## 5. SETUP AND ASSEMBLY

Assembly of your Couchus sofa is designed to be straightforward. Please follow these steps:

### 5.1 Unpacking and Cushion Expansion

1. Carefully open the packaging. Identify all components and hardware.
2. Remove the vacuum-packed cushions from their bags. The cushions will take approximately 48-72 hours to fully expand to their original state. Gently pat and fluff them to aid in the expansion process.

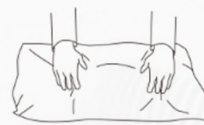

The cushion is vacuum-packed and takes 48-72 hours to bounce back to its original state after receiving the goods.

1 Open the vacuum bag carefully.

2 Press and tap with both hands from the side to fully inhale air.

3 Press and tap with both hands from the front to fully inflate.

4 Carefully smooth out each section until the surface is even.

## 5.2 Frame Assembly

Refer to the included instruction sheet for detailed diagrams. The main components include armrests, seat frames, back brackets, and connectors.

1. Attach the wooden legs to the bottom of the armrests.
2. Connect the front seat frame connector between the two front panels using the provided bolts and butterfly nuts.
3. Install the middle legs (G and H) to the seat frame.
4. Insert the front panels into the buckles on the inside of the armrests, ensuring they are secure.
5. Push the seat frames into the bottom buckles beside the armrests.
6. Connect the back frame connector between the two back brackets using the provided bolts and butterfly nuts.
7. Install the back brackets from the buckles on both sides and push them into the bottom.
8. Secure the backrest cover (S) by fitting the Velcro to the corresponding part under the backrest.

## 7. MAINTENANCE

### 7.1 Cleaning Removable Covers

The covers of the seat backrest and all cushion covers are detachable. They can be conveniently removed for machine washing and drying. Follow the care instructions on the fabric label for best results.

### 7.2 Fabric Care

The chenille fabric is designed to be non-pilling and resistant to stains. For minor spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals that may damage the fabric.

## 8. TROUBLESHOOTING

If you encounter any issues with your sofa, please refer to the assembly instructions to ensure all components are correctly installed. For common concerns:

- **Cushions not fully expanded:** Allow up to 72 hours for vacuum-packed cushions to fully expand. Gently fluff and pat them to help restore their shape.
- **Squeaking or instability:** Check all bolts and connectors to ensure they are securely tightened. Re-tighten if necessary.

- **Fabric pilling:** While the chenille fabric is designed to be non-pilling, some minor pilling can occur with heavy use. Use a fabric shaver to gently remove pills.

If problems persist, please contact Couchus customer support for assistance.
