# Monster Achieve 300 AirLinks Wireless Earbuds User Manual

Model: MH12005

Brand: Monster

## INTRODUCTION

---

Welcome to the user manual for your Monster Achieve 300 AirLinks Wireless Earbuds. These earbuds are designed to provide a superior audio experience with advanced features for daily use, sports, and calls. Featuring Pure Monster Sound, Bluetooth 5.3 connectivity, touch controls, and a water-resistant design, they offer comfort and convenience for extended listening.

## PACKAGE CONTENTS

---

Please check the box for the following items:

- Monster Achieve 300 AirLinks Wireless Earbuds (Left and Right)
- Charging Case
- USB-C Charging Cable
- User Manual
- Three pairs of soft rubber ear tips (Small, Medium, Large - Medium size pre-installed)

## SETUP

---

### 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. The charging case provides extended battery life for your earbuds.

- Connect the provided USB-C cable to the charging port on the case and to a power source.

- The indicator lights on the charging case will show the charging status.
- A 10-minute quick charge provides up to 120 minutes of playback.
- The earbuds offer up to 32 hours of total play time with the charging case.

Video: This video demonstrates the features and usage of the Monster Achieve 300 AirLinks Wireless Earbuds, including pairing, touch controls, sound quality, and water resistance.

## 2. Pairing with Your Device

The earbuds feature one-step pairing for quick and easy connection.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "Monster Achieve 300 AirLinks" in the list of available Bluetooth devices.
4. Select the earbuds to connect. Once connected, you will hear an audible confirmation.

# MORE FEATURES

**Bluetooth 5.3 for  
Stable Transmission**

**IPX6  
Water Resistance**

**One Step Pairing**

**One-key Reset**

## OPERATING INSTRUCTIONS

---

### Touch Controls

The multi-function touch control allows for easy management of music and calls. Specific gestures may vary slightly, but common functions include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Volume Up:** Triple tap on the right earbud.
- **Volume Down:** Triple tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold on either earbud during an incoming call.

- **Activate Voice Assistant:** Press and hold for 2 seconds on either earbud (e.g., Siri, Google Assistant).

## Making and Receiving Calls

The Monster Achieve 300 AirLinks are equipped with built-in dual microphones for clear calls, enhanced by ENC (Environmental Noise Cancellation) technology.

- Ensure earbuds are connected to your phone.
- To answer an incoming call, single tap either earbud.
- To end a call, single tap either earbud.
- To reject a call, press and hold either earbud.

## Listening to Music

Experience Pure Monster Sound with deep bass and a wider soundstage, ensuring excellent accuracy and clarity across the entire frequency range.

- Once paired, open your preferred music application on your device.
- Use the touch controls on the earbuds or your device to manage playback.
- The ergonomic design ensures a comfortable and secure fit, ideal for extended listening sessions.

## MAINTENANCE

---

To ensure the longevity and optimal performance of your Monster Achieve 300 AirLinks earbuds:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** The earbuds are IPX6 water-resistant, meaning they can withstand powerful water jets. This makes them ideal for sports and outdoor activities, protecting against sweat and rain. However, they are not designed for submersion in water. Ensure they are dry before placing them back in the charging case.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Temperature:** Avoid exposing the earbuds to extreme temperatures (hot or cold) or high humidity.

## TROUBLESHOOTING

---

If you encounter issues with your earbuds, try the following solutions:

| Problem                  | Solution                                                                                                                                                                                                                                                                                                                                               |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Earbuds not pairing      | Ensure earbuds are charged.<br>Place earbuds back in the case, close, then reopen to re-enter pairing mode.<br>Turn off and on Bluetooth on your device.<br>Forget "Monster Achieve 300 AirLinks" from your device's Bluetooth list and try pairing again.<br>Perform a one-key reset (refer to the graphic in the Setup section for visual guidance). |
| No sound from one earbud | Ensure both earbuds are charged.<br>Place both earbuds back in the case, close, then reopen.<br>Try re-pairing the earbuds.                                                                                                                                                                                                                            |
| Earbuds not charging     | Check if the USB-C cable is properly connected.<br>Try a different USB-C cable or power adapter.<br>Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.                                                                                                                                                      |
| Poor call quality        | Ensure earbuds are properly seated in your ears.<br>Check for strong Bluetooth signal (stay close to your device).<br>Clean the microphone openings.                                                                                                                                                                                                   |
