VEILZOR KG812D

VEILZOR Ergonomic Backlit Keyboard User Manual

Model: KG812D

INTRODUCTION

This manual provides detailed instructions for the VEILZOR Ergonomic Backlit Keyboard, Model KG812D. This keyboard is designed to enhance typing comfort and efficiency with its wave-shaped key layout and integrated wrist rest. It features customizable backlighting and broad compatibility with various operating systems.

Figure 1: Overview of the VEILZOR Ergonomic Backlit Keyboard, showcasing its wave-shaped design, integrated wrist rest, and vibrant RGB backlighting.

PRODUCT FEATURES

- **Ergonomic Wave Design:** Features a wave-shaped key layout that aligns with natural hand positions, reducing strain during extended use. UV-coated keycaps enhance durability.
- **Integrated Wrist Rest:** A comfortable leather wrist rest provides essential support, minimizing wrist fatigue.
- **Customizable RGB Backlighting:** Offers 7 distinct colors and 4 brightness levels, allowing users to personalize their typing environment.
- **Built-in Device Holder:** A convenient groove accommodates phones, tablets, or other devices, aiding in multitasking.
- **Wired USB-A Connection:** Ensures a stable and lag-free connection with a 5.2 ft braided cable, eliminating battery concerns.
- **Multifunctional Keys & Dual System Compatibility:** Supports FN key combinations and multimedia shortcuts. Seamlessly switches between Windows and Mac operating systems.

WAVE ERGONOMIC KEYBOARD

Keep your fingers comfortable and natural

Figure 2: The keyboard's wave ergonomic design, shown with a tablet positioned in the integrated holder, illustrating how it keeps fingers comfortable and natural.

COMFORTABLE WRIST REST

Relieves pressure on the wrist

Figure 3: Detailed view of the wrist rest construction, highlighting its comfort leather surface, high-density foam support, and strong plastic base, designed to relieve pressure on the wrist.

SETUP

- Unpack the Keyboard:** Carefully remove the keyboard from its packaging.
- Connect to Computer:** Locate the USB-A connector at the end of the keyboard's braided cable. Insert the USB-A connector into an available USB port on your computer (PC or Mac).
- System Recognition:** The keyboard is plug-and-play and should be automatically recognized by your operating system. No additional drivers are typically required.
- Initial Backlight Check:** Upon connection, the backlight should illuminate. If not, refer to the "Operating Instructions" section for backlight control.

Figure 4: The keyboard's dimensions and its 5.2ft USB wired connection, illustrating its compact yet full-sized design for easy setup.

OPERATING INSTRUCTIONS

Backlight Control

- **Turn Backlight On/Off:** Press **FN + Del** to toggle the backlight on or off.
- **Change Backlight Mode:** Press **FN + M1/M2/M3** to cycle through the 3 available light modes:
 - M1: RGB Rainbow Wave Effect
 - M2: Solid Color Static Backlit
 - M3: Cycle Ripple Backlit
- **Adjust Brightness:** Press **FN + ↑** to increase brightness or **FN + ↓** to decrease brightness. There are 4 levels of lighting.

Multimedia and Function Keys

The keyboard includes 4 independent multimedia keys and 12 FN combination keys for enhanced functionality. Refer to the table below for common multimedia functions:

Multimedia Functions (FN Combinations)

Function	Windows Key Combination	Mac Key Combination
Screen brightness decrease	FN + F1	FN + F1
Screen brightness increase	FN + F2	FN + F2
Convert Window	FN + F3	FN + F3
Search	FN + F4	FN + F4

Function	Windows Key Combination	Mac Key Combination
Microphone	FN + F5	FN + F5 (Exhale Siri)
Close program	FN + F6	FN + F6 (Exit program)
My computer	FN + F7	FN + F7
Lock screen	FN + F8	FN + F8 (Lock screen)
Select All	FN + F9	FN + F9 (Select All)
Copy	FN + F10	FN + F10 (Copy)
Paste	FN + F11	FN + F11 (Paste)
Share	FN + F12	FN + F12 (Share)

Figure 8: A diagram highlighting the 4 independent multimedia keys, 12 FN combination keys, and 4 navigation keys for various functions.

Using the Device Holder

The keyboard features a built-in groove at the top to securely hold your smartphone or tablet, allowing for convenient viewing and multitasking.

Figure 9: Close-up view of the integrated phone/tablet holder, indicating its dimensions (7.28 in x 0.59 in) and the presence of 2 foldable stands and 6 non-slip rubber pads for stability.

MAINTENANCE

To ensure the longevity and optimal performance of your VEILZOR keyboard, follow these maintenance guidelines:

- **Regular Cleaning:** Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution to wipe down the keycaps and surfaces. Avoid harsh chemicals or abrasive materials.
- **Dust Removal:** Use compressed air to remove dust and debris from between the keys.
- **Wrist Rest Care:** The leather wrist rest can be wiped clean with a damp cloth. Avoid prolonged exposure to direct sunlight or extreme temperatures.
- **Cable Management:** Avoid sharp bends or excessive pulling on the USB cable to prevent damage.
- **Storage:** When not in use for extended periods, store the keyboard in a clean, dry environment away from direct sunlight.

TROUBLESHOOTING

If you encounter any issues with your keyboard, please refer to the common problems and solutions below:

- **Backlight Not Working:**

Please check whether the light switch is turned on. Press **FN + Del** keys to turn on the backlight switch. If the backlight is too dim, press **FN + ↑/↓** keys to adjust the brightness of the light.

- **Number Keys on Right Side Not Working:**

Please try pressing the **Num Lock** key (alphabetic lock key) to activate the number pad.

- **Keyboard Not Recognized by Computer:**

Ensure the USB cable is securely plugged into both the keyboard and the computer. Try plugging the keyboard into a different USB port. Restart your computer.

- **Keys Not Responding or Sticky:**

Clean the keyboard thoroughly, especially around the affected keys, to remove any debris or spills. Avoid eating or drinking directly over the keyboard.

If you encounter other problems and cannot solve them, please contact our customer service. We will provide assistance and do our best to reply within 24 hours.
