# Homelist LH1 Superlight 77" Floor Lamp Instruction Manual

Model: LH1-100W | Brand: Homelist

## INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Homelist LH1 Superlight 77" Floor Lamp. Designed with full-spectrum LED technology, this lamp offers eye-care lighting suitable for various environments, including reading, office work, and general room illumination. Please read this manual thoroughly before use to ensure proper functionality and safety.

*The Homelist LH1 Superlight 77" Floor Lamp provides bright, natural light for various settings.*

## PRODUCT OVERVIEW

The Homelist LH1 Floor Lamp is engineered to deliver high-quality, eye-protective illumination. Key features include:

- **Eye-Protection:** Utilizes high-quality LED light sources to provide evenly distributed natural light, simulating daylight. It is designed to be stroboscopic-free and low in blue light emission (RG0 risk rating), reducing eye irritation and fatigue.
- **Super Bright Illumination:** With a lumen value of 9000LM, the lamp provides powerful light output, reflecting from the ceiling for uniform overall room illumination.
- **Full-Spectrum LED:** Features 4000K full-spectrum LEDs, offering natural light similar to 10:00 GMT daylight, enhancing color rendering (CRI Ra≥98).
- **Dimmable Functionality:** Equipped with a user-friendly knob switch for smooth and convenient brightness adjustment.
- **Durable Construction:** Made from aluminum alloy and high-strength steel with a stable base to prevent tipping.

- **Long Lifespan:** LED light source has a lifespan of up to 40,000 hours.

## WHAT'S IN THE Box

Please ensure all components are present before proceeding with assembly:

- Lamp Head Body x1
- Lamp Pole x2
- Base x1
- Power Adapter x1
- T-Type Hexagonal Spanner x1
- Screw x12 (various types for different connections)
- Gloves x1 pair
- User Manual x1

# WHAT YOU WILL GET ?

Lamp Head Body x1

Lamp Pole x2

Base x1

Power Adapter x1

T-Type Hexagonal Spanner x1

Umbrella Head Hexagon Socket

Screw x6;

Countersunk Hexagon Socket

Screw x4

Head Hexagon Socket Screw x2

User Manual x2

Gloves x2

*All components included in the Homelist LH1 Floor Lamp package.*

## SETUP & ASSEMBLY

Follow these steps to assemble your Homelist LH1 Floor Lamp:

- 1. Attach Lower Lamp Pole to Base:** Insert the lower lamp pole into the base. Align the holes and secure it with the provided cylindrical head hexagon socket screws using the spanner.
- 2. Connect Upper and Lower Lamp Poles:** Thread the wire from the upper section of the lamp pole through the lower section. Align and connect the two sections, securing them with countersunk hexagon socket screws.
- 3. Connect Lamp Head to Lamp Pole:** Connect the terminal on the wire to the lamp head. Do not push the wires towards the rotary switch inside the lamp pole. Secure the lamp head to the lamp pole using umbrella head hexagon socket screws.
- 4. Power Connection:** Insert the DC power connector into the DC socket behind the lamp pole. Then, insert the power plug into a suitable wall socket to turn on the light.

## OPERATING INSTRUCTIONS

The Homelist LH1 Floor Lamp features a simple knob switch for control:

- **Power On/Off:** Press the knob switch to turn the lamp on or off.
- **Brightness Adjustment:** Rotate the knob clockwise to increase brightness and counter-clockwise to decrease brightness. The stepless dimming allows for precise control over the light intensity.

# 4000K Natural Light & Knob Switch Dimmable Brightness

*The intuitive knob switch allows for easy control of the lamp's brightness.*

## MAINTENANCE

To ensure the longevity and optimal performance of your Homelist LH1 Floor Lamp, follow these maintenance guidelines:

- **Cleaning:** Disconnect the power before cleaning. Use a soft, dry cloth to wipe the lamp. Avoid abrasive cleaners or solvents that may damage the finish.
- **Bulb Replacement:** The LED light source is integrated and not user-replaceable. With a lifespan of 40,000 hours, regular replacement is not anticipated.
- **General Care:** Avoid placing the lamp in areas of high humidity or extreme temperatures. Ensure the lamp is not exposed to direct water or excessive dust.

## TROUBLESHOOTING

If you encounter any issues with your Homelist LH1 Floor Lamp, refer to the following common solutions:

- **Lamp Not Turning On:**

- Ensure the power cord is securely plugged into both the lamp and the wall outlet.
- Verify that the wall outlet is functional by testing it with another device.
- Check if the knob switch is pressed to turn on the lamp.

- **Light Flickering or Dimming Unexpectedly:**

- Ensure the power adapter is correctly connected.
- Adjust the brightness using the knob switch to see if the issue resolves.

- **Unusual Noise or Smell:**

- Immediately disconnect the power.
- Contact customer support for assistance.

If the problem persists after attempting these solutions, please contact Homelist customer support for further assistance.

## SPECIFICATIONS

Specification	Value
