TOZO S5

TOZO AMOLED S5 Smart Watch User Manual

Model: S5

1. Setup

1.1 What's in the Box

Your TOZO S5 Smart Watch package includes the following items:

- TOZO S5 Smart Watch
- Magnetic Charging Cable
- Quick Guide & User Manual

1.2 Initial Charging

Before first use, fully charge your TOZO S5 Smart Watch using the provided magnetic charging cable. Align the magnetic pins of the cable with the charging contacts on the back of the watch. The watch display will indicate charging status.

1.3 App Installation and Pairing

To unlock the full potential of your TOZO S5 Smart Watch, download the "TOZO Wear" app from your smartphone's app store (compatible with iOS and Android). Follow the in-app instructions to pair your watch via Bluetooth. This enables features like call answering, message notifications, and detailed health data tracking.

1.4 Band Attachment

If your watch band is not pre-attached, follow these steps to secure it:

To attach the band, press the quick-release lever inward, slide one end of the band into the watch's lug, then slide the other end into place while keeping the lever pressed. Release the lever once both ends of the pin are inserted securely.

1.5 Band Adjustment

To ensure a comfortable and accurate fit, you may need to adjust the length of your stainless steel band. The watch comes with an auxiliary tool for this purpose.

Video: A detailed guide on how to disassemble and assemble the stainless steel band of the TOZO S5 Smart Watch. This video demonstrates the use of the auxiliary tool to remove or add links for proper sizing.

Retrieve the auxiliary tool from the accessory box. Place the strap on the tool, paying attention to the arrows indicating the pin direction. Align the tip of the tool with the small hole on the side of the strap and gently push the pin out. Remove or add segments as needed, then reinsert the pin and press it flush to secure the band.

2. Operating

2.1 Display and Navigation

The TOZO S5 features a vibrant 1.43-inch HD AMOLED touch screen with a resolution of 466x466 pixels (326 PPI). Swipe across the screen to navigate through menus and features. The watch supports various dynamic watch faces for personalization.

3. Maintenance

3.1 Cleaning and Care

Regularly clean your TOZO S5 Smart Watch and its band to maintain performance and appearance. Use a soft, dry cloth to wipe the screen and watch body. For the band, follow specific cleaning instructions based on its material (stainless steel or silicone).

3.2 Battery Management

The TOZO S5 is equipped with a 300mAh battery, providing approximately 7-10 days of continuous usage on default settings. Standby time can extend up to 30 days. A full charge typically takes 2 hours. To prolong battery life, avoid extreme temperatures and excessive screen brightness.

4. Troubleshooting

4.1 Common Issues and Solutions

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the magnetic charging cable and wait a few minutes.
- **Cannot pair with smartphone:** Make sure Bluetooth is enabled on your phone and the watch. Ensure both devices are within range. Restart both the watch and the phone, then try pairing again through the "TOZO Wear" app.
- **Inaccurate health readings:** Ensure the watch is worn snugly on your wrist, but not too tight. Clean the sensors on the back of the watch. Avoid excessive movement during measurements.
- **Notifications not appearing:** Check notification settings in the "TOZO Wear" app and your phone's system settings to ensure permissions are granted.
- **Short battery life:** Reduce screen brightness, disable unnecessary notifications, and limit continuous health monitoring if not required.
