ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your desk. It is recommended to have two people for certain steps.

Step 1: Assemble Desktop Panels

Lay out the main desktop panel (1) and two side desktop panels (2) face down on a soft, clean surface. Ensure the edges align properly.

Step 2: Attach Short Metal Tubes

Position the short metal tubes (4) along the edges of the assembled desktop panels.

Secure the short metal tubes (4) to the desktop panels using M6*10mm bolts (F) and the Allen key (B). Ensure all 32 bolts are tightened.

Step 3: Attach Angle Iron Brackets

Place the angle iron brackets (6) along the inner edges of the desktop panels, ensuring the holes face inwards.

Fasten the angle iron brackets (6) to the desktop panels using M6*40mm bolts (C) and the Allen key (B). Do not fully tighten all bolts at this step.

Step 4: Install X-Shaped Leg Frames

Attach the two X-shaped leg frames (3) to the desktop assembly. The leg frames have a distinct design; ensure the double-patterned side faces the front of the desk.

Secure the leg frames to the desktop using M6*40mm bolts (C) and the Allen key (B). Fully tighten all bolts for the leg frames.

Step 5: Attach Long Metal Tubes

Connect the long metal tubes (5) between the two X-shaped leg frames (3) using M6*70mm bolts (E) and the Allen key (B).

Ensure all connections are secure.

Step 6: Install Leveling Feet and Plugs

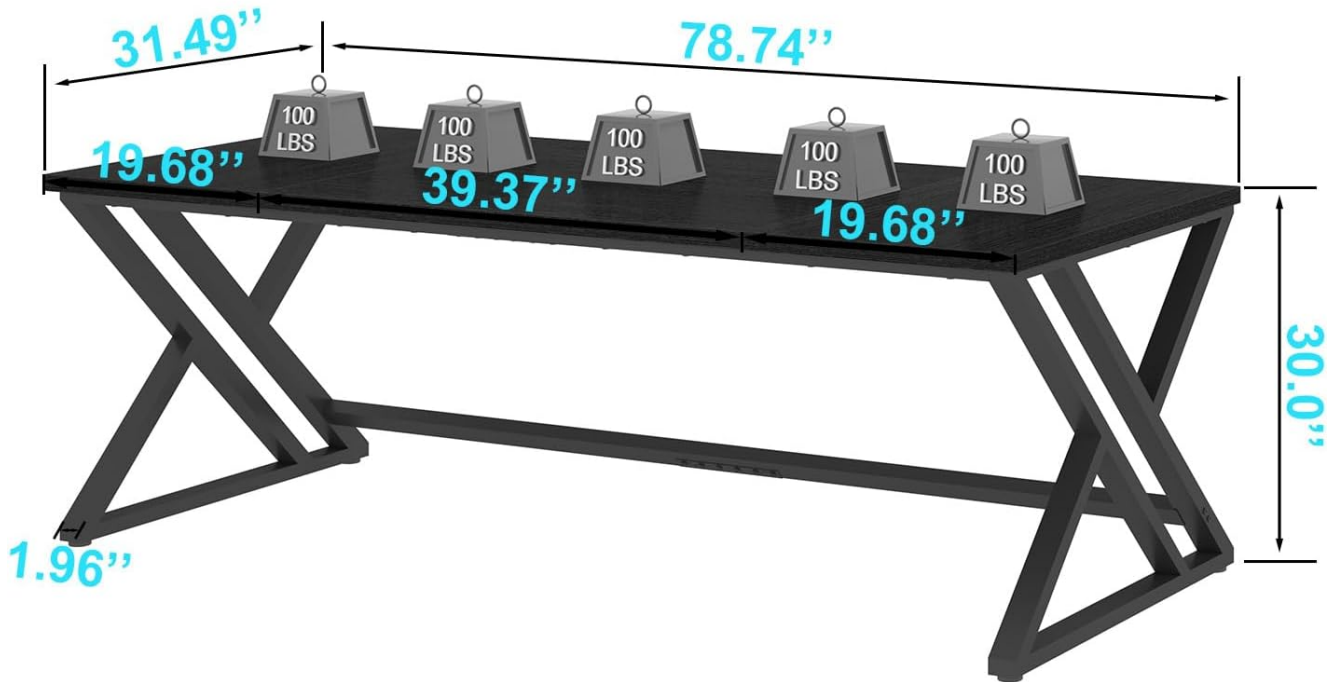

Insert the leveling feet (D) into the bottom of the leg frames. Adjust the leveling feet as needed to ensure the desk is stable and level on uneven floors.

Insert the plastic plugs (G) into any remaining open holes on the metal tubes for a finished appearance. These are

optional.

OPERATING INSTRUCTIONS

Your LVB 78.7 Inch Black Oak Computer Desk is designed for immediate use upon successful assembly.

- **Surface Use:** The expansive desktop provides ample space for multiple monitors, laptops, keyboards, and other office or gaming equipment.
- **Weight Distribution:** Distribute weight evenly across the desktop to maintain stability and prevent stress on any single point.
- **Adjustable Feet:** If your floor is uneven, rotate the leveling feet (D) at the bottom of the leg frames to stabilize the desk and eliminate wobbling.
- **Legroom:** The open design beneath the desk provides generous legroom, allowing for comfortable seating and movement.

MAINTENANCE

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood finish.
- **Heat Protection:** Use coasters or heat-resistant pads under hot items to protect the desktop surface.
- **Regular Checks:** Periodically inspect all bolts and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration of the desktop finish.

TROUBLESHOOTING

Desk is Wobbly

- Check that all assembly bolts (A, C, E, F) are securely tightened.
- Adjust the leveling feet (D) on the bottom of each leg until the desk is stable on your floor.

Parts Missing or Damaged

- Refer to the "Package Contents" section to verify all parts.
- Contact LVB customer support for assistance with replacement parts.

Difficulty Assembling

- Review the "Assembly Instructions" carefully, paying close attention to the diagrams.
- Ensure that components are oriented correctly (e.g., angle iron holes facing inwards, leg frame double-patterned side facing front).
- Do not fully tighten all bolts until instructed, as this allows for minor adjustments during assembly.
