### Important Safety Information:

- Do not load more than 1000 lbs on the bed frame.
- Exercise caution around sharp edges during assembly and use.
- Ensure all components are securely fastened before use.

## 2. Product Features

The Jocisland Queen Bed Frame is designed with several features to enhance comfort and convenience:

- **60" Tall Wingback Headboard:** Provides excellent neck and back support with 6" thick wingbacks, serving as a striking centerpiece.
- **Corduroy Upholstery:** Luxurious corduroy fabric with a soft touch for ultimate comfort and a refined aesthetic.
- **RGB LED Lights:** Integrated LED strip with adjustable colors, brightness, and modes (Mic Mode, Music Mode, Timing Function) for personalized ambiance.

- **Built-in Charging Station:** Conveniently located on the headboard, featuring one 5V/2A USB-A port and one 5V/2A Type-C port to charge up to two devices simultaneously.
- **Stable & Silent Sleep:** Reinforced with wooden slats and metal support legs, offering 1000-lb stability. EVA strips prevent noise and mattress slipping.
- **No Box Spring Needed:** Designed for direct mattress placement on sturdy slats.

#### 4. Setup & Assembly

Assembly of the Jocisland bed frame is designed to be straightforward. All parts are labeled, and a step-by-step instruction manual is included in the packaging. It is recommended to assemble with two people.

**Key Assembly Points:**

- **Unpack Carefully:** Lay out all components and verify against the parts list provided in the included manual.

- **Slats System:** The bed frame features durable wooden slats and metal supports. These slats are designed for easy setup with unique adhesive Velcro strips and include EVA strips to prevent noise and slipping. No box spring is required; simply place your mattress directly on the slats.
- **Headboard Attachment:** Follow the instructions to securely attach the tall wingback headboard.
- **Charging Station & LED Lights:** Integrate the charging station and LED light strip as per the manual's guidance.

## 5. Operating Instructions

### LED Lights:

The integrated RGB LED lights are controlled via a remote. Use the remote to:

- **Adjust Colors:** Select from multiple color options to set your desired mood.
- **Control Brightness:** Increase or decrease the light intensity.
- **Change Modes:** Cycle through various modes such as Mic Mode (lights react to sound), Music Mode (lights sync with music), and Timing Function.

### Charging Station:

The headboard includes a built-in charging station. Simply plug your devices into the available 5V/2A USB-A port or 5V/2A Type-C port to charge them conveniently while relaxing in bed.

## 6. Maintenance & Care

- **Cleaning:** Wipe the upholstered surfaces with a damp cloth to remove dust and light stains. Avoid harsh chemicals that may damage the fabric.
- **General Care:** Regularly check all screws and connections to ensure they remain tight. Avoid placing heavy or sharp objects on the headboard or frame that could cause damage.

## 7. Troubleshooting

- **LED Lights Not Working:** Check the power connection to the LED strip and ensure the remote control batteries are functional.
- **Charging Station Not Functioning:** Verify the power connection to the bed frame and ensure your device's charging cable is properly inserted.
- **Squeaking Noises:** Tighten all assembly screws. Ensure the mattress is properly seated on the slats and that the EVA strips are correctly positioned.
- **Assembly Difficulties:** Refer to the detailed step-by-step instructions provided in the packaging. If issues persist, contact customer support.

## 8. Warranty & Support

For warranty information or further assistance, please refer to the documentation included with your product or contact Jocisland customer support. Customer support is available to assist with any questions or concerns regarding your bed frame.
