GTRACING DL004

GTRACING Gaming Desk User Manual

Model: DL004

1. PRODUCT OVERVIEW

The GTRACING L-shaped gaming desk (Model DL004) is designed for home office and gaming setups, offering a spacious carbon fiber style surface with integrated storage. Key features include two drawers, rounded corners for safety, a small monitor stand, and wire organizer grommets. It is also compatible with monitor arms.

2. SAFETY INFORMATION

To ensure your and others' safety, please read and follow all instructions in this user manual carefully and thoroughly before and during use.

- Close supervision is necessary when this furnishing is used by, or near children, invalids, or disabled persons.
- Use this furnishing only for its intended use as described in these instructions. Do not use attachments not recommended by the manufacturer.
- Installation and assembly must be performed by an adult.
- Ensure that the floor is able to withstand the weight of the console when fully loaded.
- To reduce risk of personal injury and product damage, always ensure a sufficient amount of personnel are present when unpacking, moving and assembling the desk system.
- Do not leave children alone to climb or play in or around this product at all times.
- Use this product for its intended purpose only. Do not use side boards as a step ladder.
- To avoid damage, assemble the product on a sturdy, level and protective surface.
- Two or more persons work together to install this product if needed.
- Make sure all screws are tightly fastened before the product is used.
- Check screws periodically and tighten them if necessary.

3. SETUP AND ASSEMBLY

Carefully unpack all components and verify against the parts list provided in your assembly instructions. Assembly requires two or more persons for safety and ease of installation.

3.1 Unpacking and Component Check

Figure 2: All components laid out for assembly.

Ensure all parts are present and undamaged before beginning assembly. Refer to the included manual for a detailed parts list.

3.2 Assembly Steps

Follow the step-by-step instructions provided in the included assembly manual. Ensure all connections are secure and stable.

Figure 3: Initial assembly of the desk frame.

This image illustrates the initial steps of connecting the frame components. Pay attention to the orientation of parts as indicated in the manual.

ROUNDED CORNER DESIGN YOUR DESK MORE FANCY

4. OPERATING INSTRUCTIONS

The GTRACING Gaming Desk is designed for optimal functionality and comfort in your gaming or home office setup. Utilize its features to enhance your workspace.

4.1 Workspace Utilization

The L-shaped design provides ample surface area for multiple monitors, keyboards, and other peripherals. The carbon fiber style surface is durable and aesthetically pleasing.

Figure 6: Desk dimensions and layout.

This image provides key dimensions of the desk, helping users plan their workspace and understand the available surface area.

4.2 Storage and Organization

- **Drawers:** The desk features two top drawers for convenient storage of office supplies, gaming accessories, or personal items. The design ensures usable space without a bottom drawer.
- **Monitor Stand:** A small monitor stand is included to help maintain good posture and protect your lower back by elevating your screen.
- **Wire Organizer Grommet:** Utilize the integrated wire grommet to manage cables and keep your workspace tidy.
- **Anti-Fall Panel:** The L-shaped computer desk includes a panel to prevent items from falling, enhancing safety, especially for fragile objects.

Safety Anti-fall Board

▶▶ Relieving worry about falling ◀◀

No anti-fall board

Easy to falling off

Semi enclosed anti-fall board

Mul anti-fall board design, not easy to topple.

Fully enclosed anti-fall board

Feel the pressure of space

This image highlights the desk's drawers, shelves, and cable management features, demonstrating how they contribute to an organized workspace.

5. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your GTRACING Gaming Desk.

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the carbon fiber style finish.
- **Screw Tightness:** Periodically check all screws and fasteners to ensure they are tightly secured. Re-tighten if necessary to maintain stability and prevent wobbling.
- **Weight Distribution:** Distribute weight evenly across the desk surface. The PC gaming desk top can hold up to 80kg (176 lbs). Avoid placing excessive weight on any single point.
- **Environmental Conditions:** Keep the desk in a dry environment and avoid prolonged exposure to direct sunlight or extreme temperatures, which can affect the material integrity.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your GTRACING Gaming Desk.

Problem	Possible Cause	Solution
Desk wobbles or is unstable.	Loose screws or uneven floor.	Ensure all screws are tightened. Use the adjustable spiral leg pads to balance the desk on uneven surfaces.
Drawers do not slide smoothly.	Obstruction in the drawer slides or improper installation.	Check for any objects blocking the slides. Re-check the drawer assembly steps in the manual to ensure correct installation.
Parts do not fit during assembly.	Incorrect orientation of parts or manufacturing defect.	Refer to the assembly instructions carefully, paying attention to part numbers and orientation. If parts are damaged or defective, contact customer support.
