly with water, without the need for harsh detergents, simplifying garage floor care.
- **Versatile Application:** Offers universal protection for cars, motorcycles, golf carts, or even trash cans. Ideal for workshops and lawn care areas.

Setup and Placement

The BORDEAG Oil Collection Mat is designed for straightforward setup. Follow these steps for optimal placement:

1. **Unroll the Mat:** Carefully unroll the mat in your desired location. Allow it to flatten completely.
2. **Prepare the Surface:** Ensure the floor surface where the mat will be placed is clean and dry to maximize the effectiveness of the anti-slip backing.
3. **Positioning:** Place the mat directly under the area where oil spills or drips are anticipated, such as under a vehicle's engine, a workbench, or a motorcycle.
4. **Custom Sizing (Optional):** If the standard size (91 x 152 cm) is not suitable, the mat can be cut to a custom size using sharp scissors or a utility knife. Measure carefully before cutting.

Operating (Usage)

Once properly placed, the BORDEAG Oil Collection Mat functions passively to absorb and contain liquids. No active operation is required.

- **Spill Containment:** The mat's absorbent material will soak up oil, grease, and other liquids, preventing them from spreading and staining your floor.
- **Floor Protection:** Use the mat as a protective barrier during maintenance tasks, oil changes, or when storing vehicles or machinery that may leak fluids.
- **Versatility:** The mat is suitable for various environments, including home garages, professional workshops, and industrial settings.

Maintenance and Cleaning

Maintaining your BORDEAG Oil Collection Mat is simple and helps prolong its lifespan and effectiveness.

- **Regular Cleaning:** For light spills or general dirt, simply rinse the mat with water.
- **Deep Cleaning:** For heavier oil stains, the mat can be hosed down with water. The stains will typically rinse off easily without the need for harsh detergents.
- **Drying:** Allow the mat to air dry completely before placing it back on the floor or storing it.
- **Storage:** When not in use, roll up the mat and store it in a dry place.

Troubleshooting

If you encounter any issues with your BORDEAG Oil Collection Mat, refer to the following common troubleshooting tips:

- **Mat is Slipping:**
  - Ensure the floor surface is clean and dry before placing the mat.
  - Verify the anti-slip backing is in direct contact with the floor.
  - Avoid placing the mat on extremely wet or oily surfaces, as this can reduce grip.
- **Stains Not Rinsing Off:**
  - While most oil stains rinse easily, some stubborn or dried stains may require a gentle scrub with a brush and water.
  - Avoid using harsh chemicals or abrasive cleaners, as they may damage the mat material.

- **Mat Not Lying Flat:**
    - Upon initial unrolling, the mat may have some creases. Allow it time to flatten out, especially in a warm environment.
    - You can place heavy, flat objects on the corners for a few hours to help it flatten faster.

Specifications

Product Name	Oil Collection Mat
Brand	BORDEAG
Model Number	RT001 (GL-HJ-JIYOUDIAN)
Material	Polyester
Dimensions	91 x 152 cm (approximately 36 x 60 inches)
Color	Black
Item Weight	710 g
